SEGMART Kids' Playhouse

SEGMART Kids Outdoor Cedar Playhouse Instruction Manual

Model: Kids' Playhouse

INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your SEGMART Kids Outdoor Cedar Playhouse. Designed for children aged 3-8, this playhouse offers a rich environment for creative and social play. Please read all instructions carefully before beginning assembly or allowing children to use the product.

SAFETY INFORMATION

Adult assembly is required. Small parts are present in the unassembled state. Keep all small components and hardware away from young children before and during assembly. Ensure all fasteners are securely tightened before use. Regularly inspect the playhouse for any loose parts, damage, or wear that could pose a hazard. Do not allow children to climb on the roof or other parts not intended for climbing. Always supervise children during play.

WHAT'S INCLUDED

The package contains all necessary components for assembly. Please verify that all parts are present before beginning. Included items are:

- Simulated Faucet and Sink
- Plastic Spatula Set
- Dog Hole Cover
- Plastic Clock Board
- Simulated Induction Cooktop
- Pre-cut cedar wood panels
- Hardware and fasteners

SETUP AND ASSEMBLY

Assembly of the SEGMART Kids Outdoor Cedar Playhouse typically takes 5-6 hours with two adults. Clear step-by-step instructions are included in the packaging. All panels are pre-cut, parts are labeled, and holes are pre-drilled to simplify the process. A power drill with a low resistance setting is recommended for driving screws.

Assembly Tips:

- Organize all parts and hardware before starting.
- When assembling the A-shaped roof pitches, build the outer bar first, then the center crossbar to ensure proper alignment.
- Ensure all screws are tightened securely but avoid over-tightening to prevent wood damage.

OPERATING INSTRUCTIONS

The SEGMART Kids Outdoor Cedar Playhouse is designed for imaginative and interactive play. Encourage children to

explore its various features:

- **Play Kitchen:** The realistic play kitchen includes a sink, stove, and accessories for pretend cooking.
- **Working Doorbell:** The functional doorbell adds to the realistic play experience.
- **Toy Phone:** Use the toy phone for imaginative conversations and role-playing.
- **Hinged Door:** The main door is hinged for easy entry and exit, featuring a magnetic latch.
- **Flowerpot Holders:** Built-in flowerpot holders allow children to plant real or toy flowers, fostering a connection with nature.

Mini Kitchen, Big Imagination!

Let your little chef cook up endless fun in their very own mini kitchen!

MAINTENANCE

To ensure the longevity and safety of your cedar playhouse, regular maintenance is recommended:

- **Cleaning:** Wipe down surfaces with a damp cloth and mild soap as needed. Avoid harsh chemicals that could damage the wood finish.
- **Wood Care:** Cedar wood is naturally weather-resistant, but applying a child-safe wood sealant annually can further protect it from the elements and extend its lifespan.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight. Inspect for any splinters, cracks, or damaged parts and repair or replace as necessary.
- **Drainage:** Ensure the area around the playhouse has proper drainage to prevent water accumulation, which can lead to wood decay.

TROUBLESHOOTING

Most issues can be resolved by reviewing the assembly instructions or performing routine maintenance. If you encounter

problems:

- **Loose Parts:** Re-tighten any loose screws or fasteners.
- **Missing Components:** If any parts were missing upon delivery, contact customer support immediately.
- **Structural Instability:** Ensure all connections are correctly assembled and tightened according to the manual.

SPECIFICATIONS

Feature	Detail
Brand	SEGMART
Model Number	Kids' Playhouse
Material Type	Cedar Wood
Overall Dimensions (D x W x H)	55.7" x 47" x 66.3" (141.5 cm x 119.4 cm x 168.4 cm)
