## 5. MAINTENANCE

To ensure the longevity and appearance of your Modanais Rolling Cart:

- **Cleaning:** The Oxford cloth lining of the caddy baskets and drawers is dustproof and easy to clean. Wipe with a damp cloth and mild detergent if necessary. Avoid harsh chemicals.
- **Frame Care:** Wipe the metal frame and wooden panels with a dry or slightly damp cloth to remove dust.
- **Wheel Maintenance:** Periodically check wheels for debris and clean as needed to maintain smooth movement.
- **Weight Capacity:** Do not overload the cart. Distribute weight evenly to prevent strain on the frame and wheels.

## 6. TROUBLESHOOTING

- **Cart does not roll smoothly:** Check wheels for trapped debris (hair, lint) and clean them. Ensure lockable wheels are disengaged.
- **Cart feels unstable:** Verify all assembly hardware is securely tightened. Ensure weight is distributed evenly across the shelves and drawers. Avoid exceeding the recommended weight capacity.
- **Odor present:** New products may have a slight odor upon unboxing. This typically dissipates with ventilation. Place the cart in a well-ventilated area for a few days if an odor is noticeable.
