CASETiFY Mirror Case for iPhone 16 Pro Max User Manual

Model: CTF-30604411-16007270 | Brand: CASETiFY

INTRODUCTION

Thank you for choosing the CASETiFY Mirror Case for your iPhone 16 Pro Max. This manual provides essential information on how to properly install, use, and maintain your new phone case to ensure optimal protection and functionality.

PRODUCT FEATURES

- **Compatibility:** Specifically designed for iPhone 16 Pro Max (6.9-inch screen size).
- **Drop Protection:** Offers 4.9 ft. drop protection, meeting 1x MIL-STD-810G military-grade standards for robust defense against impacts.
- **Reflective Surface:** Features a highly reflective mirror back for convenient on-the-go checks.
- **Charm Attachment:** Equipped with side sockets for easy attachment of phone charms and accessories.
- **Camera Control Access:** Provides seamless access to the camera control button.
- **Wireless Charging & MagSafe Compatibility:** Fully compatible with wireless charging and MagSafe accessories.

SETUP AND INSTALLATION

- 1. Clean Your Device:** Before installation, ensure your iPhone 16 Pro Max is clean and free of dust or debris. Use a soft, lint-free cloth.
- 2. Align the Case:** Gently align the top edge of your iPhone with the top edge of the case, ensuring the camera cutout matches.
- 3. Insert the Device:** Press your iPhone firmly into the case, starting from the top and working your way down, until all corners are securely seated.
- 4. Check Fit:** Verify that all buttons, ports, and the camera control button are accessible and function correctly.

OPERATING INSTRUCTIONS

Using the Mirror Feature

The reflective back of your CASETiFY Mirror Case functions as a convenient mirror. Simply turn your phone over to use the case's back surface for quick checks of your appearance.

Attaching Charms

Utilize the integrated side sockets to personalize your case with various phone charms. Gently thread the charm's loop through the socket until it is securely attached.

MAINTENANCE AND CARE

- Cleaning:** To clean your case, wipe it gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the reflective surface or the case material.
- Mirror Care:** The mirror surface is durable but can scratch if not handled with care. Avoid placing the phone

face down on rough surfaces.

- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Case does not fit properly.	Incorrect model size.	Ensure you have the correct case for iPhone 16 Pro Max. This case is designed specifically for that model.
Mirror surface appears scratched or dull.	Exposure to abrasive materials or improper cleaning.	Clean with a soft, damp cloth. Avoid rough surfaces. Minor scratches may be cosmetic and not affect functionality.
Wireless charging not working.	Misalignment with charger or charger incompatibility.	Ensure the phone is centered on the wireless charger. Verify the charger is MagSafe compatible if using MagSafe accessories.
