Tribesigns 200cm Meeting Desk / Computer Desk Instruction Manual

Model: JW0686-CT

Brand: Tribesigns

INTRODUCTION

Thank you for choosing the Tribesigns 200cm Meeting Desk / Computer Desk. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

- **Weight Limits:** Do not exceed the recommended weight capacity of the desk. Overloading can lead to instability and potential damage or injury.
- **Proper Assembly:** Ensure all components are correctly assembled and tightened according to the instructions to guarantee stability and safety.
- **Level Surface:** Always place the desk on a flat, level surface to prevent wobbling or tipping.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight.

PARTS LIST

Before assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tabletop sections (Rustic Brown and Black)
- Metal Leg Frames (Geometric Design)
- Adjustable Foot Pads
- Assembly Hardware (Screws, bolts, Allen wrench)
- Instruction Manual

ASSEMBLY INSTRUCTIONS

Follow these steps for a smooth assembly process. It is recommended to have two people for assembly.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., carpet or blanket) to prevent scratches. Identify each part using the provided parts list.
2. **Attach Foot Pads:** Screw the adjustable foot pads into the bottom of each metal leg frame. These help stabilize the desk on uneven floors.
3. **Assemble Leg Frames:** Connect the various sections of the geometric metal leg frames using the provided hardware. Ensure all connections are secure but do not fully tighten yet.
4. **Attach Legs to Tabletop:** Carefully place the tabletop sections upside down on your soft surface. Align the assembled leg frames with the pre-drilled holes on the underside of the tabletop. Secure the leg frames to the tabletop using the appropriate screws and bolts.
5. **Connect Tabletop Sections:** If your tabletop comes in multiple sections, connect them using the provided connectors and hardware. Ensure they are flush and securely joined.
6. **Final Tightening:** Once all parts are loosely assembled, carefully turn the desk upright. Adjust the desk to its desired position and then fully tighten all screws and bolts. Do not overtighten.
7. **Level the Desk:** Use the adjustable foot pads to level the desk and eliminate any wobbling.

OPERATING INSTRUCTIONS

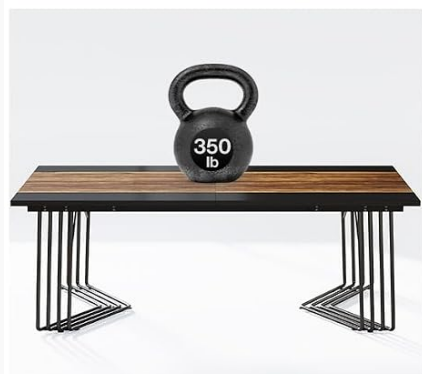

Your Tribesigns desk is designed for versatile use in various settings:

- **Meeting Table:** The spacious 200cm x 100cm surface comfortably accommodates 8-10 people for meetings and collaborative work.
- **Computer Desk:** Ideal for multiple monitors, laptops, and other office equipment, providing ample workspace for one or two users.
- **Home Office Desk:** Suitable for a productive home office setup, offering a large and stable surface.
- **Dining Table:** Can also serve as a large dining table for family gatherings or entertaining.

Weight Capacity: The desk is designed to support a significant amount of weight, up to 350 lbs (approximately 158 kg), distributed evenly across the surface. Avoid concentrating heavy items in one small area.

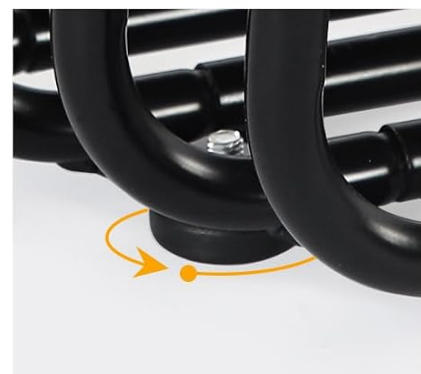

► Spacious Desktop

► Weight Capacity up to 350 lb

► Super Strong Metal Frame

► Adjustable Foot Pads

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the tabletop and metal frame with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals, abrasive cleaners, or solvents, as these can damage the finish.
- **Protect Surface:** Use coasters for drinks and placemats for hot items to prevent water rings and heat damage.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.
- **Regular Inspection:** Periodically check all screws and connections for tightness and re-tighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Wobbling Desk:**

Solution: Ensure the desk is on a level surface. Adjust the foot pads on each leg until the desk is stable. Check that all assembly screws and bolts are fully tightened.

- **Loose Connections:**

Solution: Re-tighten any loose screws or bolts. Do not overtighten, as this can strip the threads.

- **Scratches or Dents:**

Solution: For minor scratches, furniture repair markers or waxes can be used. For significant damage, contact customer support for advice.

- **Missing Parts:**

Solution: If you discover missing parts during assembly, stop and contact Tribesigns customer support immediately for replacement parts.

SPECIFICATIONS

Feature	Detail
Brand	Tribesigns
Model Number	JW0686-CT
Color	Rustic Brown
Product Dimensions (L x W x H)	200 x 100 x 75 cm
