## MOONTOY MY-EU-SX2071

# MOONTOY 24 Animals Building Blocks Toy Instruction Manual

Model: MY-EU-SX2071

## 1. INTRODUCTION

---

Welcome to the MOONTOY 24 Animals Building Blocks Toy instruction manual. This guide provides essential information for the safe and enjoyable use of your new building set. Please read these instructions carefully before assembly and retain them for future reference.

## 2. PRODUCT OVERVIEW

---

The MOONTOY 24 Animals Building Blocks Toy set includes 24 individually packaged mini building block sets, each capable of being assembled into three different animal models. This allows for the creation of up to 72 unique animal figures, fostering creativity and problem-solving skills.

### Key Features:

- **3-in-1 Model Design:** Each of the 24 packs can be transformed into 3 distinct animal figures.
- **Educational Play:** Promotes STEM learning, enhances fine motor skills, and encourages creative thinking.
- **Safe Materials:** Constructed from premium-grade ABS plastic, ensuring the blocks are non-toxic, BPA-free, and meet CPC safety standards.
- **Individual Instructions:** Each mini building block bag includes its own easy-to-follow instructions.

## 3. SETUP AND ASSEMBLY

Each animal building block set is individually packaged with its own set of instructions, making assembly straightforward.

1. **Unpack:** Open one of the 24 individual packages. Each package contains the necessary building blocks for one animal model and its corresponding instruction sheet.
2. **Review Instructions:** Carefully examine the instruction sheet provided with each pack. The instructions will guide you through the step-by-step assembly process for the primary model.
3. **Assemble:** Follow the visual diagrams and instructions to connect the building blocks. Ensure pieces are firmly pressed together for a stable construction.
4. **Explore Variations:** Once the primary model is built, refer to the instructions for alternative configurations to create the other two animal variations from the same set of blocks.

## 4. OPERATING INSTRUCTIONS

These building blocks are designed for creative play and learning. There are no complex operational steps beyond assembly.

- **Build and Rebuild:** Enjoy constructing the various animal models. The 3-in-1 design encourages dismantling and reassembling, promoting understanding of spatial relationships and design.
- **Imaginative Play:** Once assembled, use the animal figures for imaginative storytelling, creating scenes, or integrating them with other toys.
- **Group Activity:** The individual packaging and instructions make these sets ideal for group activities, encouraging teamwork and social interaction.

## 5. SAFETY INFORMATION

Your safety and the safety of others are important. Please adhere to the following safety guidelines:

- **Recommended Age:** This product is recommended for children aged 36 months (3 years) to 15 years.
- **Choking Hazard:** This toy contains small parts and is **NOT suitable for children under 3 years** due to potential choking hazards. Adult supervision is recommended for younger children within the age range.

- **Material Safety:** The building blocks are made from non-toxic, BPA-free ABS plastic, complying with CPC safety standards. Do not ingest any parts of the toy.
- **Inspection:** Before each use, inspect all parts for any damage or wear. Discontinue use if any parts are broken or compromised.

## 6. MAINTENANCE AND CARE

---

Proper care will ensure the longevity of your MOONTOY building blocks.

- **Cleaning:** To clean the blocks, wipe them with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the plastic. Ensure blocks are completely dry before storage.
- **Storage:** Store the building blocks in a cool, dry place away from direct sunlight and extreme temperatures. Keeping them in their original packaging or a designated storage container will help prevent loss of pieces.
- **Avoid Extreme Force:** While durable, excessive force during assembly or play can cause damage to the blocks.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your building blocks, please refer to the following common solutions:

- **Difficulty Assembling:** If a piece does not fit or the model is not forming correctly, double-check the instruction sheet. Ensure you are using the correct pieces and following the steps in order. Adult supervision can be helpful for younger builders.
- **Missing Pieces:** While rare, if you find a piece is missing from a new, unopened pack, please contact MOONTOY customer support for assistance.
- **Damaged Pieces:** If any pieces are damaged upon opening, do not attempt to force them. Contact customer support for replacement parts.
