MAINTENANCE AND STORAGE

To maintain the effectiveness and shelf-life of your Equate Ultra Strength Pain Relieving Cream, store it properly:

- Store at room temperature, away from excessive heat or direct sunlight.
- Keep the cap tightly closed when not in use to prevent drying out.
- Keep out of reach of children and pets.

TROUBLESHOOTING

If you experience any issues while using the product, refer to the "Warnings" section under Important Safety Information. Common issues and their resolutions include:

- **Skin Irritation or Redness:** Stop use immediately and consult a doctor. This may indicate an allergic reaction or sensitivity.
- **Symptoms Worsen or Persist:** If pain or symptoms do not improve within 7 days, or if they clear up and then return within a few days, discontinue use and seek medical advice.
- **Accidental Ingestion:** If the product is swallowed, contact a Poison Control Center (1-800-222-1222) or seek medical help right away.
