3. SETUP AND INSTALLATION

Follow these steps to properly install your CASETiFY Mirror Case onto your iPhone 16 Pro Max:

1. **Clean Your Device:** Ensure your iPhone 16 Pro Max is clean and free of dust or debris before installation.

2. **Insert Top Edge:** Gently align the top edge of your iPhone with the top edge of the case, ensuring the camera module fits correctly into the case's cutout.

3. **Press Down Sides:** Carefully press the sides of your iPhone into the case, working your way down until all edges are securely seated. Ensure all buttons and ports align with the case openings.

4. **Verify Fit:** Check that the case is snugly fitted around your entire iPhone, with no gaps or loose areas.

5. MAINTENANCE

To keep your CASETiFY Mirror Case in optimal condition:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove fingerprints, smudges, and dirt. Avoid abrasive cleaners or solvents, as these can damage the reflective surface or case material.

- **Avoid Scratches:** While durable, the reflective surface can show minor scratches from sharp objects. Store your phone away from keys or other abrasive items.

- **Inspection:** Periodically inspect the case for any signs of wear or damage, especially after significant drops.
