E ECSEM X13c

E ECSEM Replacement Magnetic USB Charging Cable for CHENSIVE X13 Open-Ear Headphones

Instruction Manual

INTRODUCTION

Thank you for choosing the E ECSEM Replacement Magnetic USB Charging Cable. This cable is specifically designed for CHENSIVE X13 Open-Ear Headphones, providing a reliable and efficient charging solution. Please read this manual carefully to ensure proper use and maintenance of your charging cable.

PRODUCT OVERVIEW

The E ECSEM charging cable features a magnetic connector for easy and secure attachment to your CHENSIVE X13 headphones, and a standard USB Type-A connector for power input. It incorporates multiple protection features to safeguard your device during charging.

This image illustrates the magnetic charging cable, emphasizing its built-in smart chip for multiple protection, ensuring stable, safe, and efficient charging for your headphones.

SPECIFICATIONS

| | |
|---------------------------|---------------------------------------|
| Input | 5V / 0.5-1A |
| Length | 60 CM / 2 ft |
| Power Protection | Over-voltage, Over-current Protection |
| Material | Eco-friendly TPE and TPU |
| Connector Type | USB Type A (Input), Magnetic (Output) |
| Compatible Devices | CHENSIVE X13 Open-Ear Headphones |

SETUP

To set up your E ECSEM charging cable for use, follow these steps:

- 1. Connect to Power Source:** Insert the USB Type-A end of the charging cable into a compatible USB power source, such as a wall adapter (5V/1A recommended), a car charger, a power bank, or a computer's USB port.
- 2. Connect to Headphones:** Align the magnetic charging head of the cable with the charging contacts

on your CHENSIVE X13 Open-Ear Headphones. The magnetic connection will automatically snap into place.

This image displays a close-up of the magnetic charging cable, illustrating the USB-A connector and the magnetic charging pins for clear identification during setup.

OPERATING INSTRUCTIONS

Once the cable is connected to both a power source and your headphones, charging will begin automatically. The charging cable is designed for simple, plug-and-play operation.

- Ensure the magnetic connection is firm and secure.
- Monitor your headphones' charging indicator (if available) to confirm charging status.
- The cable's built-in chip helps regulate power for stable and efficient charging.

SUITABLE FOR MANY OCCASONS

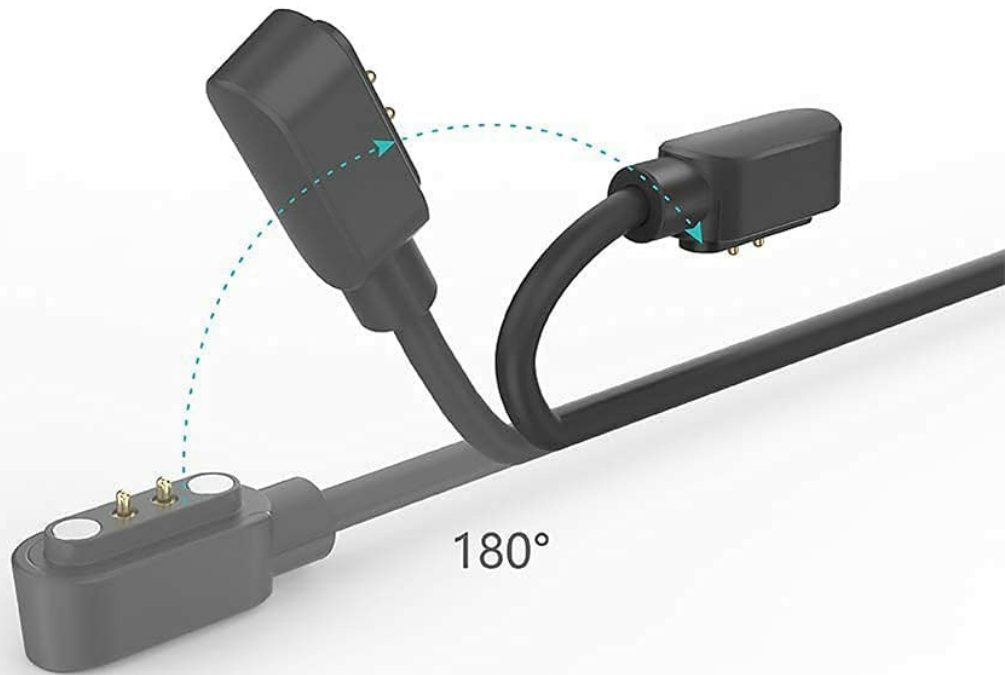

This image demonstrates the versatility of the charging cable, suitable for use in various environments such as home, office, during travel, or in a car.

MAINTENANCE

Proper care and maintenance will extend the life of your charging cable:

- **Storage:** Store the cable in a dry place, away from direct sunlight and extreme temperatures.
- **Cleaning:** Use a soft, dry cloth to gently wipe the cable and connectors. Avoid using liquids or abrasive cleaners.
- **Handling:** Avoid sharp bends or excessive pulling on the cable, especially near the connectors. The cable features a reinforced design for durability.

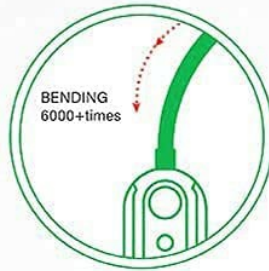

REINFORCED DESIGN

Sturdy Cord

Safe Charging

This image highlights the reinforced design of the cable, demonstrating its flexibility and durability against bending, contributing to a longer lifespan.

Ultra Durable

6000+ times bending life

This image visually represents the ultra-durable construction of the cable, designed to withstand over 6000 bends, ensuring long-term reliability.

TROUBLESHOOTING

If you encounter issues with your charging cable, consider the following:

- **Not Charging:**
 - Ensure both the USB-A end and the magnetic end are securely connected.
 - Try a different USB power source (e.g., another wall adapter, a different USB port on your computer).

- Verify that your CHENSIVE X13 headphones are clean and the charging contacts are free of debris.
- **Slow Charging:**
 - Ensure your power source provides sufficient output (5V/1A is recommended).
 - Avoid charging through unpowered USB hubs.

WARRANTY AND SUPPORT

For any questions, concerns, or technical support regarding your E ECSEM Replacement Magnetic USB Charging Cable, please contact the manufacturer directly through their official channels. Keep your purchase receipt for warranty claims, if applicable.
