## GNMN M7

# GNMN M7 Wireless Earbuds User Manual

Model: M7 | Brand: GNMN

## INTRODUCTION

Thank you for choosing GNMN M7 Wireless Earbuds. These earbuds are designed to provide a high-fidelity audio experience with deep bass, clear calls, and extended battery life. Featuring Bluetooth 5.3 technology, touch controls, and IPX7 waterproofing, they are suitable for various activities including sports, work, and daily use. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

## WHAT'S INCLUDED

The GNMN M7 Wireless Earbuds package includes the following components:

- Wireless Earbuds (Left and Right)
- Wireless Charging Case
- USB-C Charging Cable
- Eartips (Multiple Sizes)
- User Manual

## SETUP GUIDE

### 1. Initial Charging

Before first use, ensure the earbuds are fully charged. Remove the insulation stickers from the charging contacts on the earbuds. Place both earbuds into the charging case. Connect the USB-C cable to the charging case and a power source, or place the case on a wireless charging pad (not included). The LED display on the case will show the charging status.

## 2. Pairing with Your Device

1. Ensure the earbuds are in the charging case and the case has power.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, laptop), go to the Bluetooth settings.
4. Search for "M7" in the list of available devices and select it to connect.
5. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The earbuds will automatically reconnect to the last paired device when the case is opened, provided Bluetooth is enabled on the device.

# Superior Battery Life

**8**   
Single Charge

### 3. Wearing the Earbuds

Select the ear tips that provide the most comfortable and secure fit for your ears. Gently insert the earbuds into your ear canal and rotate them slightly to ensure a snug fit. A proper seal is crucial for optimal sound quality and bass performance.

## **OPERATING INSTRUCTIONS**

### **Touch Controls**

The GNMN M7 earbuds feature sensitive touch panels for easy control of music playback, calls, and voice assistant activation. Refer to the table below for common touch functions:

# Hi-Fi Sound Quality

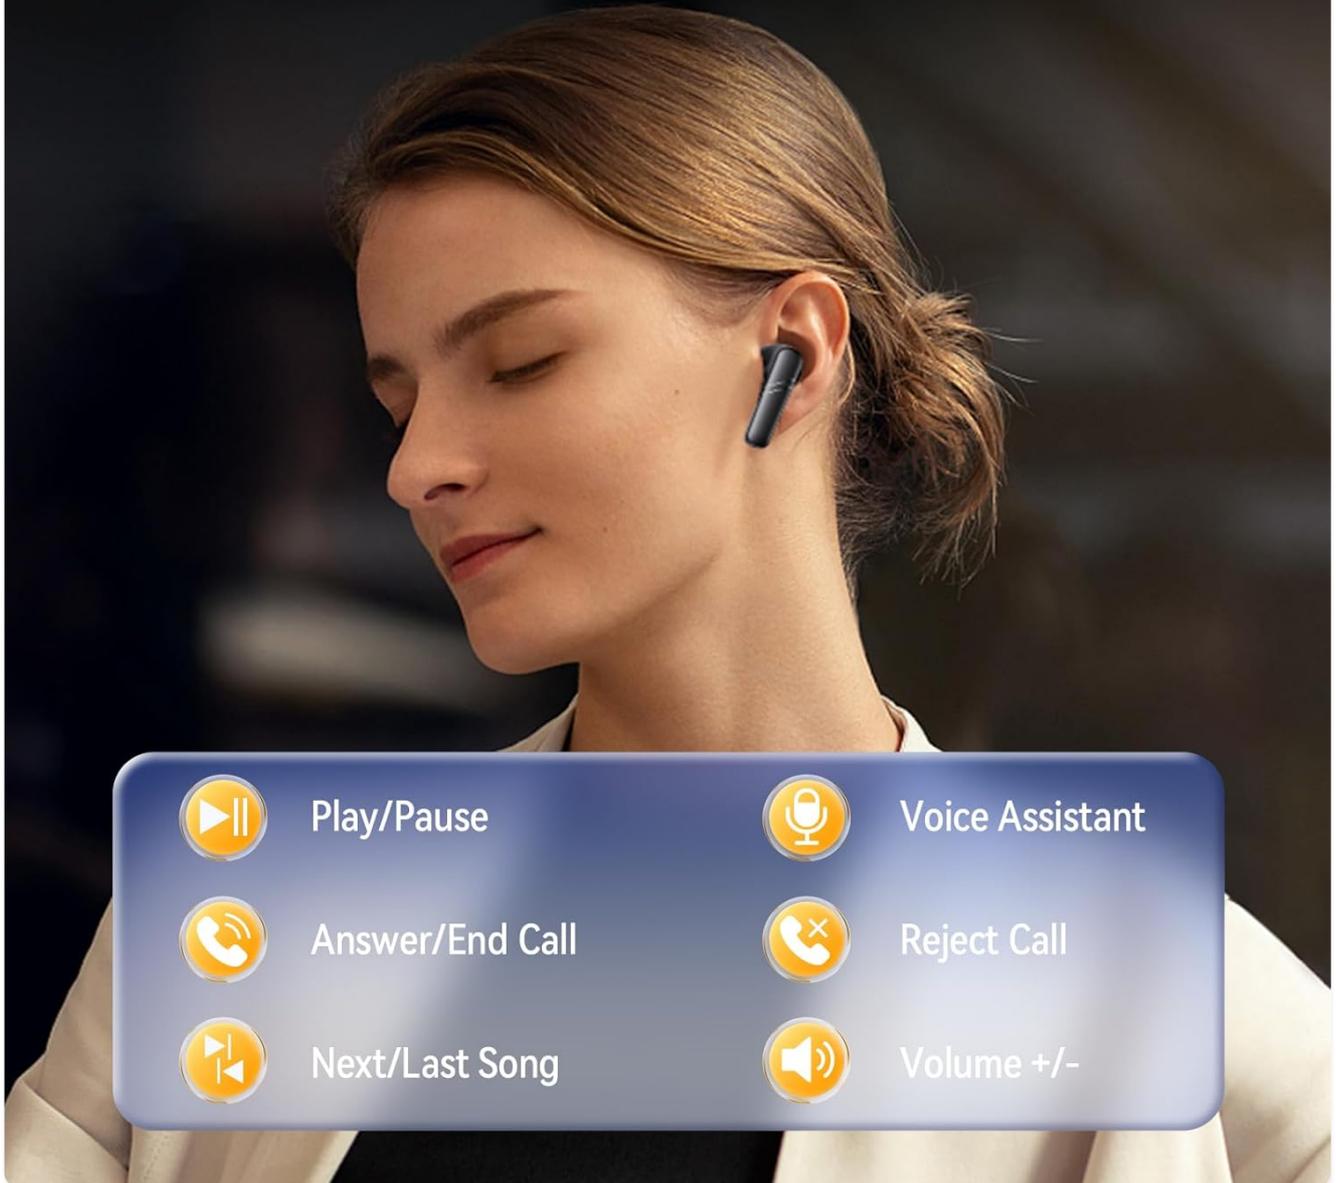

Image: A visual guide detailing the various touch control functions of the earbuds, such as play/pause, call management, and volume adjustment.

Function	Action
Play/Pause Music	Single tap on either earbud
Next Song	Double tap on the Right earbud
Previous Song	Double tap on the Left earbud
Volume Up	Triple tap on the Right earbud
Volume Down	Triple tap on the Left earbud
Answer/End Call	Single tap on either earbud
Reject Call	Press and hold either earbud for 2 seconds
Activate Voice Assistant	Press and hold either earbud for 3 seconds

## Audio Quality

Equipped with 13mm double-layer diaphragm driver units, the M7 earbuds deliver rich, deep bass, clear vocals, and bright treble, providing an immersive stereo sound experience. The built-in microphone combined with ENC (Environmental Noise Cancellation) technology ensures clear phone calls by filtering out surrounding noise.

## Remove the Film

When using for the first time, please remove the protective film of the earbuds, let the earbuds charge properly.

