

HIFIT UP-114

HIFIT UP-114 Twin LED Bed Frame Instruction Manual

Model: UP-114 | Brand: HIFIT

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your HIFIT Upholstered Twin LED Bed Frame. This bed frame features a charging station headboard, four spacious storage drawers, velvet upholstery with crystal button-tufting, and smart RGB LED lighting. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

2. SAFETY INFORMATION

- Do not exceed the weight capacity of 750 lbs.
- Be cautious of sharp edges on the headboard and footboard during assembly and use.
- Ensure all connections for the LED lights and charging station are secure before use.
- Keep small children away from packaging materials and small parts during assembly.
- Always use two people for assembly to prevent injury.

3. PACKAGE CONTENTS

Your HIFIT Twin LED Bed Frame package includes the following components:

- Twin Bed Frame components
- Assembly Kits (hardware, tools)
- Installation Manual (this document)
- Remote control for LED lights

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 35 minutes with two people. No additional tools are required beyond those provided in the

assembly kit.

4.1 Preparation

Clear a spacious area for assembly. Lay out all components and hardware, ensuring all parts are present according to the packing list. It is recommended to assemble the bed frame on a carpeted surface to prevent damage to the floor or components.

4.2 Visual Assembly Guide

For a step-by-step visual guide, please refer to the installation video below. This video demonstrates the complete assembly process.

Video 1: Floating Bed Frame Installation Guide. This video provides a comprehensive walkthrough of the bed frame assembly process, including attaching the headboard, side rails, and support slats. Follow along for clear visual instructions.

