IVANKY VFA01

iVANKY FusionFinder Smart Tag Instruction Manual

Model: VFA01

1. INTRODUCTION

The iVANKY FusionFinder Smart Tag is a compact item finder designed to help you locate your valuable belongings using the Apple Find My network. This device offers reliable tracking, audible alerts, and long-lasting battery performance, ensuring your items are always within reach or easily locatable.

2. PACKAGE CONTENTS

- iVANKY FusionFinder Smart Tag(s)
- User Manual
- Keyrings (quantity may vary based on pack size)
- CR2032 Battery (pre-installed or included as spare)

3. SETUP

3.1 Powering On/Off

To power on the iVANKY FusionFinder Smart Tag, press and hold the button on the device for approximately 5 seconds until you hear a beep sound. To power off, press and hold the button again for approximately 3 seconds until you hear a different series of beeps, indicating it has powered down. Powering off the device can help conserve battery life when not in active use.

3.2 Pairing with Apple Find My

The iVANKY FusionFinder Smart Tag is designed to work exclusively with Apple iOS devices via the Apple Find My app. Follow these steps to pair your device:

1. Ensure your iVANKY FusionFinder Smart Tag is powered on.
2. Open the **Find My** app on your iPhone.
3. Tap on the **Items** tab at the bottom of the screen.
4. Tap **Add Item**, then select **Other Supported Items**.
5. The app will search for nearby compatible devices. Once 'LocatePro' or a similar name appears, tap **Connect**.
6. Follow the on-screen prompts to name your tag and select an emoji to represent it.
7. Tap **Agree** to link the item to your Apple ID and then **Finish**.

4. OPERATING INSTRUCTIONS

4.1 Locating Items Nearby (Sound Alarm)

When your iVANKY FusionFinder is within Bluetooth range (up to 20 meters), you can use the Find My app to play a loud 85-decibel alarm. This audible alert helps you pinpoint the exact location of your lost item, even if it's hidden from view.

Find Nearby with 85db+ Ring

With Bluetooth 5.2 technology, unleash an 85db+ sound within 20 meters using the Find My App to easily locate lost items.

Image: The FusionFinder emitting an 85dB+ sound, with a smartphone displaying its proximity on the Find My app.

4.2 Locating Items Far Away (Map Navigation)

If your item is outside of Bluetooth range, the Apple Find My network can still help you locate it. The network anonymously uses millions of Apple devices worldwide to detect your FusionFinder and report its location to you. You can view its last known location on a map within the Find My app and get directions to it.

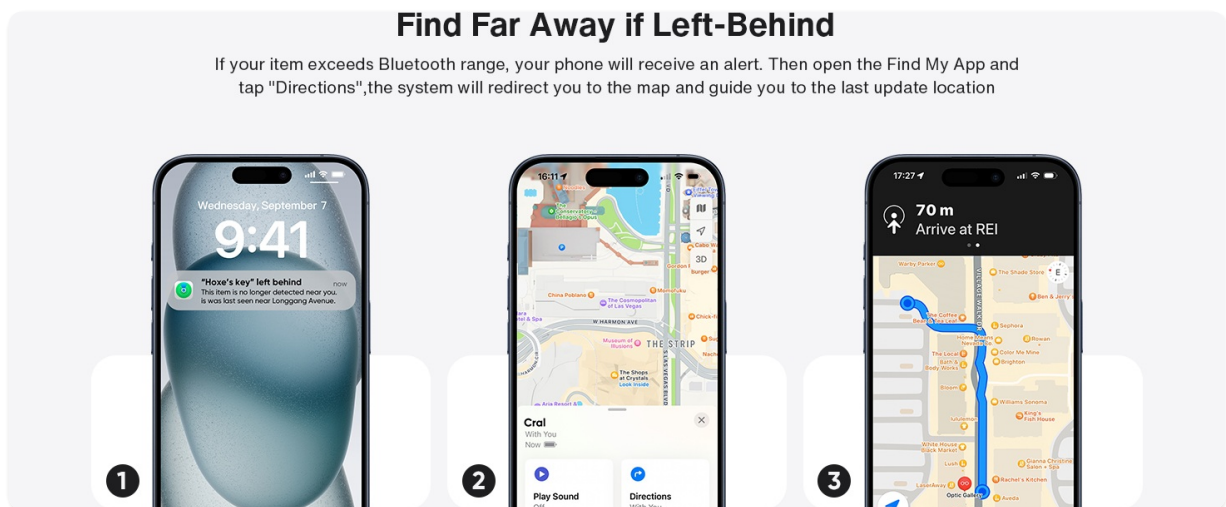

Find Far Away if Left-Behind

If your item exceeds Bluetooth range, your phone will receive an alert. Then open the Find My App and tap "Directions",the system will redirect you to the map and guide you to the last update location

Image: A smartphone screen showing map directions to a FusionFinder that has been left behind.

