

Gruwans Full Bed

Gruwans Full Size Upholstered Wingback Platform Bed Frame Instruction Manual

Model: Full Bed

1. INTRODUCTION

Thank you for choosing the Gruwans Full Size Upholstered Wingback Platform Bed Frame. This manual provides detailed instructions for assembly, usage, maintenance, and troubleshooting to ensure a safe and comfortable experience with your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

1.1 Safety Information

- Exercise caution around sharp edges during assembly to prevent injury.
- Do not exceed the maximum weight capacity of 800 pounds.
- Ensure all connections are securely tightened before use. Periodically check and retighten fasteners as needed.
- Keep small parts away from children during assembly.

2. PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present. Some smaller accessories may be located inside the headboard packaging. If any parts are missing or damaged, please contact customer support immediately.

- Upholstered Wingback Headboard
- Bed Platform Frame (Side Rails, Footboard)
- Wooden Slats with Velcro Design
- Support Legs (including central support legs)

- Hardware Pack (bolts, washers, Allen wrench)

3. SETUP AND ASSEMBLY

The Gruwans bed frame is designed for easy assembly and is typically completed within 30 minutes with two people. All necessary tools are provided. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the carton. Lay them out on a clean, soft surface to prevent scratches. Ensure all parts from Section 2 are present.
2. **Attach Headboard Legs:** Secure the support legs to the upholstered wingback headboard using the provided hardware.
3. **Assemble Side Rails:** Connect the side rails to the headboard and footboard. Ensure all bolts are finger-tightened initially.
4. **Install Central Support:** Attach the central metal support beam and its legs to the bed frame. This provides additional stability and prevents sagging.
5. **Place Wooden Slats:** Roll out the wooden slats onto the bed frame. The slats feature a Velcro design to keep them securely in place and prevent movement.
6. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts with the Allen wrench. Do not overtighten.

FULL SIZE

Figure 3.1: Dimensional overview of the Gruwans Full Size Bed Frame. Dimensions are approximately 76.77"L x 56.13"W x 41.34"H, with a ground clearance of 6.3 inches.

Figure 3.2: The fully assembled Gruwans Full Size Bed Frame, ready for mattress placement.

4. OPERATING INSTRUCTIONS

This platform bed frame is designed to support your mattress directly, eliminating the need for a box spring. The wood slat base provides breathable support, ensuring proper mattress ventilation and comfort.

- **Mattress Placement:** Carefully place your full-size mattress directly onto the wooden slats. The evenly distributed slats will provide optimal support.
- **Weight Distribution:** Ensure weight is distributed evenly across the bed frame. The maximum weight capacity is 800 pounds.

