Kikihuose Manicure Table with Dust Collector

Model: US13020310 - Instruction Manual

INTRODUCTION

Thank you for choosing the Kikihuose Manicure Table with Dust Collector. This manual provides essential information for the safe assembly, operation, and maintenance of your new manicure table. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always assemble with care, keeping sharp edges away from the body.
- Once assembled, do not attempt to move the product alone due to its weight. It is recommended to have two people for assembly and relocation.
- Keep children and pets away from the product during and after assembly.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload drawers or shelves to prevent tipping or damage.

ASSEMBLY INSTRUCTIONS

This product requires assembly. It is recommended to have two people for assembly due to its size and weight. Please follow the instructions carefully, keeping sharp edges away from the body. Once assembled, do not attempt to move the product alone due to its weight. Keep children and pets away from the product during and after assembly.

Refer to the included assembly diagram and hardware package for detailed step-by-step instructions. Ensure all components are present before beginning assembly.

OPERATING INSTRUCTIONS

1. Electric Dust Collector

The manicure table is equipped with a powerful electric dust collector to maintain a clean workspace. To operate, simply press the power button (location may vary, refer to assembly diagram for specific placement). The built-in vents will activate, collecting nail shavings and dust efficiently.

Strong Suction Dust Collector

Built-in vents collect dust & keep table clean

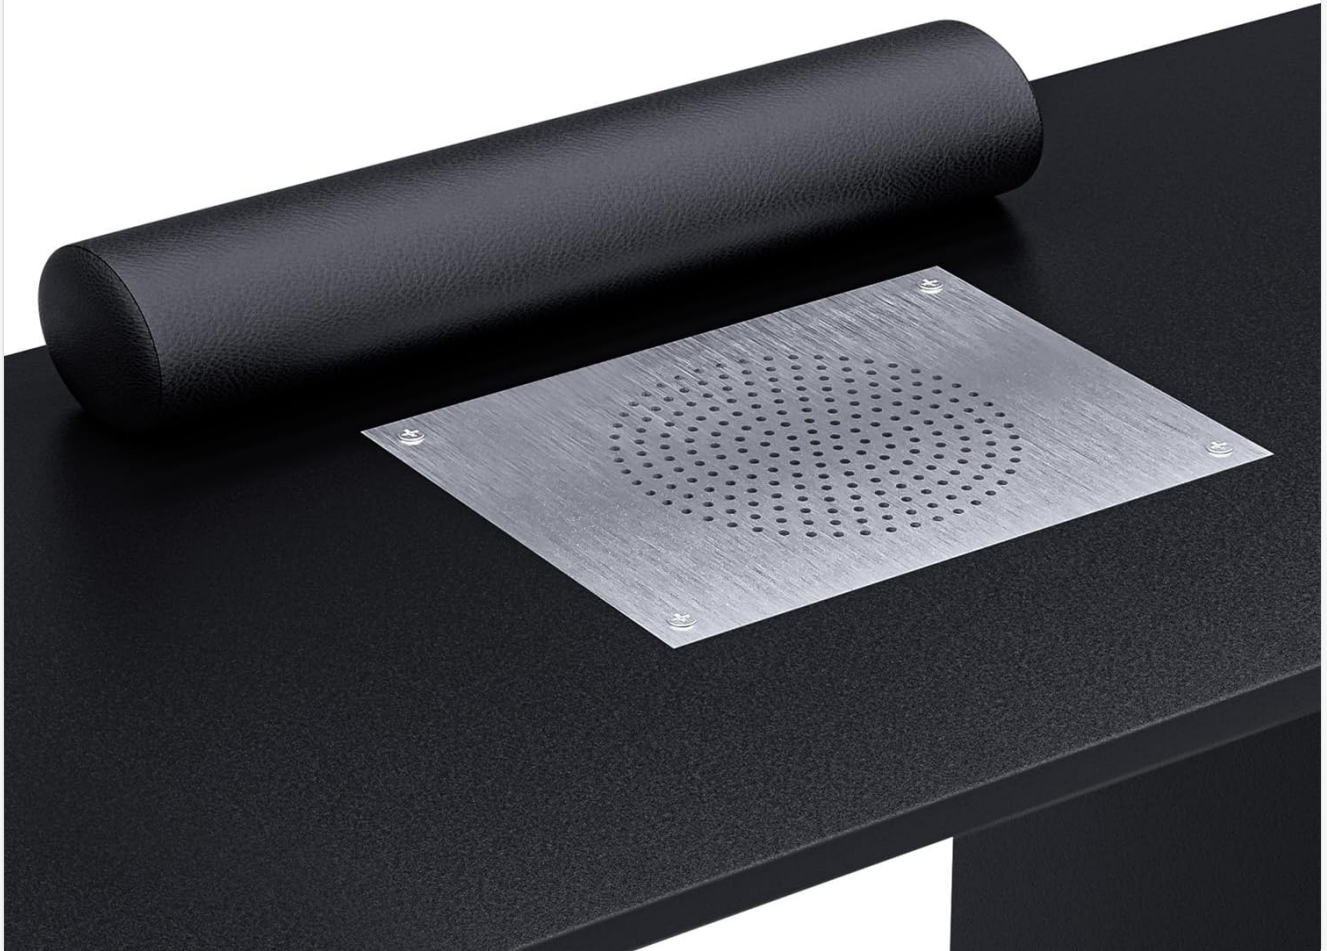

Figure 3: Detail of the integrated electric dust collector with vents on the tabletop, designed to capture nail dust.

2. Storage Features

The workstation offers extensive storage solutions to keep your supplies organized:

- **Open Shelves:** Four open shelves provide easy access to frequently used items.
- **Vertical Pull-out Locker:** A multi-layered vertical pull-out locker is ideal for classifying and storing numerous nail polish bottles.
- **Drawers:** Two smooth-gliding drawers offer concealed storage. These drawers include 4 adjustable dividers that can be tailored to create custom compartments for various items.
