#### **4. Power Connection**

Connect the power adapter to the designated port on the base unit and plug it into a standard electrical outlet. The unit is designed for energy efficiency via cable power.

### **OPERATING INSTRUCTIONS**

---

#### **Powering On/Off**

Press the power button on the control panel located on the base unit to turn the device on or off.

#### **Adjusting Recline Positions**

The recline can be adjusted using the straps located on the sides of the bassinet unit. This allows for

multiple positions, from a flat bassinet mode for sleeping to a more upright bouncer mode for playing or feeding. Ensure the child is not in the unit when adjusting the recline.

### **Automatic Swing and Motion**

The unit features 7 motion options: 3 vertical (up and down) and 3 horizontal (side to side), plus a combination motion. Use the control panel or the Mastela Baby app to select your desired motion and intensity.

### **Timer Function**

Set the automatic shut-off timer for 15, 30, 45, or 60 minutes using the control panel or the app. This feature helps conserve energy and provides a consistent soothing period.

### **Music Playback**

Choose from 12 soothing melodies. Adjust the volume using the control panel or the Mastela Baby app to create a calming auditory environment for your child.

### **Mobile App Control (Mastela Baby App)**

For full control, download the Mastela Baby app on your smartphone. The app allows you to:

- Adjust motion settings and intensity.
- Select and manage music playlists.

- Control volume levels.
- Set and modify the timer.
