Bealife QYF-TB4041-C

Bealife Velvet Dining Chairs (Set of 6), Dark Grey

Model: QYF-TB4041-C

1. INTRODUCTION

Thank you for choosing Bealife Velvet Dining Chairs. This manual provides detailed instructions for the safe assembly, proper use, and effective maintenance of your new chairs. Please read this guide thoroughly before assembly and retain it for future reference.

2. SAFETY INSTRUCTIONS

- Ensure all parts are present and undamaged before assembly.
- Assemble the chairs on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly, but ensure they are secure.
- Do not stand on the chairs.
- Do not exceed the maximum weight capacity of 150 kg (330 lbs).
- Keep children away from small parts during assembly.
- Regularly check all fasteners to ensure they remain tight.
- Use the chairs only for their intended purpose as seating furniture.

3. ASSEMBLY INSTRUCTIONS

The Bealife dining chairs require assembly. Follow these steps carefully to ensure proper construction and stability.

3.1. Before You Begin

- Verify that you have received all packages and parts. Refer to the included parts list.
- Prepare a clear, spacious work area.
- Wear gloves for safety during handling and assembly.
- A screwdriver is provided. An electric screwdriver (not included) is recommended for efficiency.

3.2. Assembly Steps

While specific step-by-step diagrams are provided in the physical instruction manual, the general assembly process involves attaching the chair legs to the seat frame and then securing the backrest. Ensure all screws are aligned correctly before tightening.

Guide de Livraison et de Montage

Inclus :
 Tournevis (fourni)
 Pour plus d'efficacité : Tournevis électrique recommandé (non fourni)

Avant de commencer :
 ✓ Vérifiez les deux colis et toutes les pièces
 ✓ Préparez un espace de travail dégagé et comptez les composants
 ✓ Portez des gants pour votre sécurité

Besoin d'aide ?
 Pièces manquantes, retard de livraison ou difficulté de motn-tage?
 Assistance disponible sous 24 heures en cas de besoin

Image 3.1: Illustration of the assembly process.

1. Unpack all components and lay them out on a protective surface.
2. Identify the chair seat, backrest, and legs.
3. Attach the legs to the underside of the chair seat using the provided hardware. Do not fully tighten yet.
4. Attach the backrest to the seat frame, aligning the pre-drilled holes.
5. Once all components are loosely assembled, place the chair upright on a flat surface.
6. Gradually tighten all screws, ensuring the chair is stable and level.
7. Repeat for all chairs in the set.

4. OPERATING INSTRUCTIONS

Your Bealife dining chairs are designed for comfortable and stable seating in various indoor environments.

4.1. Ergonomic Design

The chairs feature an ergonomic design with a high backrest and angled seat to provide support and reduce spinal tension, promoting comfort even during extended periods of sitting.

Image 4.1: Ergonomic design for back support.

4.2. Versatile Use

These chairs are suitable for various rooms, including dining rooms, kitchens, living rooms, offices, and study areas. The anti-slip caps on the feet prevent scratching hard floors and reduce noise when moving the chairs.

5. MAINTENANCE

Proper care will extend the life and appearance of your Bealife dining chairs.

5.1. Cleaning the Velvet Upholstery

- For general cleaning, use a soft, damp cloth to wipe away dust and small stains.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the velvet fabric.
- Blot spills immediately with a clean, dry cloth. Do not rub.
- For deeper cleaning, consult a professional upholstery cleaner.

5.2. Frame and Legs

- Wipe the metal frame and legs with a soft, dry cloth.
- Periodically check all screws and bolts and tighten them if necessary to maintain stability.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair feels wobbly or unstable.	Loose screws or uneven assembly.	Place the chair on a flat surface and gradually tighten all screws. Ensure all legs are touching the ground evenly.
Scratches on the floor.	Missing or damaged anti-slip foot caps.	Verify that all four anti-slip foot caps are securely in place. Replace if damaged.
Difficulty during assembly.	Incorrect alignment of parts or missing hardware.	Review the assembly instructions carefully. Ensure all parts are correctly oriented. Contact customer support if parts are missing.

7. SPECIFICATIONS