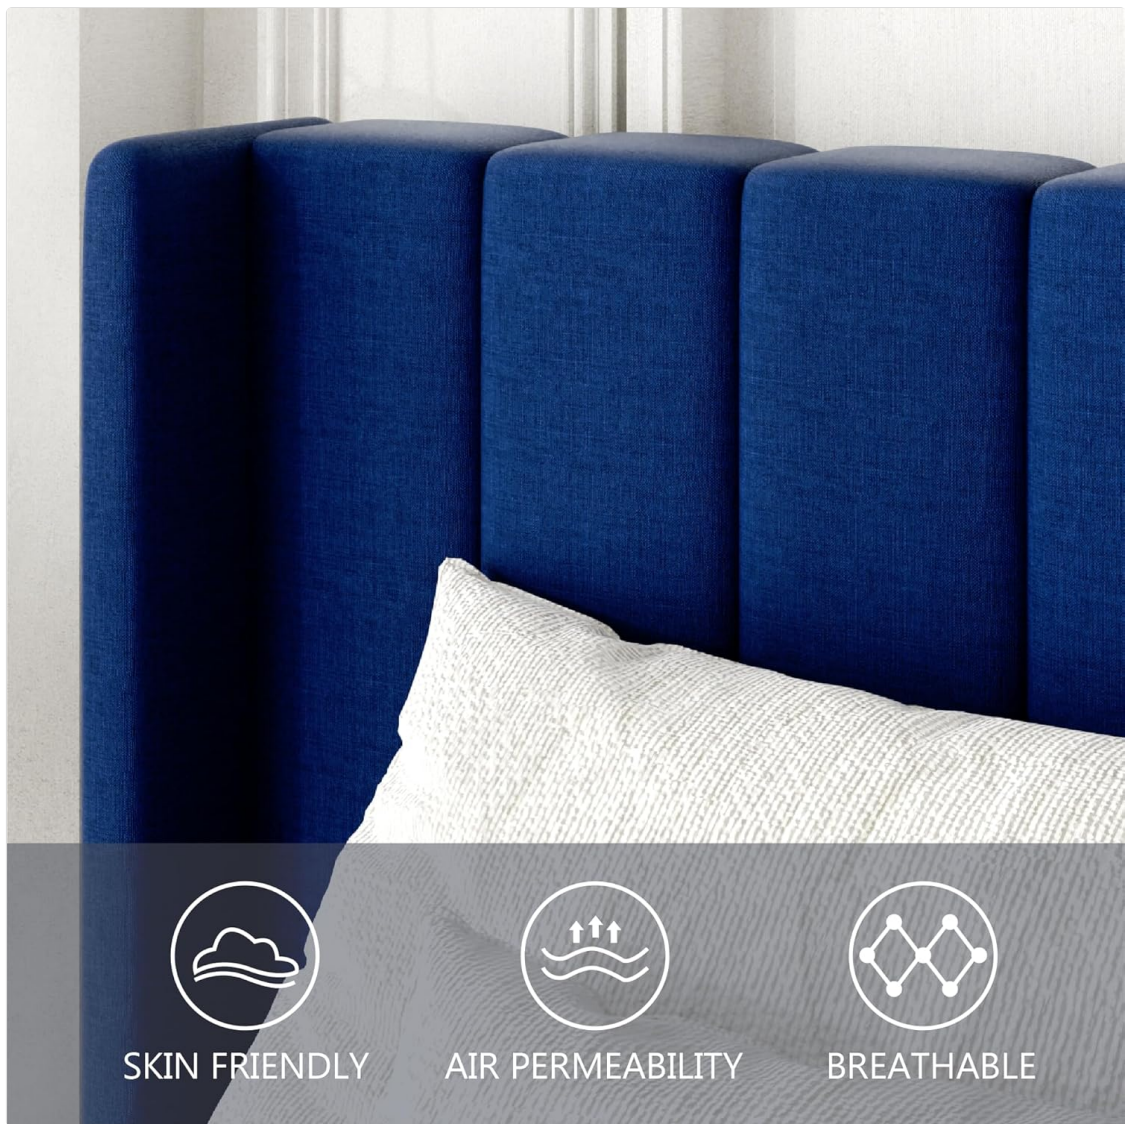

Figure 4.1: Detail of the upholstered headboard, showcasing the skin-friendly, air permeable, and breathable linen fabric.

5. MAINTENANCE

Proper care will extend the life and appearance of your Gruwans bed frame.

- **Cleaning Upholstery:** For general cleaning, gently vacuum the linen fabric to remove dust. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner. Avoid harsh chemicals.
- **Frame Inspection:** Periodically inspect all bolts and connections to ensure they remain tight. Retighten as necessary to maintain stability and prevent squeaking.
- **Avoid Excessive Moisture:** Keep the bed frame in a dry environment to prevent damage to the wood and fabric.

6. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common solutions:

- **Squeaking Noises:** Squeaking is often caused by loose connections. Re-check and tighten all bolts on the headboard, side rails, footboard, and central support legs. Ensure the wooden slats are properly seated on the Velcro strips.

- **Missing Parts:** If you find any accessories or components missing after unpacking, please check inside the headboard packaging as some items may be stored there. If parts are still missing, contact Gruwans customer support for assistance.
- **Instability/Wobbling:** Ensure the bed frame is on a level surface. Verify that all support legs are making firm contact with the floor and that all bolts are securely tightened.

7. SPECIFICATIONS

Feature	Detail
Size	Full
