INITIAL SETUP

Follow these steps to set up your Samsung Galaxy A25 for the first time:

- Power On:** Press and hold the power button until the Samsung logo appears.
- Language Selection:** Choose your preferred language from the list.
- Connect to Wi-Fi:** Select your Wi-Fi network and enter the password. This is crucial for downloading updates and setting up your Google account.
- Terms and Conditions:** Read and accept the End User License Agreement and Privacy Policy.
- Copy Apps & Data:** You can transfer data from an old device or set up as new.
- Google Account:** Sign in with your Google account or create a new one. This is essential for accessing the Google Play Store and other Google services.
- Security Setup:** Configure your preferred screen lock method (PIN, pattern, password, fingerprint, or face recognition).
- Samsung Account:** Optionally sign in or create a Samsung account to access Samsung-specific services and features.
- Finalize Setup:** Complete any remaining setup prompts to finish configuring your device.

OPERATING YOUR DEVICE

Customizing Your Device

Personalize your Galaxy A25 to suit your preferences:

- Home Screen and Wallpaper:** To change your wallpaper, long-press on an empty area of the home screen, then select "Wallpaper and style." You can also add widgets and change grid size from here.
- Themes:** Explore and apply themes from the Galaxy Themes store to change the overall look and feel of your device.
- Sound and Vibration:** Adjust ringtones, notification sounds, system sounds, and vibration patterns in *Settings > Sounds and vibration*.
- Display Settings:** Customize brightness, dark mode, screen timeout, font size, and zoom in *Settings > Display*.

Security Settings

Protect your device and data with robust security features:

- Screen Lock:** Set up or modify your screen lock (PIN, pattern, password, fingerprint, face recognition) via *Settings > Security and privacy > Screen lock*
- Biometrics:** Register your fingerprints and face for quick and secure unlocking and authentication.
- Find My Mobile:** Enable this feature to locate, lock, or erase your device remotely if it's lost or stolen. Access it through *Settings > Security and privacy > Find My Mobile*
- Privacy Dashboard:** Monitor and manage app permissions for your camera, microphone, location, and more in *Settings > Security and privacy > Privacy*.

Downloading Apps and Games

Access a vast library of applications and games:

- **Google Play Store:** Open the "Play Store" app, browse categories, search for apps, and tap "Install" to download.
- **Galaxy Store:** Samsung's own app store offers exclusive apps, themes, and deals.

Web Browsing and Social Media

Stay connected and informed:

- **Internet Browser:** Use the pre-installed Samsung Internet browser or download Google Chrome from the Play Store for web browsing.
- **Social Media Apps:** Download popular social media applications like Facebook, Instagram, X (formerly Twitter), and TikTok from the Google Play Store to connect with friends and family.

CAMERA AND VIDEO RECORDING

The Samsung Galaxy A25 features a versatile camera system for capturing high-quality photos and videos.

Mastering the Camera

- **Opening the Camera:** Tap the Camera app icon or double-press the power button for quick access.
- **Modes:** Swipe left or right on the camera screen to switch between modes like Photo, Video, Portrait, Pro, Panorama, and Food.
- **Zoom:** Pinch in or out on the screen, or tap the zoom icons (e.g., 0.5x, 1x, 2x) to adjust magnification.
- **Settings:** Tap the gear icon to access camera settings, where you can adjust resolution, aspect ratio, timer, and more.

Video Recording

- **Start/Stop Recording:** In Video mode, tap the record button to start and stop recording.
- **Pause:** Tap the pause icon during recording to temporarily stop, then tap again to resume.
- **Video Resolution:** Adjust video quality in camera settings for different needs (e.g., Full HD, HD).

Photo Editing

After capturing your moments, enhance them using the built-in editing tools:

- **Accessing Editor:** Open a photo in the Gallery app and tap the "Edit" icon (pencil).
- **Tools:** Utilize tools for cropping, rotating, adjusting brightness, contrast, saturation, applying filters, and adding stickers or text.
- **Save:** Tap "Save" to apply changes. You can often save a copy to preserve the original.