- **Side Cabinet:** A large capacity side cabinet provides additional storage for bulkier items.

Large Storage Space

Make the drawers easy to be pushed in and pulled out smoothly

3. Ergonomic Wrist Rest

A soft sponge wrist pad is integrated into the table design, providing comfortable support for clients' arms and helping to alleviate discomfort during extended nail art sessions.

4. Multifunctional Use

While primarily designed as a manicure station, this versatile desk can also serve as a dressing table, a computer desk, or for other general purposes in various settings.

MAINTENANCE

1. Cleaning the Table Surface

The acetone-resistant MDF tabletop is designed for easy cleaning. Wipe the surface with a damp cloth to remove spills and dust. For stubborn stains, use a mild, non-abrasive cleaner. Avoid harsh chemicals that may damage the finish.

2. Dust Collector Maintenance

The electric dust collector comes with four dust bags. Regularly check and empty or replace the dust bags to ensure optimal suction performance. Refer to the assembly diagram for instructions on accessing and changing the dust bags.

3. General Care

Periodically check all screws and connections to ensure they remain tight. Avoid placing excessively hot items directly on the surface without protection. Keep the table away from direct sunlight and extreme temperature changes to prevent material degradation.

TROUBLESHOOTING

If you encounter any issues with your Kikihuose Manicure Table, please refer to the following common solutions:

- **Table Wobbles:** Ensure all assembly screws are securely tightened. Check that the floor surface is even. Adjust the leveling feet if present.
- **Drawers Stick:** Verify that the drawer slides are correctly installed and free of obstructions. Apply a silicone-based lubricant to the slides if necessary. Do not overload drawers.
- **Dust Collector Not Working:** Check if the power cord is securely plugged in. Ensure the power switch is in the 'ON' position. Verify that the dust bag is not full or improperly installed.
- **Dust Collector Suction is Weak:** Empty or replace the dust bag. Clean any debris from the intake vents on the tabletop.

If problems persist, please contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	Kikihuose
Model Number	US13020310
