4. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your JUMMICO Makeup Vanity Desk.

- **Cleaning the Surface:** Wipe the wood surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Cleaning the Mirror:** Use a standard glass cleaner and a lint-free cloth for the mirror. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Faux Leather Bench:** Wipe the faux leather seat with a damp cloth and mild soap if necessary. Avoid excessive moisture and direct sunlight to prevent cracking or fading.
- **Dusting:** Regularly dust all surfaces with a dry, soft cloth.
- **Tightening Fasteners:** Periodically check and retighten all screws and bolts to maintain stability.

5. TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common troubleshooting tips:

- **Lights Not Working:**
 - Ensure the vanity is properly plugged into a functional power outlet.
 - Check if the power switch for the lights is turned on.

- **Power Outlet Not Functioning:**
 - Confirm the main power cord for the vanity is plugged in.
 - Test the wall outlet with another device to ensure it is working.
 - Avoid overloading the power strip with high-wattage devices.
- **Vanity Wobbles:**
 - Check all assembly screws and bolts and tighten any that are loose.
 - Ensure the vanity is placed on a flat, level surface.
 - Adjust any leveling feet if present.
