# Cubiker L Shaped Desk (Model ZJYH-L) Instruction Manual

Brand: Cubiker | Model: ZJYH-L

## INTRODUCTION

---

Thank you for choosing the Cubiker L Shaped Desk. This manual provides detailed instructions for the assembly, proper use, and care of your new desk. Please read this manual thoroughly before beginning assembly and retain it for future reference.

## SAFETY INFORMATION

---

- Ensure all parts are present and undamaged before assembly.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging components.
- Keep small parts away from children.
- Do not stand or sit on the desk.
- Place the desk on a level surface to ensure stability.

## PACKAGE CONTENTS

---

Please verify that all components listed below are included in your package. If any parts are missing or damaged, please contact customer support.

- L-shaped desktop panels

## SETUP AND ASSEMBLY

---

Assembly typically requires two people and takes approximately 1-2 hours. All parts are clearly labeled for ease of assembly.

### Tools Required:

- Included Allen wrench
- Phillips head screwdriver (not included, for optional use)

### Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and compare them with the package contents list. Ensure all parts are present and undamaged.

2. **Assemble the Frame:** Follow the included diagram to connect the main frame components using the provided screws and Allen wrench. Do not fully tighten screws until all frame parts are loosely assembled.
3. **Attach Desktop Panels:** Secure the L-shaped desktop panels to the assembled frame. Ensure proper alignment before tightening all screws.
4. **Install Monitor Stand:** The monitor stand is movable and can be placed on either side of the desk. Position it according to your preference and secure it if necessary (some models may be free-standing).
5. **Attach Headphone Hook:** The iron hook can be installed on either the left or right side of the desk frame. Choose your preferred location and attach it securely.
6. **Adjust Foot Pads:** Once the desk is assembled, adjust the foot pads at the bottom of the legs to ensure the desk is level and stable on your floor.

The Cubiker L Shaped Desk is designed for versatility and comfort in various settings, including gaming, home office, study, and writing.

- **Spacious L-Shaped Surface:** Provides ample room for multiple monitors, a computer, laptop, and other accessories.
- **Movable Monitor Stand:** Position the monitor stand to elevate your screen to an ergonomic height, reducing neck and shoulder strain. It can be moved along the desk surface as needed.
- **Reversible Design:** The L-shape can be configured with the longer section on either the left or right side during assembly to best fit your space and preference.
- **Headphone Hook:** Utilize the integrated iron hook to keep your headphones or other accessories organized and easily accessible.
- **Adjustable Foot Pads:** Fine-tune the desk's stability on uneven floors by adjusting the foot pads.

## MAINTENANCE AND CARE

---

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the desktop material.
- **Weight Distribution:** Distribute weight evenly across the desk surface. Avoid placing excessively heavy items on one section.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or material degradation.

## TROUBLESHOOTING

---

This section addresses common issues you might encounter.

- **Desk is unstable or wobbly:**
  - Ensure all assembly screws are fully tightened.
  - Adjust the foot pads on each leg to compensate for uneven flooring.
  - Verify the desk is placed on a flat, level surface.
- **Missing parts or damaged components:**
  - Carefully re-check the packaging and all contents against the parts list.

- Contact Cubiker customer service immediately for assistance with replacements.
- **Difficulty during assembly:**
  - Refer to the assembly diagrams and instructions carefully.
  - Ensure you are using the correct screws for each step. If a part does not fit, re-check the orientation and step.
  - Do not force parts together.
