PACKAGE CONTENTS

Ensure all items are present in the package:

- 1 x SENGBIRCH Magic Keyboard for iPad Air 13-inch
- 1 x USB-C Charging Cable
- 1 x User Manual

SETUP

1. Charging the Keyboard

Before initial use, fully charge the keyboard using the provided USB-C cable. Connect the USB-C cable to the keyboard's charging port and a suitable USB power adapter (not included).

2. Powering On/Off

1. **To Power On:** Press and hold the physical power button located in the upper right corner of the keyboard for 3 to 5 seconds.
2. **To Power Off:** Press and hold the power button again for approximately 5 seconds. A red indicator light on the left side of the button will flash when powering off.

3. Bluetooth Pairing

1. Ensure the keyboard is fully charged and powered on.
2. Press and hold the power button for 3 seconds to turn on the keyboard.
3. Press the **Fn + C** keys simultaneously to activate Bluetooth pairing mode. The Bluetooth indicator light will flash.
4. On your iPad, go to **Settings > Bluetooth**.
5. Locate and select "**Bluetooth Keyboard**" from the list of available devices.
6. The connection will be established automatically. The Bluetooth indicator light on the keyboard will stop flashing.

OPERATING INSTRUCTIONS

1. Attaching Your iPad

The keyboard case features a magnetic back cover. Simply align your iPad with the magnetic area on the case for secure attachment. The floating design allows for adjustable viewing angles.

2. Using the Trackpad

The integrated multi-touch trackpad allows for precise navigation, scrolling, and swiping. To ensure the trackpad functions correctly:

- Verify the trackpad is enabled on the keyboard by pressing **Fn + Space**.
- On your iPad, ensure **AssistiveTouch** is enabled: Go to **Settings > Accessibility > Touch > AssistiveTouch** and turn it **On**.
- The trackpad automatically deactivates when typing to prevent accidental input.

3. Backlight Control

The keyboard features an illuminated backlight with three adjustable brightness levels for comfortable typing in various lighting conditions.

- Use the dedicated backlight control keys (often found in the function row) to adjust brightness or cycle through colors (if RGB is supported).

Kompatibel

iPad Air 13" (M2,2024)

A2898,A2899,A2900

MAINTENANCE

Cleaning

To clean the keyboard, gently wipe the surface with a soft, damp, lint-free cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the keyboard's finish or internal components.

Storage

When not in use, store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures. The synthetic leather case provides protection for your iPad when folded.

TROUBLESHOOTING

Keyboard Not Connecting via Bluetooth

- Ensure the keyboard is fully charged.
- Make sure the keyboard is powered on (press and hold the power button for 3-5 seconds).
- Confirm Bluetooth is enabled on your iPad (**Settings** > **Bluetooth**).

- Re-enter pairing mode on the keyboard by pressing **Fn + C**.
- If the keyboard was previously paired, try "forgetting" the device on your iPad and re-pairing.
- Restart both your iPad and the keyboard.

Trackpad Not Responding

- Ensure the trackpad is enabled on the keyboard by pressing **Fn + Space**.
- Verify that **AssistiveTouch** is enabled on your iPad: **Settings > Accessibility > Touch > AssistiveTouch**.
- Ensure your iPad's software is up to date.
- If the issue persists, try disconnecting and re-pairing the keyboard.

Backlight Not Working or Adjusting

- Check if the keyboard battery is low. Charge the keyboard fully.
- Use the dedicated backlight keys to adjust brightness or cycle through modes.
