## 1. INTRODUCTION

The FINAL FANTASY I-VI Collection Anniversary Edition for Nintendo Switch brings together six classic "FINAL FANTASY" titles, reborn with vivid 2D pixel graphics and beautifully rearranged soundtracks. This collection enhances the original gameplay with modernized UI and includes extra features like a bestiary, illustration gallery, and music player for deeper immersion into the game world.

## 2. SETUP

### 2.1. Initial Setup

- Insert Game Card:** Gently insert the FINAL FANTASY I-VI Collection game card into the Nintendo Switch console's game card slot until it clicks into place.
- Power On Console:** Press the POWER Button on your Nintendo Switch console to turn it on.
- Select Game:** From the HOME Menu, select the FINAL FANTASY I-VI Collection icon to start the game.
- System Updates:** Ensure your Nintendo Switch system software is up to date for optimal performance. Connect to the internet and check for system updates via System Settings.

### 2.2. Creating a Nintendo Account

To use online services and access certain features, you may need to create a Nintendo Account and accept the related agreements. Refer to the Nintendo Account Privacy Policy for details. Some online services may not be available in all countries.

## 3. OPERATING THE GAME

## 3.1. Basic Controls

The game supports various play modes and controllers:

- **TV Mode:** Connect your Nintendo Switch to a TV using the dock.
- **Tabletop Mode:** Use the console's kickstand and detached Joy-Con controllers.
- **Handheld Mode:** Play directly on the console with Joy-Con controllers attached.
- **Nintendo Switch Pro Controller:** Fully compatible for enhanced gameplay.

Refer to your Nintendo Switch console's "Safety Precautions" from (System Settings) → "Support/Health & Safety" for detailed controller information and safety guidelines.

## 3.2. Gameplay Enhancements

- **Modernized UI:** The user interface has been updated for improved readability and ease of navigation.
- **Auto-Battle Options:** Engage auto-battle for faster combat encounters, especially useful for grinding or repetitive fights.
- **Adjustable Experience Points & Money Multipliers:** Customize your gameplay experience by adjusting the rate at which you gain experience and gil, reducing the need for extensive grinding.
- **Suspend Save:** Utilize the suspend save feature to save your progress at any point, offering greater flexibility.
- **Random Enemy Encounters Toggle:** Temporarily turn off random enemy encounters for easier exploration, though remember to engage in battles to level up your characters.

## 4. KEY FEATURES

---

- **Universally Updated 2D Pixel Graphics:** Enjoy the classic FINAL FANTASY world with enhanced pixel art, including iconic character designs by Kazuko Shibuya.
- **Beautifully Rearranged Soundtrack:** Immerse yourself in the game's world with a faithful FINAL FANTASY style soundtrack, overseen by original composer Nobuo Uematsu.
- **Supplemental Extras:** Dive deeper into the lore with a comprehensive bestiary, an illustration gallery, and a music player to enjoy your favorite tracks.
- **Anniversary Edition Bonus:** The Anniversary Edition includes a pixel character sticker sheet.

## 6. MAINTENANCE

---

- **Game Card Care:** Keep the game card clean and free from dust or debris. Store it in its case when not in use.
- **Console Maintenance:** Regularly update your Nintendo Switch system software. Ensure proper ventilation for the console during extended play sessions.
- **Software Updates:** Periodically check for game software updates to ensure you have the latest features and bug fixes.

## 7. TROUBLESHOOTING

---

### 7.1. Common Issues and Solutions

- **Game Not Starting:**
  - Ensure the game card is inserted correctly.
  - Restart your Nintendo Switch console.
  - Check for any pending system or game software updates.
- **Game Freezes/Crashes:**
  - Close the game and restart it.
  - Ensure your system software is up to date.
  - If the issue persists, try restarting the console.
- **Controller Not Responding:**
  - Ensure Joy-Con controllers are properly attached or paired wirelessly.
  - Check battery levels of wireless controllers.
  - Restart the console.

For further assistance, please refer to the Nintendo Switch official support resources or the Square Enix support website.
