

Roilpet RP-DOG SOCKS-M-NEW

Roilpet Non-Slip Dog Socks Instruction Manual

Model: RP-DOG SOCKS-M-NEW

1. INTRODUCTION

The Roilpet Non-Slip Dog Socks are designed to provide enhanced traction and paw protection for your dog. These socks are particularly beneficial for senior dogs, dogs recovering from injuries, or any dog needing extra grip on smooth surfaces like hardwood floors. They also help prevent paw licking and protect household surfaces from scratches.

2. PRODUCT FEATURES

- **Enhanced Traction:** Silicone patterns are present on all sides of the paw area, ensuring strong anti-slip grip even if the sock twists.
- **Comfortable Material:** Made from stretchy cotton fabric, providing comfort and flexibility for your dog.
- **High Elastic Sock Cuff:** Designed for easy application and a secure fit around the leg.
- **Adjustable Straps:** Hook-and-loop straps allow for a customized, snug fit to prevent the socks from slipping off.
- **Versatile Use:** Suitable for small, medium, and large dogs, including senior dogs.

Happy

Silicone Pattern on All Sides
Even when twisted

High Elastic Sock Cuff
Easy to wear

Adjustable straps
to ensure comfort

Unhappy

Slippery Sides

Poor Elasticity
Difficult to wear

Rough Button
Easy to hurt dogs

How to Measure size

Step 1

Prepare a pen, a piece of paper, a ruler.

Step 2

Place the paper under one of the paws.

Step 3

Use the pen or pencil to mark the widest points of the paw on the paper.

Step 4

Measure the distance between the two marks.

Image: A detailed view of the sock, pointing out its features: easy-to-wear high elastic sock cuff, adjustable straps to keep socks from falling off, durable and soft fabric, and large-area silicone design to maintain traction in all directions.

3. SIZING GUIDE

Accurate measurement of your dog's paws is essential for selecting the correct sock size. A proper fit ensures comfort and effectiveness.

How to Measure Your Dog's Paw:

1. **Step 1:** Prepare a pen or pencil, a piece of paper, and a ruler.
2. **Step 2:** Place the paper under one of your dog's paws.
3. **Step 3:** Use the pen or pencil to mark the widest points of the paw on the paper.
4. **Step 4:** Measure the distance between the two marks to determine the paw width.

How to figure out your dog's size ?

- Please carefully measure your pet's paws before ordering.
- If between 2 sizes, choose the larger size.

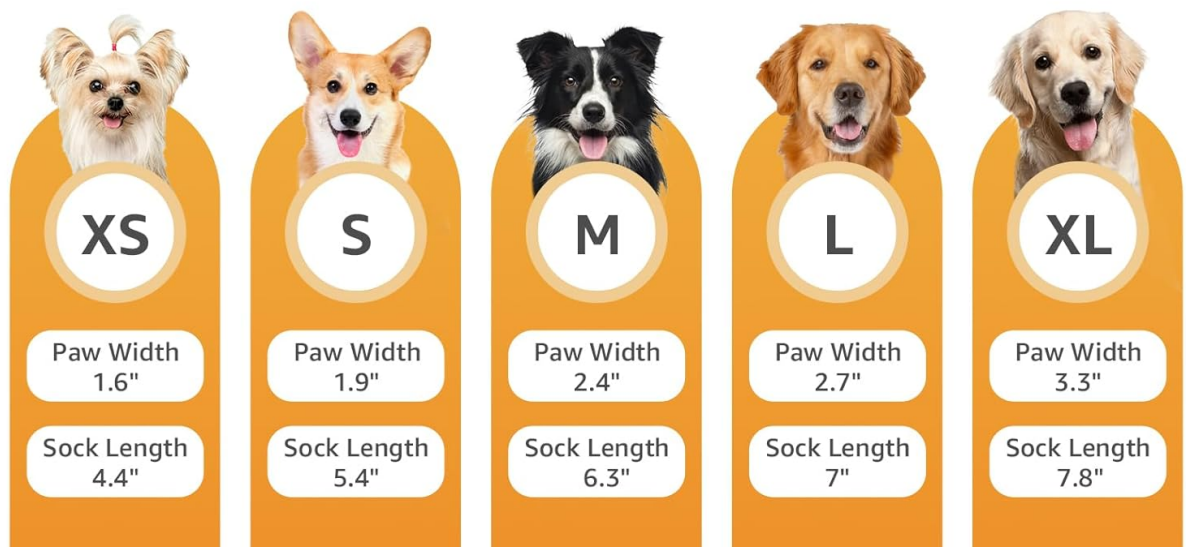

Image: A visual guide demonstrating the four steps to measure a dog's paw: preparing tools, placing paw on paper, marking paw width, and measuring the distance.

