GOJOOASIS GGL

GOJOOASIS Dog Kennel Instruction Manual

Model: GGL (Large)

1. Safety Instructions

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in injury to pets or damage to the product.

- Ensure all connections are securely fastened before placing a pet inside the kennel.
- Regularly inspect the kennel for any signs of wear, damage, or loose components.
- Do not allow children to play unsupervised near or inside the kennel.
- Position the kennel on a flat, stable surface to prevent tipping.
- Utilize the reinforced ground nails when using the kennel outdoors to prevent movement or tipping.
- This kennel is designed for pets. Do not use it for purposes other than its intended use.

2. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Metal Frame Panels (various sizes for walls and door)
- Door with Lockable Latch
- Top Tube Connections
- Rubber Sleeves / Protective Caps
- Clip Fixings for Easy Installation
- Waterproof & UV Protected Top Cover (Tarp)
- Cable Zip Ties for Cover Attachment
- Reinforced Ground Nails
- Instruction Manual

3. Setup and Assembly

Follow these steps to assemble your GOJOOASIS Dog Kennel. Each installation part is numbered in the included manual for easier identification.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify against the package contents list.
2. **Assemble Side Panels:** Connect the metal frame panels using the provided clip fixings. Ensure the panels are aligned correctly and the clips are securely engaged.
3. **Install Door Panel:** Integrate the door panel into the frame structure. Ensure the hinges are properly aligned and the door opens and closes smoothly.
4. **Secure Connections:** Double-check all panel connections for stability. The overall metal frame is designed for durability.
5. **Attach Top Cover Frame:** Assemble the top tube connections to form the roof frame. Place this frame onto the assembled kennel structure.

6. **Install Waterproof Top Cover:** Drape the 200g waterproof polyester fabric tarp over the roof frame. Secure the cover to the frame using the durable cable zip ties. Ensure the cover is taut and the pitched roof allows for water runoff.
7. **Ground Anchoring (Outdoor Use):** For outdoor placement, use the reinforced ground nails to fix the kennel's position, preventing it from being moved or knocked down.

