Gamtimer G-08

Gamtimer Gaming Chair User Manual

Model: G-08

1. PRODUCT OVERVIEW

The Gamtimer Gaming Chair (Model G-08) is designed for extended periods of use, offering superior comfort and ergonomic support. Featuring breathable PU leather, 4D lumbar support, and a headrest, this chair is suitable for gaming, office work, reading, or napping. Its robust construction includes a BIFMA certified heavy-duty base and high-quality components to ensure durability and stability.

2. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the manufacturer's instructions carefully to ensure proper stability and functionality. All necessary components and tools are included in the package.

2.1 Package Contents

- Chair Backrest
- Seat Base with Armrests
- Star Base with Casters
- Gas Lift Cylinder
- Lumbar Support Pillow
- Headrest Pillow
- Footrest Assembly

- Hardware Kit (screws, washers, Allen wrench)

2.2 Assembly Steps (General)

1. Attach the casters to the star base.
2. Insert the gas lift cylinder into the center hole of the star base.
3. Attach the chair mechanism to the underside of the seat base using the provided screws.
4. Connect the backrest to the seat base using the side brackets and screws.
5. Place the assembled seat and backrest onto the gas lift cylinder.
6. Attach the headrest and lumbar support pillows as desired.
7. Install the retractable footrest assembly.
8. Ensure all screws are tightened securely before use.

3. OPERATING INSTRUCTIONS

The Gamtimer Gaming Chair offers multiple adjustment features to customize your seating experience for optimal comfort and support.

3.1 Adjusting the Chair

- **Height Adjustment:** Use the lever located under the seat on the right side to raise or lower the chair. Pull the lever up while seated to lower, or pull up while standing to raise.
- **Backrest Recline:** The backrest can be tilted between 90° (upright for focus) and 155° (reclined for rest). Use the recline lever on the side of the chair to adjust the angle.
- **Retractable Footrest:** Pull out the footrest from under the seat when reclining for leg support. Push it back in when not in use.
- **360° Swivel:** The chair base allows for full 360-degree rotation for easy movement and access.
- **Adjustable Armrests:** The padded armrests are designed to extend and contract with the recline of the chair, providing continuous support.

3.2 Ergonomic Support

The chair is equipped with an ergonomic high backrest, adjustable headrest, and lumbar support pillow to promote proper posture and reduce fatigue during long sessions.

4. CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Gamtimer Gaming Chair.

- **Cleaning PU Leather:** Wipe the PU leather surfaces with a soft, damp cloth. For tougher stains, use a mild soap solution and wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.

- **Checking Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Caster Care:** Keep the casters clean from hair and debris to ensure smooth rolling.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 400 pounds to prevent damage to the chair and ensure safety.

5. TROUBLESHOOTING

If you encounter any issues with your Gamtimer Gaming Chair, please refer to the following common troubleshooting tips.

- **Chair Squeaks:**
Check all assembly bolts and screws and tighten them. A small amount of silicone lubricant can be applied to moving parts if the squeaking persists.
- **Chair Wobbles/Unstable:**
Ensure all connections, especially between the seat, backrest, and base, are securely fastened. Verify the gas lift cylinder is properly seated in the star base.
- **Gas Lift Not Adjusting Height:**
Ensure the height adjustment lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement. Contact customer support.
- **Backrest Not Reclining/Locking:**
Check the recline lever and ensure it is not obstructed. Verify that the recline mechanism is free of debris. If the mechanism is damaged, contact customer support.
- **Footrest Does Not Extend/Retract Smoothly:**
Check for any obstructions in the footrest mechanism. Ensure the rails are clean. Avoid forcing the footrest if it feels stuck.

6. PRODUCT SPECIFICATIONS

Detailed specifications for the Gamtimer Gaming Chair (Model G-08).

Feature	Description
Brand	Gamtimer
Model Number	G-08
Color	All Grey