4.3 Key Assembly Steps & Components

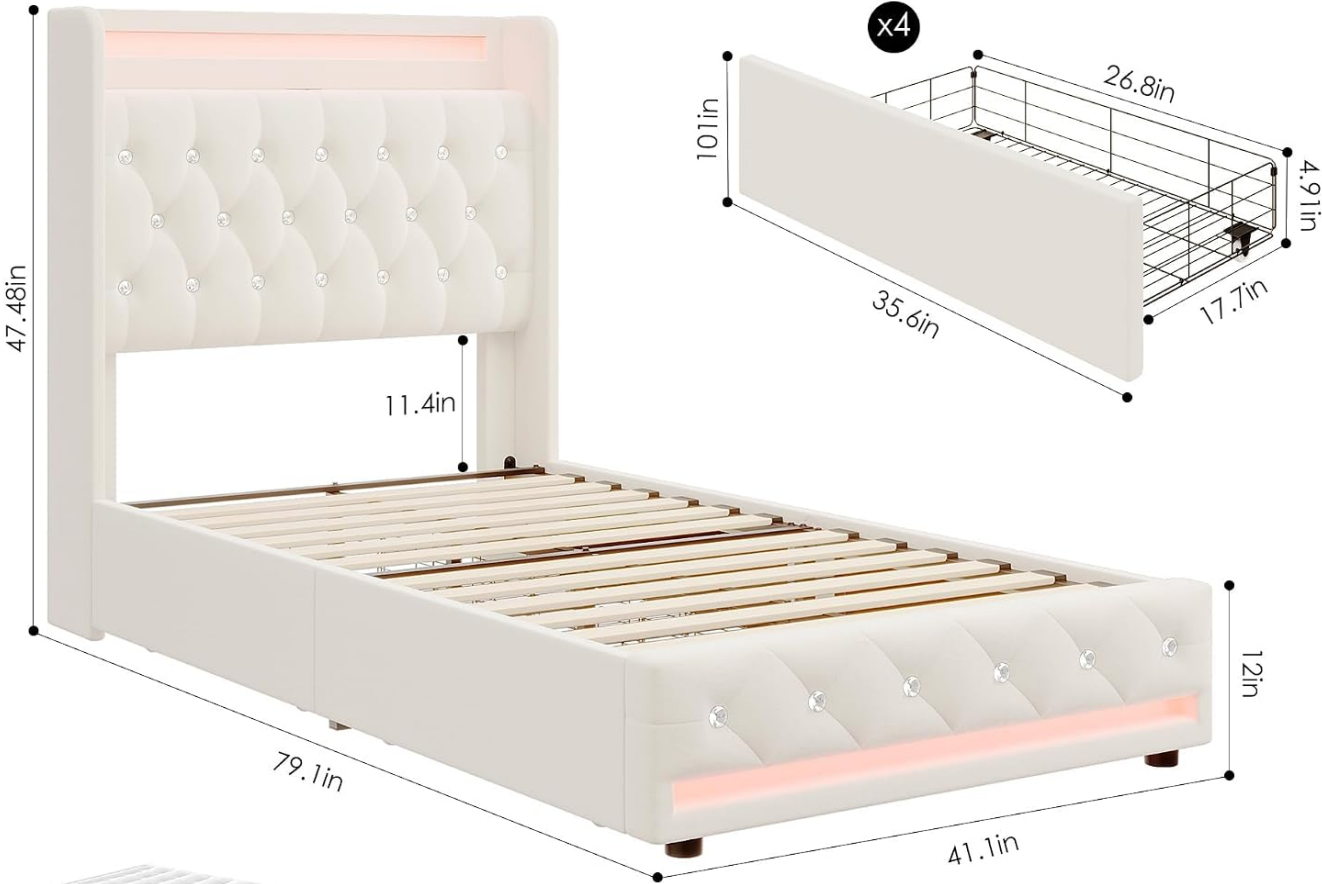

TWIN SIZE
 Shipped By 1 Box

**750 lbs**

**No Box Spring Needed**

**Easy Assembly (30 MIN)**

Recommend Mattress
Height: 8"-12"

1. **Headboard Assembly:** Attach the side wings to the main headboard section using the provided hardware. Ensure the USB

charging station is correctly positioned and secured.

2. **Side Rail Installation:** Connect the side rails to the headboard and footboard using the designated bolts and nuts. Tighten securely.
3. **Center Support System:** Assemble and install the central support beam and legs to provide stability for the mattress.
4. **Slat Placement:** Lay the solid wood slats across the bed frame, ensuring they are evenly spaced and secured with the snap-lock mechanism. The noise-free strips prevent friction and squeaking.
5. **Drawer Assembly:** Assemble the four steel storage drawers. Each drawer features smooth, quiet wheels for easy movement. Position them under the bed frame.

5. OPERATING INSTRUCTIONS

5.1 RGB LED Lights

The bed frame features multi-function RGB LED lights in the headboard and footboard. These lights can be controlled via a

remote or a dedicated app.

- **Power On/Off:** Use the remote control or app to turn the LED lights on or off.
- **Color Selection:** Choose from over 16 million colors to customize your bedroom ambiance.
- **Effects & Modes:** Select from 20+ dynamic effects, including timing functions, music sync, and mic mode, to match your mood or activity.

Image 3: The multi-function RGB LED lights in action, demonstrating color options and control methods via remote and smartphone app.

5.2 Charging Station

The headboard is equipped with a convenient USB charging station.

- **USB Ports:** Utilize the built-in USB ports (5V/2A) to charge your electronic devices directly from your bed.
- **Power Outlets:** The charging station also includes standard power outlets for other electronics.
- **Placement:** The wide wingback headboard provides a stable surface for placing phones, tablets, and other items while charging.

CONVENIENCE FOR CHARGING

2 USB Ports: 5V/2A
6.5 Feet Power Cord

5.3 Storage Drawers

The bed frame includes four spacious steel storage drawers for organizing various items.

- **Access:** The drawers feature smooth, whisper-quiet wheels for effortless sliding in and out from under the bed.
- **Organization:** Ideal for storing toys, books, bedding, and seasonal items, helping to maintain a tidy room.

Image 5: The four large storage drawers are shown pulled out, demonstrating their capacity and smooth-rolling wheels for easy access.

6. MAINTENANCE

To keep your HIFIT bed frame in optimal condition:

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth to remove dust and light debris. Avoid using harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten if necessary.
- **LED Care:** Avoid direct contact with the LED strips. If the lights malfunction, refer to the troubleshooting section or contact customer support.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, please refer to the following common solutions:

• **LED Lights Not Working:**

- Ensure the power adapter is securely plugged into a working outlet.
- Check all connections of the LED strips to the controller.
- Replace the remote control battery if it's unresponsive.

• **Charging Station Not Functioning:**

- Verify the charging station's power cord is fully plugged into a wall outlet.
- Test with a different device or charging cable to rule out device-specific issues.

• **Drawers Sticking/Not Sliding Smoothly:**

- Check for any obstructions under the bed or in the drawer tracks.
- Ensure the drawer wheels are clean and free of debris.
- Verify the bed frame is assembled squarely and evenly on a flat surface.

• **Squeaking Noises:**

- Tighten all bolts and screws on the bed frame, especially those connecting the side rails and support legs.
- Ensure the mattress is properly seated on the slats.
