## 4. SETUP

---

### 4.1 Charging the Speaker

Before first use, fully charge your JBL Go 4 speaker using the provided USB-C charging cable. A full charge typically takes approximately 2.5 hours. The LED indicator will show charging status.

### 4.2 Bluetooth Pairing

1. Power on the JBL Go 4 by pressing the power button ( ). The Bluetooth indicator light will begin to flash, indicating it's in pairing mode.
2. On your mobile device (smartphone, tablet, etc.), go to the Bluetooth settings.
3. Select "JBL Go 4" from the list of available devices.
4. Once connected, the Bluetooth indicator light will turn solid.

## 5. OPERATING INSTRUCTIONS

---

### 5.1 Power On/Off

- Press the power button ( ) to turn the speaker on or off.

### 5.2 Volume Control

- Press the plus button (+) to increase the volume.
- Press the minus button (-) to decrease the volume.

### 5.3 Music Playback

- Press the play/pause button (▶) to play or pause music.
- Double-press the play/pause button (▶) to skip to the next track.

### 5.4 Auracast Functionality

The JBL Go 4 supports Auracast, allowing you to connect multiple Auracast-enabled speakers for a synchronized audio experience. Refer to the JBL Portable app for detailed instructions on setting up Auracast.

### 5.5 Playtime Boost

To extend your speaker's battery life by up to 2 additional hours, activate the Playtime Boost feature via the JBL Portable app.

## 6. MAINTENANCE

---

- **Cleaning:** Clean the speaker with a soft, damp cloth. Do not use harsh chemicals or abrasive materials.
- **Waterproof/Dustproof Care:** Ensure the USB-C port cover is securely closed before exposing the speaker to water or dust. After exposure to water, allow the speaker to dry completely before charging.
- **Storage:** Store the speaker in a cool, dry place when not in use for extended periods.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Cannot power on	Low battery	Charge the speaker fully.
Cannot pair via Bluetooth	Speaker not in pairing mode / Device out of range	Ensure speaker is in pairing mode (flashing LED). Move device closer to speaker. Restart both devices.
No sound	Volume too low / Paused / Not connected	Increase volume on speaker and device. Press play. Re-establish Bluetooth connection.
Poor sound quality	Device too far / Obstructions / Interference	Move device closer. Remove obstructions. Avoid interference sources.
