HOMCOM Swivel Recliner Chair with Footstool User Manual

Model: 833-694V72GY

1. INTRODUCTION

Thank you for choosing the HOMCOM Swivel Recliner Chair with Footstool. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before use and retain them for future reference.

2. SAFETY INFORMATION

Before assembly and use, please observe the following safety guidelines:

- Ensure all components are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- Assemble the chair and footstool on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, as this may damage the components. Tighten all bolts only after all parts are loosely fitted.
- Keep children and pets away from the assembly area.
- This product is designed for indoor use only.
- Do not stand on the chair or footstool.
- Regularly check all fasteners to ensure they remain tight.
- The product materials are BS 5852 Certified for fire resistance, ensuring compliance with safety standards.

FIRE-RETARDANT CERTIFIED

Peace of mind for your home

BS5852

- ✓ *Fire-resistance tested:* Our furniture materials undergo rigorous tests - meeting safety standards.
- ✓ *Flame-retardant coating:* Fabric and foam are treated with a protective layer that slows down ignition and combustion.
- ✓ *BS5852 certified:* Confidence owning our products, that they're safe to keep in the home.

Choose furniture that prioritises safety - choose ours.

3. PACKAGE CONTENTS

Please verify that all the following components are included in your package:

- Recliner Chair (Backrest, Seat, Base)
- Ottoman (Footrest, Base)
- Assembly Hardware (Screws, Washers, Allen Key)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Follow these general steps for proper setup. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface. Check against the package contents list.
2. **Assemble Chair Base:** Attach the chair's central support pole to its round base using the provided hardware. Ensure it is securely fastened but do not fully tighten all bolts until the entire chair is assembled.
3. **Attach Chair Seat:** Connect the chair seat to the assembled base. Align the mounting points and secure with hardware.
4. **Attach Chair Backrest:** Slide or bolt the backrest onto the chair seat frame. Ensure a firm connection.
5. **Assemble Ottoman:** Attach the ottoman's footrest to its central support pole and then to its round base, similar to the chair base assembly.
6. **Final Tightening:** Once all major components are in place for both the chair and ottoman, carefully tighten all screws and bolts using the provided Allen key. Do not overtighten.
7. **Inspect:** Before first use, gently test the stability of both the chair and ottoman.

Image 4.1: Visual representation of the chair's comfort features, including thick padding and a solid metal base.

5. OPERATING INSTRUCTIONS

The HOMCOM Swivel Recliner Chair offers both swivel and reclining functions for enhanced comfort.

- **Swivel Function:** The chair base rotates 360 degrees, allowing for easy movement and orientation within your space without needing to reposition the entire chair. Simply push off the floor with your feet to rotate.
- **Reclining Function:** To recline the chair, lean back gently. The backrest can be adjusted up to 145 degrees, allowing you to find your preferred angle for reading, watching TV, or napping. To return to an upright position, lean forward and the chair will adjust.
- **Footstool Use:** Position the accompanying ottoman in front of the recliner to elevate your legs for maximum relaxation.

Image 5.2: The chair reclined to 145 degrees, demonstrating its relaxation capabilities.

6. MAINTENANCE

Proper care will extend the life and appearance of your recliner chair and footstool.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the faux leather upholstery.
- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading and material degradation.
- **Inspection:** Periodically check all bolts and connections to ensure they are secure. Tighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your HOMCOM recliner, consider the following common solutions:

- **Chair feels wobbly:** Check all assembly bolts and ensure they are securely tightened. Ensure the chair is on a flat, even surface.
- **Reclining mechanism is stiff:** Ensure no obstructions are preventing movement. If new, the mechanism may require a few uses to loosen up. Do not force the recline.
- **Squeaking noises:** Check for loose connections and tighten if found. A small amount of silicone spray on moving metal parts (avoiding upholstery) may help, but consult a professional if unsure.

8. SPECIFICATIONS

Feature	Detail
Model Number	833-694V72GY
Color	Grey
