SAFETY INFORMATION

Warning: Choking Hazard - Small Parts!

This kit contains numerous small components. Keep all parts out of reach of young children and pets. Adult supervision is recommended for users under the age of 14. Exercise caution when using sharp tools such as scissors or box cutters during assembly.

MATERIAL LIST AND PREPARATION

The Flever Magic Treasure House kit includes the following:

- Pre-cut MDF wooden pieces for the house structure and furniture.
- Fabric and printed paper for decorations and accessories.
- Plexiglass pieces for the dust cover.
- LED light wires and a music movement module.

- An English instruction manual.

Note: Glue and batteries are not included in the kit. Please prepare these items separately before starting assembly.

All the materials needed for assembly are included, allowing you to enjoy the fun of DIY effortlessly.

ASSEMBLY INSTRUCTIONS

Assembly of the Magic Treasure House requires patience and attention to detail. Follow the included English manual step-by-step. Each component is typically labeled or grouped for easier identification. It is recommended to organize all parts before beginning.

1. **Unpack and Sort:** Carefully unpack all components. Sort the wooden pieces, fabric, paper, and accessories according to the numbering or grouping in the instruction manual.
2. **Prepare Tools:** Ensure you have appropriate glue (wood glue, quick-drying adhesive for small parts) and batteries (2 x AAA 1.5V, not included) ready. Tweezers, scissors, and a small screwdriver may also be helpful.
3. **Follow Manual Sections:** The manual guides you through building the main structure, furniture, and decorative elements. Pay close attention to diagrams and text for correct placement.

4. **Wiring LED Lights:** Integrate the LED light wires as instructed. Ensure connections are secure for proper illumination.
5. **Install Music Movement:** Place the music movement module in its designated location.

MAINTENANCE

To preserve the appearance and longevity of your miniature dollhouse:

- **Dusting:** Regularly dust the model with a soft, dry brush or cloth to prevent accumulation.
- **Dust Cover:** Utilize the included plexiglass dust cover to protect the model from dust and environmental factors when not in use.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause colors to fade and materials to warp.
- **Handle with Care:** Due to the delicate nature of miniature components, handle the assembled dollhouse gently.
