Beats Solo Buds (MUVW3LL/A)

Beats Solo Buds Wireless Bluetooth Earbuds Instruction Manual

INTRODUCTION

This manual provides essential information for the setup, operation, maintenance, and troubleshooting of your Beats Solo Buds Wireless Bluetooth Earbuds. Please read this guide thoroughly to ensure optimal performance and longevity of your device.

WHAT'S IN THE BOX

- Beats Solo Buds earphones
- Protective Case
- Eartip (multiple sizes)
- Warranty card
- (Power adapter and USB-C charging cable sold separately)

PRODUCT FEATURES

Audio Quality

Beats Solo Buds are engineered with custom acoustic architecture for big Beats sound, offering full range and clarity. Dual-layer drivers minimize distortion, ensuring high-fidelity sound, while purposefully positioned axial-aligned drivers deliver sound directly to your ears. Laser-cut vents further improve audio performance and relieve pressure for added comfort.

Our Smallest Case Ever

Incredible sound that's incredibly pocketable.

Design and Portability

The Solo Buds feature a compact, lightweight design, making them ideal for on-the-go listening. The charging case is the smallest Beats has ever made, ensuring easy pocketability. The earbuds themselves are lightweight, contributing to comfortable extended wear.

Charge Out from Your Device

Via USB-C with your earbuds seated in the case.

Requires iPhone 15 or supported Android devices.

Battery Life and Charging

Enjoy up to 18 hours of battery life. For quick power boosts, a 5-minute Fast Fuel charge provides up to 1 hour of playback. The earbuds can be charged directly from your phone, tablet, or laptop using a USB-C connection (charging cable and power adapter sold separately).

Four Ear Tip Sizes

Including our newest extra-small option, plus angled nozzles for a more natural fit.

Up to 18 Hours of Battery Life

And with Fast Fuel, a 5-minute charge gives up to 1 hour of power.

Testing conducted by Apple in April 2024 using preproduction Beats Solo Buds units and software paired with iPhone 15 Pro units and prerelease software. The playlist consisted of 358 unique audio tracks purchased from the iTunes Store (256-Kbps AAC encoding). Volume was set to 50%. Testing consisted of full Beats Solo Buds battery discharge while playing audio until the first unit of Beats Solo Buds stopped playback. Battery life depends on device settings, environment, usage, and many other factors.

Compatibility and Pairing

Beats Solo Buds offer dual compatibility for both iOS and Android devices, including seamless one-touch pairing and automatic pre-pairing across your devices. They also support Find My or Find My Device functionality.

High-Fidelity Audio

Custom acoustics tuned for uncompromising clarity and balance.

Fit and Comfort

The earbuds come with four ear tip sizes, including an extra-small option, plus angled nozzles for a more natural and secure fit, ensuring comfort for various ear shapes.

iOS and Android Compatibility

Enjoy seamless one-touch pairing, automatic account setup, and Find My or Find My Device.

Requires an iCloud account and a compatible Apple device running the latest operating system software or a compatible Android device running the latest operating system software with Google Play Services enabled.

Call Quality and Connectivity

Each earbud features custom-designed microphones powered by an advanced noise-learning algorithm for exceptional call quality. Industry-leading Class 1 Bluetooth ensures extended range and fewer dropouts.

SETUP

Initial Pairing

1. Ensure your Beats Solo Buds are charged.
2. Open the charging case lid. The indicator light will flash, indicating they are in pairing mode.
3. On your iOS device, hold the open case near your device. Follow the on-screen instructions to connect.
4. For Android devices, download the Beats app from the Google Play Store. Open the app and follow the instructions to pair your Solo Buds. Alternatively, go to your device's Bluetooth settings, select 'Pair New Device', and choose 'Beats Solo Buds'.

Charging Instructions

- Place the earbuds into the charging case. Close the lid to begin charging the earbuds.

- To charge the case, connect a USB-C cable (sold separately) to the charging port on the case and to a power source (phone, tablet, laptop, or power adapter).
- The LED indicator on the case will show the charging status.

OPERATING YOUR BEATS SOLO BUDS

Controls

Beats Solo Buds feature intuitive on-device controls. The 'b' button on each earbud allows for media control (play/pause, skip tracks) and call management (answer/end calls). Specific functions can often be customized via the Beats app.

Wearing the Earbuds

Select the ear tips that provide the most comfortable and secure fit for your ears. Insert the earbuds gently into your ear canal and twist slightly to ensure a snug seal for optimal sound performance and noise isolation.

MAINTENANCE

- **Cleaning:** Regularly clean your earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive materials or harsh chemicals.
- **Ear Tips:** Remove ear tips and clean them with water and mild soap if necessary. Ensure they are completely dry before reattaching.
- **Storage:** Always store your Beats Solo Buds in their charging case when not in use to protect them and keep them charged.
- **Avoid Moisture:** While designed for everyday use, avoid exposing the earbuds to excessive moisture or liquids.

TROUBLESHOOTING

Issue	Solution
Earbuds not pairing	Ensure earbuds are charged and in pairing mode (open case lid). Turn Bluetooth off and on on your device. Try resetting the earbuds (refer to the Beats app or online support for specific instructions).
Poor sound quality	Check ear tip fit; try different sizes. Ensure earbuds are clean and free of debris. Move closer to your paired device to avoid interference.
Charging issues	Ensure the charging cable and power source are working. Check for debris in the charging port of the case. Verify earbuds are correctly seated in the case.
Earbuds not turning on/off	Place earbuds back into the charging case and close the lid. Ensure they are charged.