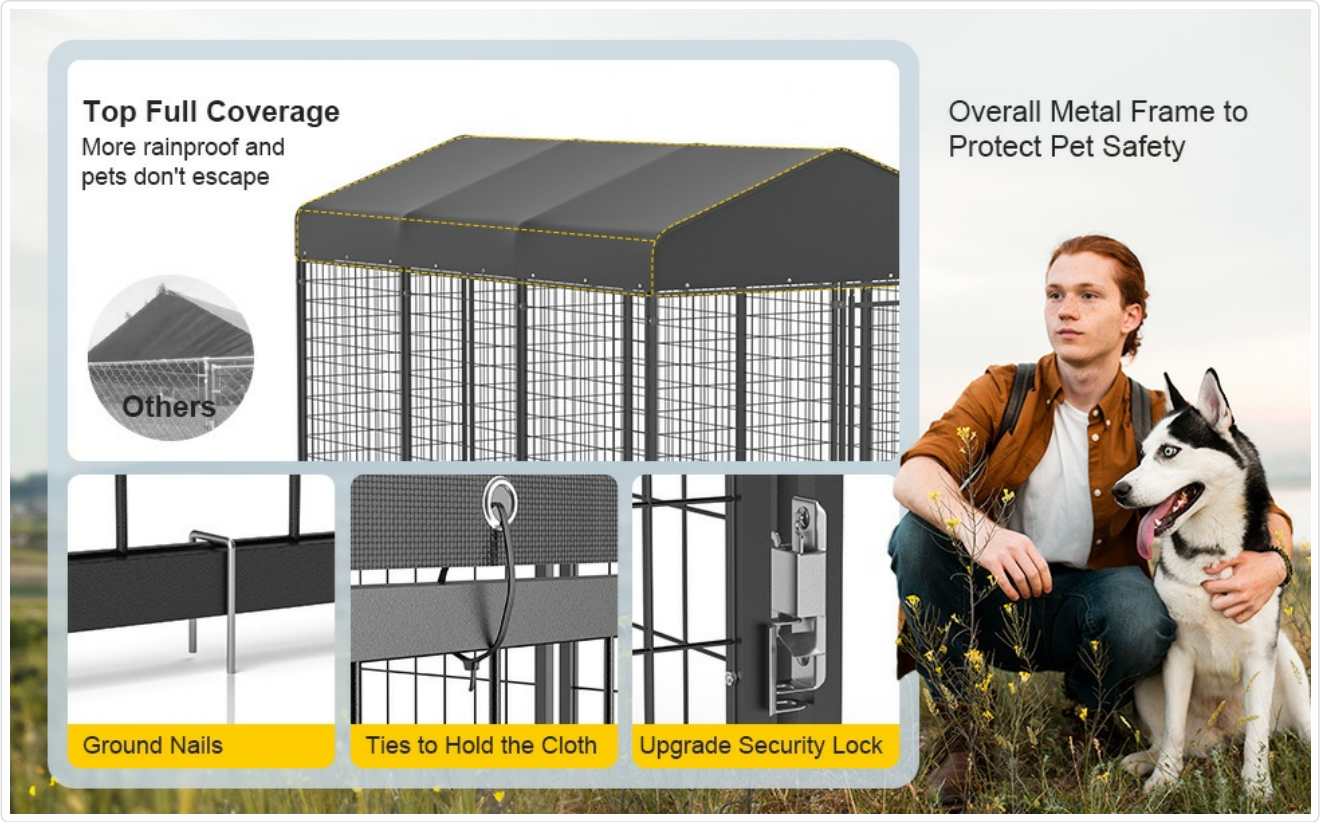

Figure 3.2: Key assembly points: ground nails, cover ties, and security lock.

4. Operation

The GOJOOASIS Dog Kennel provides a secure and spacious environment for your pet.

- **Pet Placement:** Guide your pet into the kennel through the door.
- **Locking the Door:** Utilize the lockable door latch to secure your pet inside. This prevents escape and protects against external hazards.
- **Supervision:** While the kennel is secure, regular supervision of your pet is recommended, especially during initial use.

Figure 4.2: The spacious interior offers ample room for pets to exercise and relax.

5. Maintenance

Proper maintenance will extend the lifespan of your dog kennel.

- **Cleaning:** Regularly clean the kennel with mild soap and water. Rinse thoroughly and allow to air dry. Avoid harsh chemicals that could harm your pet.
- **Cover Care:** The waterproof top cover can be wiped clean. Ensure it remains securely attached, especially during windy conditions.
- **Inspection:** Periodically check all metal connections, welds, and the door latch for any signs of rust, damage, or loosening. Tighten any loose fasteners.
- **Ground Nails:** If used outdoors, ensure ground nails remain firmly in place.