4.3 Left-Behind Alerts

Enable 'Notify When Left Behind' in the Find My app to receive instant alerts on your iPhone if your iVANKY FusionFinder moves out of the connected Bluetooth range. This feature helps prevent you from forgetting your valuables.

Left-Behind Remind

5. BATTERY MANAGEMENT

5.1 Battery Life

The iVANKY FusionFinder is powered by a replaceable CR2032 coin cell battery, offering up to one full year of battery life under typical usage conditions. This ensures long-term reliability without frequent battery changes.

5.2 Battery Replacement

When the battery needs replacement, gently open the device casing (refer to the user manual for specific instructions) and replace the old CR2032 battery with a new one. Ensure correct polarity during installation.
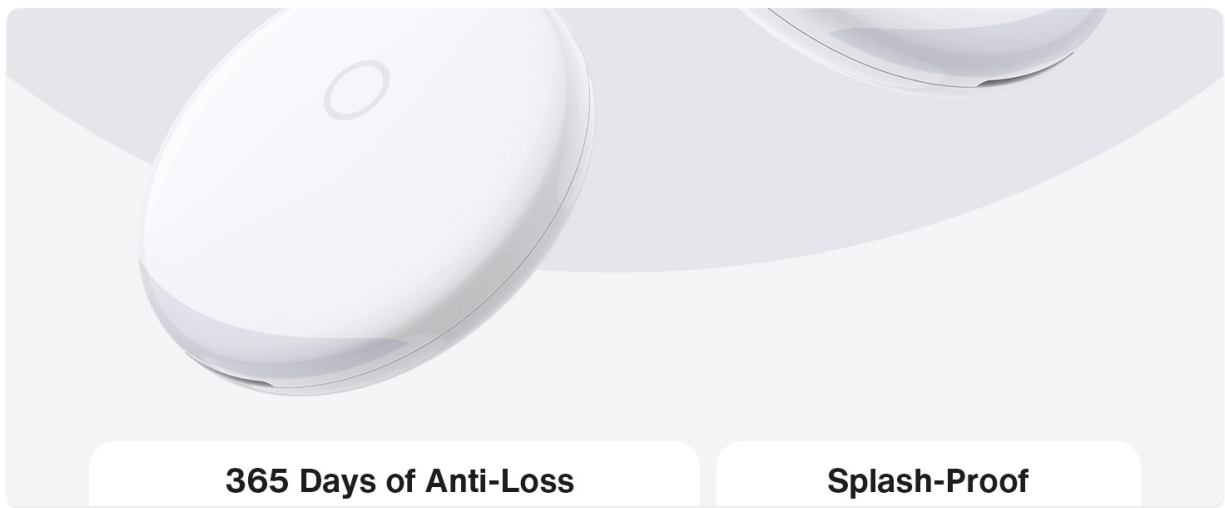

| 365 Days of Anti-Loss | Splash-Proof |

6. PRODUCT FEATURES

- **Advanced Bluetooth 5.2:** Provides a robust and stable connection for tracking within a 20-meter range.
- **85dB+ Audible Alarm:** A loud alarm helps locate items quickly when nearby.
- **IP67 Water Resistance:** Offers protection against dust and temporary immersion in water, making it suitable for various environments.
- **Replaceable CR2032 Battery:** Ensures extended use with easy battery changes.
- **Apple Find My Network Integration:** Utilizes the extensive Find My network for global positioning and tracking.

7. USAGE SCENARIOS

The iVANKY FusionFinder is versatile and can be attached to a variety of items to prevent loss and aid in recovery:

- **Keys:** Attach to your house or car keys.
- **Wallets:** Slip into your wallet or purse.
- **Luggage:** Secure to suitcases or travel bags.
- **Backpacks:** Ideal for school bags or hiking packs.
- **Other Valuables:** Use for any item you wish to keep track of.

Your Valuables,
Safe in Any Scene
