Okamura Chair JOIFA308 User Manual

Model: JOIFA308 | Brand: No Brand Product

PRODUCT OVERVIEW

The Okamura Chair JOIFA308 is designed for comfortable and ergonomic seating in various environments. This manual provides essential information for the safe and effective use of your chair, covering assembly, operation, maintenance, and troubleshooting.

SAFETY INFORMATION

Warning:

It is highly likely that warnings regarding weight limits and proper assembly methods are included with this product. Always adhere to the manufacturer's specified weight capacity to prevent damage or injury. Ensure all components are correctly assembled and tightened before use. Do not stand on the chair or use it for purposes other than seating.

SETUP AND ASSEMBLY

The Okamura Chair JOIFA308 typically requires minimal assembly. Follow these general steps for proper setup:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify that all components listed in the packing list are present.
2. **Attach Casters:** Insert the casters into the base. Ensure they are securely seated.
3. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the base.
4. **Attach Seat Assembly:** Carefully place the seat assembly onto the gas lift cylinder. Apply gentle downward pressure to secure it.
5. **Final Check:** Before use, ensure all connections are firm and the chair is stable.

OPERATING INSTRUCTIONS

The JOIFA308 chair is designed for ease of use and comfort. Here are common adjustments:

- **Seat Height Adjustment:** Locate the lever typically found under the right side of the seat. Pull the lever up while seated to lower the seat, or pull it up while standing to raise the seat. Release the lever at the desired height.
- **Tilt Lock/Tension:** If equipped, a lever or knob under the seat controls the tilt function. Use the lever

to lock the backrest in an upright position or allow it to recline. The tension knob (if present) adjusts the resistance of the recline.

- **Armrest Adjustment:** This model is armless.

MAINTENANCE AND CARE

Regular maintenance ensures the longevity and performance of your chair:

- **Cleaning:** For fabric parts, use a mild soap and water solution with a soft cloth. For mesh and plastic parts, wipe with a damp cloth. Avoid abrasive cleaners.
- **Caster Care:** Periodically clean hair and debris from the casters to ensure smooth movement.
- **Tighten Fasteners:** Check all screws and bolts periodically and tighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can fade fabric and degrade plastic components.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Problem	Possible Cause	Solution
Chair Squeaks	Loose fasteners; friction between parts.	Tighten all screws and bolts. Apply silicone spray to moving parts if necessary.
Chair Sinks/Doesn't Stay Up	Gas lift cylinder malfunction.	The gas lift may need replacement. Contact customer support.
Casters Don't Roll Smoothly	Debris caught in casters; worn casters.	Clean debris from casters. Replace casters if worn out.

SPECIFICATIONS

Detailed specifications for the Okamura Chair JOIFA308:

Attribute	Value
First Available on Amazon.co.jp	2024/8/6
Manufacturer	No Brand Product
ASIN	B0DCC7QC61
