DICTAC WS-SC-01

DICTAC King Size Platform Bed Frame with LED Lights and Charging Ports User Manual

Model: WS-SC-01
Brand: DICTAC

IMPORTANT SAFETY INFORMATION

Do not exceed the weight capacity of 1100 pounds. Use a mattress between 10-12 inches thick. Be cautious of sharp edges and pinch points during assembly. Keep the LED lights clear of flammable materials and do not block the ventilation. Use the charging ports with caution and follow the manufacturer's instructions. Assemble the bed frame according to the provided instructions to ensure stability and safety.

PRODUCT OVERVIEW

The DICTAC King Size Platform Bed Frame (Model WS-SC-01) is designed for modern bedrooms, featuring integrated LED lighting, convenient charging ports, and a low-profile, wave-like curved design. This bed frame provides robust support for your mattress without the need for a box spring.

PACKAGE CONTENTS

Before beginning assembly, ensure all components are present and undamaged. The package includes:

- Bed Frame Components
- Headboard with Integrated USB and Type-C Ports
- Smart RGB LED Lights and Remote Control
- Wood Slats
- Assembly Tools
- Installation Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly of the DICTAC King Size Platform Bed Frame is designed to be straightforward. All parts are clearly labeled

and numbered. Follow the step-by-step instructions provided in the included installation manual for proper assembly. Ensure all connections are secure to prevent noise and ensure stability.

Figure 3: Illustration of the bed frame's sturdy construction, including metal central support rod, solid wooden slats, and metal support legs for enhanced stability. The design also features a silent strip to reduce friction and noise.

OPERATING INSTRUCTIONS

RGB LED Lights

The bed frame features vibrant RGB LED lights that can be controlled via a dedicated remote or a smartphone application. These lights offer over 60,000 colors and more than 30 scene modes to customize your bedroom ambiance. The Music Sync mode allows the lights to change color and flash in rhythm with music.

- **Color Selection:** Use the remote or app to choose from a wide spectrum of colors.
- **Brightness Adjustment:** Adjust the light intensity to your preference.
- **Mode Selection:** Choose from various dynamic scene modes.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.
- **Music Sync:** Activate this mode for lights to react to audio.

Figure 4: The bed frame's RGB LED lights can be controlled via an app or remote, offering extensive customization options including color, brightness, and music sync.

Figure 5: Music Sync mode allows the LED lights to change color and flash according to the rhythm of music, enhancing the room's atmosphere.

Soft & skin-friendly Upholstered Headboard

With Practical Charging Station

Convenience Type C &
USB Ports Design

USB Ports

Type C Ports

Figure 6: The upholstered headboard includes convenient Type-C and USB charging ports for electronic devices.

Charging Ports

The headboard is equipped with a charging station on the right side, featuring one Type-C port and one USB port. These ports allow for convenient charging of mobile phones, tablets, and other electronic devices directly from your bed.

- **USB Port:** Standard USB-A for compatible devices.
- **Type-C Port:** Modern USB-C for newer devices.

MAINTENANCE

To maintain the appearance and longevity of your DICTAC bed frame, follow these care instructions:

- **Cleaning:** Wipe the faux PU leather surfaces with a damp cloth for general cleaning. For deeper cleaning, use a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **LED Lights:** Ensure the LED light strips are free from dust and debris to maintain optimal brightness and prevent overheating.

- **Structural Integrity:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

Figure 7: The arc-curve design of the bed frame is soft and anti-collision, providing an added layer of safety.

TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
LED Lights Not Working	Power connection loose, remote battery dead, app not connected.	Check power cable, replace remote battery, ensure app is paired correctly.
Charging Ports Not Functioning	Power cable disconnected, device cable faulty, port damage.	Verify bed frame is plugged in, try a different charging cable/device, contact support if ports are damaged.

Problem	Possible Cause	Solution
Squeaking Noise	Loose connections, uneven assembly.	Re-tighten all screws and bolts. Ensure the bed frame is on a level surface.
Bed Frame Feels Unstable	Incorrect assembly, missing components.	Review assembly instructions carefully. Ensure all parts are installed correctly and securely.

SPECIFICATIONS
