

M73

M73 Sleeping Headphones User Manual

Model: M73

INTRODUCTION

This manual provides comprehensive instructions for the M73 Sleeping Headphones, designed for wireless audio enjoyment and comfortable wear, especially during sleep. Please read this manual carefully before using the product to ensure proper operation and to maximize its lifespan.

The M73 headphones offer a truly cable-free listening experience with Bluetooth 5.3 connectivity, intuitive touch controls, and an ergonomic design for a secure and comfortable fit. They come with a portable charging case for convenience.

PRODUCT OVERVIEW

Familiarize yourself with the components and key features of your M73 Sleeping Headphones.

Figure 1: M73 Sleeping Headphones in their charging case, displaying the digital battery percentage for both earbuds and the case.

Compact and lightweight for comfortable wearing

Intelligent noise reduction/Immersive sound quality

Sleeping on the side without pressing the ear

Comfortable for long-term wear during sleep

Figure 2: The compact and lightweight design of the M73 headphones, shown with one earbud comfortably placed in an ear, emphasizing suitability for long-term wear and sleeping on the side without discomfort. Features intelligent noise reduction and immersive sound quality.

DYNAMIC COLORS
Soft color scheme brings
a fresh glow.

There is always a color that suits you

Figure 3: The M73 Sleeping Headphones are available in multiple dynamic colors, including black, white, and beige, offering a fresh aesthetic.

NOISE REDUCTION

Close-fitting in-ear design

Enjoy peaceful sleep time

With the soft material of the healthy sleep earplugs, in-ear design for zero pressure and noise reduction; snug fit, forming a soft and comfortable seal in the ear canal.

Figure 4: The close-fitting in-ear design of the M73 headphones ensures a snug fit, forming a soft and comfortable seal for effective noise reduction, allowing for peaceful sleep without ear pressure.

CLOUDY SOFTNESS

Skin-friendly soft rubber ear wings, secure
and not easy to fall off

Made of skin-friendly soft silicone eco-friendly material, effectively
inhibiting bacterial growth, long-term wearing is also healthy.

Figure 5: A close-up view of the M73 earbud in an ear, highlighting the skin-friendly soft rubber ear wings. These wings are made of eco-friendly silicone material, providing a secure fit that is not easy to fall off, and inhibiting bacterial growth for healthy long-term wear.

Figure 6: Key features of the M73 headphones: **Quiet** (powerful physical noise reduction and secure wearing for comprehensive noise blocking), **Small** (breaking boundaries to be even smaller), **Soft** (soft silicone material for skin-friendly ear fit), and **Light** (lightweight and portable, compact and mini for comfortable wear).

SETUP

1. Charging the Headphones and Case

Before first use, fully charge the M73 headphones and their charging case. Place the earbuds into the charging case. Connect the charging case to a power source using a compatible USB cable. The digital display on the case will indicate the charging status and battery level.

- A full charge provides up to 4 hours of continuous playback for the earbuds.
- The charging case extends the total listening time significantly.

2. Bluetooth Pairing

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices.
4. Select "M73" (or similar name) from the list of devices.

5. Once connected, a voice prompt will confirm successful pairing.
6. The headphones will automatically reconnect to the last paired device when removed from the case and within range.

OPERATING INSTRUCTIONS

Wearing the Headphones

Gently insert the earbuds into your ears, ensuring the soft rubber ear wings are securely positioned for a stable and comfortable fit. The ergonomic design is intended for extended wear, including during sleep.

Touch Controls

The M73 headphones feature intuitive touch controls on each earbud. Specific functions may vary slightly, but common controls include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud (e.g., Siri, Google Assistant).
- **Volume Control:** (If supported) Long press on left/right earbud for volume down/up. Refer to product packaging or quick start guide for exact volume control gestures if available.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your M73 Sleeping Headphones.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals, cleaning solvents, or strong detergents.
- **Storage:** When not in use, always store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Water and Sweat Resistance:** The headphones are designed to be waterproof and sweatproof. However, avoid prolonged exposure to water or submersion. Dry them thoroughly before placing them back in the charging case if they become wet.
- **Battery Care:** To preserve battery life, avoid fully discharging the battery frequently. Charge regularly, even if not used for extended periods.

TROUBLESHOOTING

If you encounter issues with your M73 Sleeping Headphones, refer to the following common solutions:

Problem	Possible Solution
Headphones not turning on/charging	◦ Ensure the charging case is charged. ◦ Verify the earbuds are correctly seated in the charging case. ◦ Check the charging cable and power adapter.
Cannot pair with device	◦ Ensure Bluetooth is enabled on your device. ◦ Make sure the headphones are in pairing mode (usually indicated by a flashing light). ◦ Move the headphones closer to your device. ◦ Forget "M73" from your device's Bluetooth list and try pairing again. ◦ Restart both your device and the headphones.
No sound or low volume	◦ Adjust the volume on both your device and the headphones. ◦ Ensure the headphones are properly connected to your device. ◦ Check if the earbuds are clean and free of debris.
Intermittent connection	◦ Ensure there are no obstructions between the headphones and your device. ◦ Move away from sources of strong electromagnetic interference (e.g., Wi-Fi routers, microwaves). ◦ Keep the device within the effective Bluetooth range.

SPECIFICATIONS

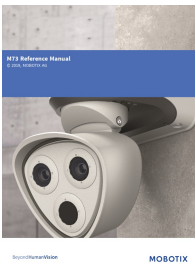

Feature	Detail
Model Name	M73 (Wireless In-Ear Bluetooth Headphones)
Brand	Generic
Connectivity Technology	Wireless, Bluetooth 5.3
Noise Control	Active Noise Cancellation
Ear Placement	In Ear
Form Factor	In Ear
Impedance	80 Ohm
Included Components	Headphone body, Charging box
Battery Life (Earbuds)	Up to 4 hours continuous playback (on a single charge)

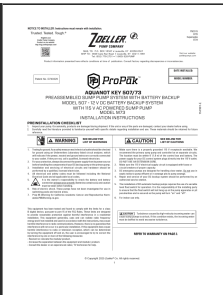

WARRANTY AND SUPPORT

This product is manufactured by Guangzhou Kung Fu Fat Technology Co., Ltd. For specific warranty information and support, please refer to the product packaging or contact the retailer from whom you purchased the M73 Sleeping Headphones. Keep your proof of purchase for any warranty claims. For further assistance, please consult the seller or manufacturer's official support channels.