## How to Wear ?

Select the appropriate size earcaps, place the earbuds into the ear, and rotate them to the appropriate angle.

## CHARGING AND BATTERY LIFE

The GNMN M7 earbuds offer impressive battery life and flexible charging options:

- **Earbud Playtime:** Up to 8 hours on a single charge.
- **Total Playtime with Charging Case:** Up to 68 hours.
- **Charging Methods:** Supports both USB-C cable charging and wireless charging.

# One-step Auto Pairing

Open the charging case, earbuds will power on and connect automatically.

*Image: Visual representation of the superior battery life, indicating 8 hours on a single charge and 68 hours with the charging case.*

## LED Power Display

The charging case features a dual LED digital display that shows the remaining battery percentage of the case and the charging status of each earbud. This allows you to monitor power levels in real-time.

## MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging contacts with a soft, dry cloth. If charging issues occur, try wiping the pins and points with an alcohol cloth.
- **Water Resistance:** The earbuds feature an IPX7 waterproof nano-coating, protecting them from sweat and rain. They are suitable for workouts and outdoor activities, but are not designed for swimming or submersion.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Battery Care:** To prolong battery life, charge the charging case at least once a week, even if not in frequent use.

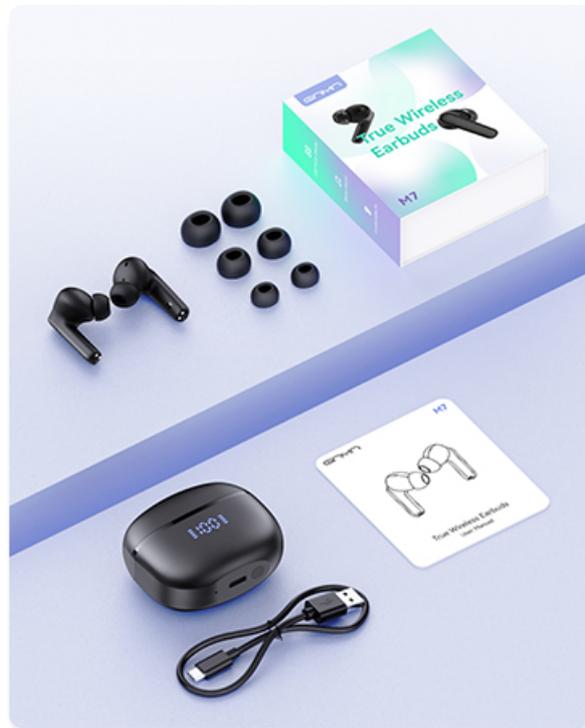

Image: The earbuds are shown with water droplets, illustrating their IPX7 waterproof capability.

## TROUBLESHOOTING

If you encounter any issues with your GNMN M7 Wireless Earbuds, please refer to the following common solutions:

- **Earbuds Not Charging Properly:**

- Ensure the insulation stickers have been removed from the earbud charging contacts.
- Wipe the charging pins on the earbuds and the charging points inside the case with an alcohol cloth to remove any dirt or debris.
- If the charging case is excessively discharged, the LED display might show "0" initially. Wait 15-30 minutes after plugging in the charging cable; the display should update.

- **Only One Earbud Playing Sound:**

- Place both earbuds back into the charging case and close the lid.
- Ensure both earbuds are fully charged.
- Perform a factory reset (see "Factory Reset" below).

- **Earbuds Not Connecting/Pairing:**

- Ensure Bluetooth is enabled on your device and the earbuds are within range (up to 30 ft).
- "Forget" or "Remove" "M7" from your device's Bluetooth list.
- Place both earbuds back into the charging case, close the lid, then open it again to re-enter pairing mode.
- Perform a factory reset.

## Factory Reset

To restore the earbuds to their factory settings and clear all pairing records:

1. Place both earbuds into the charging case.
2. Close the charging case lid.

3. Press and hold the reset button on the charging case for 5 seconds.
4. All previous pairing records will be cleared. You can now pair the earbuds with a new device or re-pair with an existing one.
