# Redlife Farmhouse Sideboard Buffet Cabinet User Manual

**Brand:** Redlife

**Model:** US01N000011-00N01

## INTRODUCTION

---

Thank you for choosing the Redlife Farmhouse Sideboard Buffet Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

## SAFETY INFORMATION

---

- Always assemble the cabinet on a clean, soft surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Keep small parts and packaging materials away from children and pets to avoid choking hazards.
- It is recommended that two adults assemble this cabinet due to its size and weight.
- Do not exceed the maximum weight capacity of 300 lbs (136 kg) for the top surface.
- Distribute weight evenly across shelves and drawers to maintain stability.
- Secure the cabinet to a wall using anti-tip hardware (if included) to prevent tipping, especially in households with children.

## PACKAGE CONTENTS

---

Before assembly, verify that all components listed below are present in your package:

- 1 x Redlife Farmhouse Sideboard Buffet Cabinet (disassembled)

## ASSEMBLY INSTRUCTIONS

---

Assembly of the Redlife Farmhouse Sideboard Buffet Cabinet is required. The package includes labeled parts and detailed instructions to guide you through the process. For optimal results and safety, please follow these general guidelines:

- 1. Prepare Your Workspace:** Clear a spacious area and lay out all components on a soft, protective surface to prevent damage.
- 2. Identify Parts:** Match each part to the corresponding labels in the instruction booklet.
- 3. Follow Step-by-Step Diagrams:** The included manual provides visual diagrams for each assembly step. Pay close attention to the orientation of parts.
- 4. Secure Fasteners:** Ensure all screws, cam locks, and other fasteners are tightened securely, but do not overtighten to avoid stripping or damaging the wood.
- 5. Drawer Glides:** When assembling drawers, ensure the glides are correctly oriented and separated as per the instructions.
- 6. Door Alignment:** After assembly, adjust the sliding barn doors for smooth operation and proper alignment.
- 7. Two-Person Assembly:** Due to the cabinet's size and weight, assembly by two individuals is strongly recommended.

If you encounter any difficulties during assembly, refer to the troubleshooting section or contact customer support.

## MAINTENANCE AND CARE

---

To ensure the longevity and appearance of your Redlife cabinet, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Hardware:** Periodically check and tighten all hardware to ensure stability.

## TROUBLESHOOTING

---

If you encounter issues with your cabinet, consider the following:

- **Assembly Difficulties:** Re-check the instruction manual diagrams. Ensure all parts are correctly oriented and fasteners are properly installed.
- **Wobbly Cabinet:** Verify that all screws and connections are tightened. Ensure the cabinet is on a level

surface. Adjust feet if applicable.

- **Drawers Not Sliding Smoothly:** Check that drawer glides are installed correctly and are free of obstructions. Ensure the drawer box is assembled squarely.
- **Doors Not Aligning:** Adjust the sliding door hardware as needed to achieve proper alignment and smooth movement.