Size Chart:

Refer to the table below and the accompanying image to select the appropriate size. If your dog's paw width falls between two sizes, it is recommended to choose the larger size for optimal comfort and fit.

Brand Size	Paw Width (in)	Paw Length (in)
XS	1.8	4.4
S	2.1	5.4
M	2.6	6.3
L	2.9	7
XL	3.5	7.8

4 EASY STEPS

TIP: Trim your dog's paws clean before putting on the socks.

Step 1

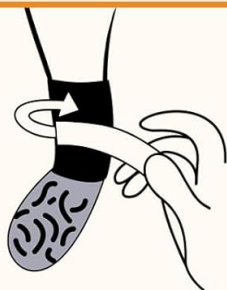

Unroll the socks, making them as flat and open as possible.

Step 2

Place the dog's paws inside and smoothly roll the socks up the dog's legs.

Step 3

Make sure there is no extra space in the paw area and it is a snug fit.

Step 4

Ensure the socks fit snugly by adjusting with straps, if necessary.

Image: A graphic titled 'How to figure out your dog's size?' illustrating paw width, grip width, and sock length, along with a size chart (XS to XL) and example dog breeds for each size.

4. SETUP AND INSTALLATION

Follow these steps to correctly put the Roilpet Non-Slip Dog Socks on your dog. It is recommended to trim your dog's paw hair and nails clean before putting on the socks for a better fit and to prevent damage to the socks.

1. **Step 1: Unroll the Socks:** Unroll each sock, making it as flat and open as possible.
2. **Step 2: Place Paw Inside:** Gently place your dog's paw inside the sock and smoothly roll the sock up your dog's leg.
3. **Step 3: Ensure Snug Fit:** Make sure there is no extra space in the paw area and that the sock fits snugly around the paw.
4. **Step 4: Adjust Straps:** Secure the socks by adjusting the hook-and-loop straps to your dog's leg, ensuring they are snug but not overly tight to restrict circulation.

Details of Sock

Image: A visual guide titled '4 EASY STEPS' demonstrating how to put on the dog socks: unrolling, placing the paw inside, ensuring a snug fit, and adjusting the straps.

5. OPERATING INSTRUCTIONS

These socks are primarily designed for **indoor protection**. They provide excellent traction on hardwood floors and other smooth indoor surfaces, helping to prevent slips and falls, especially for senior dogs or those with mobility issues. They also serve as a paw protector, preventing licking of wounds or irritation, and safeguarding your floors and furniture from scratches.

Important Note: These socks are not designed for extensive outdoor use and are not waterproof. Prolonged outdoor use may lead to premature wear and tear.

6. MAINTENANCE

To maintain the cleanliness and longevity of your Roilpet Non-Slip Dog Socks, follow these care instructions:

- **Washing:** The socks are machine washable. It is recommended to wash them in a laundry bag on a gentle cycle with cold water to protect the silicone grip and fabric.

- **Drying:** Air dry or tumble dry on low heat. Avoid high heat, which can damage the silicone.
- **Storage:** Store in a clean, dry place when not in use.

7. TROUBLESHOOTING

- **Socks Keep Falling Off or Twisting:**

- Ensure you have selected the correct size based on the sizing guide. If between sizes, opt for the larger one.
- Adjust the hook-and-loop straps to be snug around your dog's leg.
- Make sure the sock is fully rolled up the leg and there is no excess material around the paw.

- **Socks Seem Too Tight or Restrictive:**

- Re-check your dog's paw measurements against the size chart. You may need a larger size.
- Ensure the adjustable straps are not overtightened. They should be secure but allow for comfortable movement and not impede circulation. Monitor your dog for any signs of discomfort or swelling.

- **Socks Wearing Out Quickly (e.g., holes from nails):**

- Regularly trim your dog's nails to prevent them from snagging or tearing the sock fabric.
- Ensure the socks are used primarily for indoor activities as intended, as rough outdoor surfaces can accelerate wear.

8. SPECIFICATIONS

- **Brand:** Roilpet
- **Model Name:** Roilpet
- **Item Model Number:** RP-DOG SOCKS-M-NEW
- **Material:** Cotton
- **Color:** Black
- **Size (as per current product):** Size Medium (Pack of 4)
- **Unit Count:** 4.00 Count
- **Item Weight:** 3.2 ounces
- **Recommended Uses:** Indoor Protection
- **Target Species:** Dog
- **Product Care Instructions:** Machine Wash
