2. Safety Information

Please observe the following safety precautions to prevent injury or damage to the product:

- This product must be installed near an electrical outlet by a qualified electrician.
- Always disconnect the product from the power supply before cleaning or performing any maintenance.
- Keep the product away from water and heat sources.
- Do not attempt to repair or modify the product yourself. Contact customer support for assistance.
- Always use the provided assembly tools and follow instructions carefully to avoid injury.
- Ensure the wall is suitable for mounting and can support the weight of the cabinet and its contents.

3. Package Contents

Verify that all components are present before beginning assembly:

- 1 x ChooChoo MC2402-WH Wall Cabinet with LED Mirror
- Assembly Hardware Kit (screws, anchors, etc.)
- Instruction Manual

If any parts are missing or damaged, please contact customer support immediately.

4. Setup and Assembly Instructions

Assembly is required for this product. It is recommended to have two people for installation due to the weight and size of the cabinet. Ensure you have the necessary tools (e.g., drill, screwdriver, level) before starting.

4.1 Unpacking and Inspection

1. Carefully remove all components from the packaging.
2. Inspect all parts for any damage. Do not proceed with assembly if damage is found.
3. Lay out all hardware and components on a clean, soft surface to prevent scratches.

4.2 Cabinet Assembly

Follow the detailed diagrams provided in the separate assembly guide (if included) or the general steps below:

1. Assemble the main cabinet frame using the provided screws and connectors. Ensure all joints are secure.
2. Install the adjustable shelf supports at your desired height.
3. Insert the adjustable shelf into the cabinet.
4. Attach the door hinges to the cabinet frame and then to the mirror door.
5. Ensure the door opens and closes smoothly. Adjust hinges if necessary.

4.3 Wall Mounting

1. Choose a suitable location on the wall, ensuring it is structurally sound and free from electrical wires or plumbing.
2. Mark the desired height and position for the cabinet. Use a level to ensure it is straight.
3. Drill pilot holes at the marked locations. Insert wall anchors if required for your wall type.
4. Secure the mounting bracket (if separate) or the cabinet directly to the wall using the provided screws.
5. For the electrical connection, ensure a qualified electrician connects the mirror's LED lighting to a suitable power source according to local electrical codes.

5. Operating Instructions

The ChooChoo MC2402-WH features an integrated LED mirror for enhanced visibility.

5.1 LED Mirror Operation

1. Ensure the cabinet is properly installed and connected to a power source by a qualified electrician.
2. Locate the touch sensor button on the mirror surface.
3. Gently touch the sensor button to turn the LED light on or off.

6. Maintenance

Regular maintenance will help prolong the life and appearance of your medicine cabinet.

- **Cleaning:** Always disconnect power before cleaning. Use a soft, damp cloth with a mild, non-abrasive cleaner. Do not use harsh chemicals or abrasive materials that could damage the finish or mirror.
- **Mirror Care:** For streak-free cleaning, use a glass cleaner specifically designed for mirrors. Apply cleaner to a cloth, not directly to the mirror, to prevent liquid from seeping into edges.
- **General Care:** Keep the cabinet dry and avoid excessive moisture. Periodically check all screws and connections to ensure they remain tight.

7. Troubleshooting

If you encounter issues with your medicine cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED mirror light does not turn on.	No power supply; loose electrical connection; faulty touch sensor.	Check power outlet and circuit breaker. Ensure electrical connections are secure (consult a qualified electrician). Contact customer support if the sensor is faulty.
Cabinet door is misaligned or does not close properly.	Hinges are loose or improperly adjusted.	Adjust the screws on the hinges to align the door. Refer to the assembly guide for hinge adjustment details.
Cabinet feels unstable after mounting.	Improper wall mounting; loose screws; unsuitable wall material.	Ensure all mounting screws are tightened. Verify that appropriate wall anchors were used for your wall type. If unsure, consult a professional installer.

For issues not listed here, please contact ChooChoo customer support.

8. Specifications

Brand	ChooChoo
Model Number	MC2402-WH
Color	White
Product Dimensions (D x W x H)	15.24 x 70.1 x 59.94 cm (6 x 27.6 x 23.6 inches)
Item Weight	11.6 kg
Assembly Required	Yes
Mounting Type	Wall Mount
Main Material	Engineered Wood
Finish Type	High Gloss
Style	Modern
Number of Shelves	1 (Adjustable)
Special Feature	Adjustable Shelf
Recommended Uses	Tools, Bathroom Storage
