SAFETY INFORMATION

Choking Hazard-Small parts. Not for children under 3 years.

This product contains small parts which may pose a choking hazard. Adult supervision is recommended for children playing with this item. Keep away from infants and young children.

SETUP

- Unboxing:** Carefully remove the die-cast car from its packaging. Ensure all protective materials are removed.
- Inspection:** Inspect the model for any visible damage or loose parts. If any issues are found, contact customer support.
- Placement:** Place the model on a stable, flat surface for display or play. Avoid placing it in direct sunlight or extreme temperatures to prevent material degradation.

OPERATING FEATURES

The Jada Toys 2024 Ford Mustang Dark Horse die-cast car features several interactive elements:

- Opening Doors:** Gently pull the doors outward to open them. Do not force them beyond their natural range of motion.
- Opening Hood:** Locate the small tab or groove on the front edge of the hood. Gently lift the hood to reveal the engine detail.
- Opening Trunk:** Locate the small tab or groove on the rear edge of the trunk. Gently lift the trunk to access the storage area.
- Rolling Wheels:** The wheels are designed to roll smoothly. Push the car gently on a flat surface for movement.

MAINTENANCE

- Cleaning:** Use a soft, dry cloth to gently wipe the surface of the car. Avoid abrasive cleaners or solvents, as these can damage the paint finish.
- Dust Removal:** For intricate areas, use a soft brush or compressed air to remove dust.
- Storage:** When not on display, store the model in a cool, dry place away from direct sunlight and excessive humidity to preserve its condition.

TROUBLESHOOTING

- Stiff Opening Parts:** If doors, hood, or trunk are stiff, apply gentle, even pressure. Do not force them, as this may cause breakage. Over time, mechanisms may loosen slightly with careful use.
- Wheels Not Rolling Smoothly:** Check for any debris caught in the axles. Ensure the car is on a clean, flat surface.
- Paint Scratches/Chips:** Die-cast models are susceptible to paint damage from impacts. Handle with care. Minor touch-ups may be possible with model-specific paints, but consult a specialist if unsure.