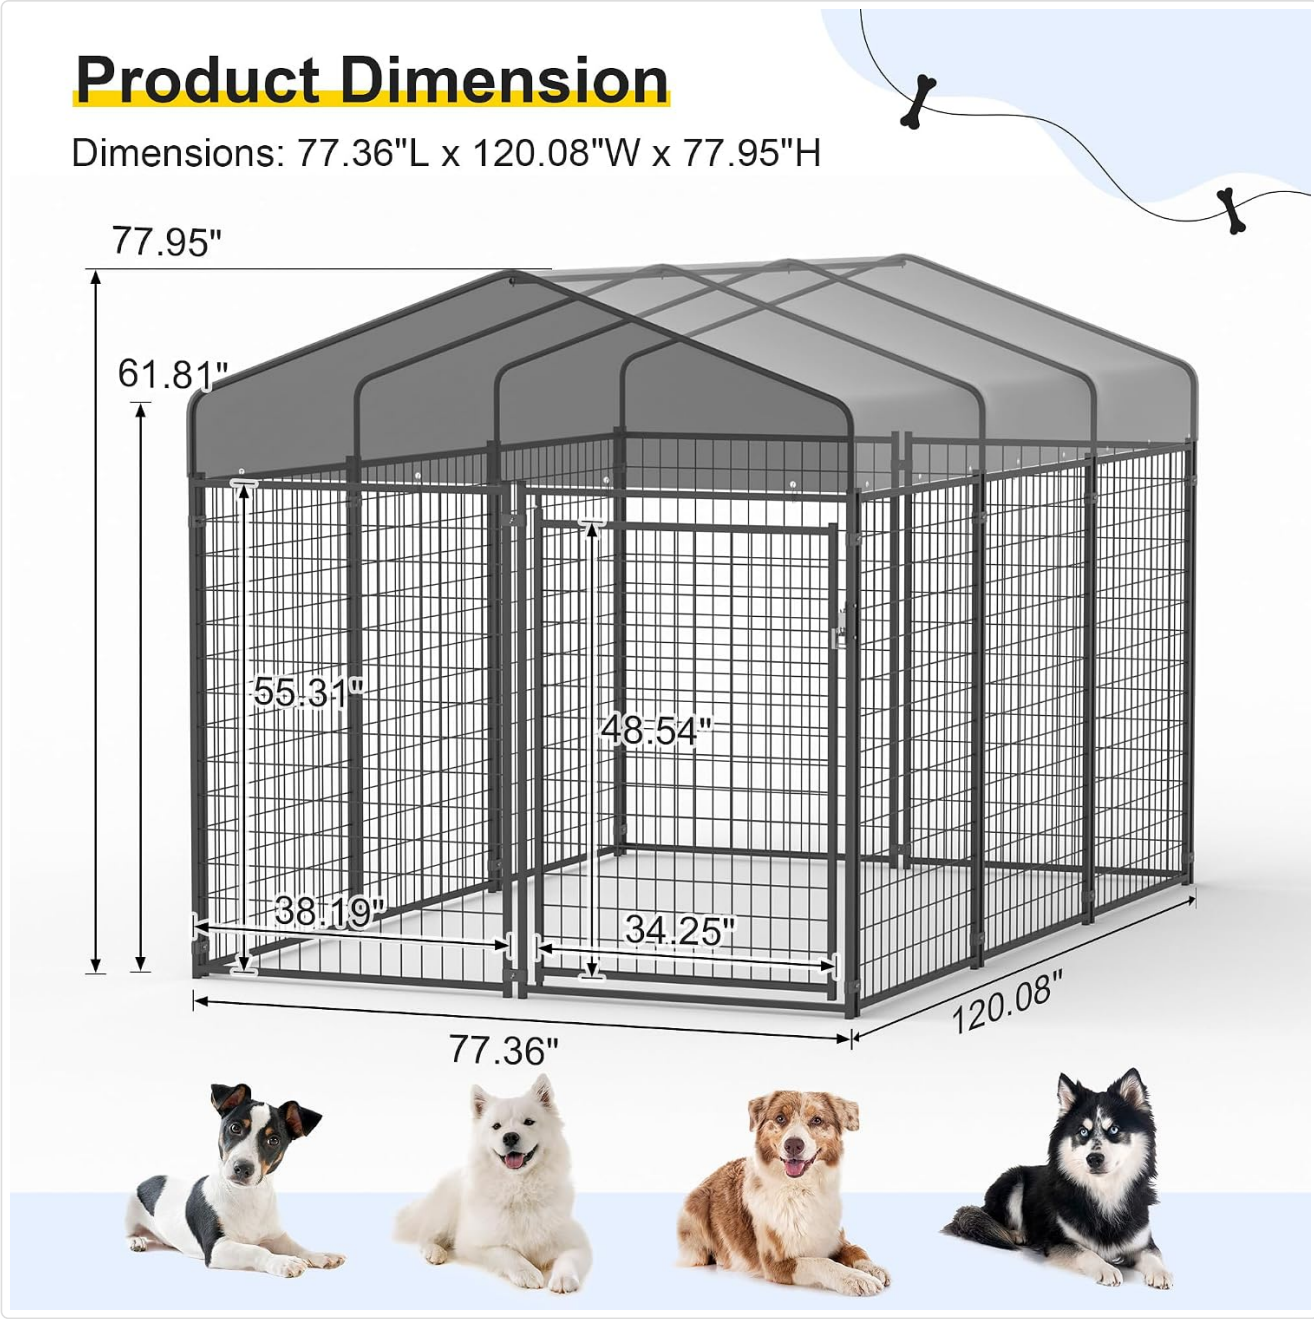

Figure 5.1: The weather-resistant roof protects pets from various elements.

6. Troubleshooting

If you encounter issues with your GOJOOASIS Dog Kennel, refer to the following common solutions:

- **Kennel Instability:** Ensure all panel clips and connections are fully engaged and tightened. Verify the kennel is on a level surface. For outdoor use, ensure ground nails are properly installed.
- **Door Not Latching:** Check for any obstructions in the latch mechanism. Ensure the door panel is correctly aligned within the frame.
- **Roof Cover Sagging:** Ensure the cable zip ties are securely fastened and evenly distributed to keep the tarp taut. Check that the roof frame is correctly assembled and seated.
- **Missing Parts:** If any parts were missing upon unboxing, refer to the 'Warranty and Support' section to contact customer service for replacements.

7. Specifications
