## Youhauchair YC-7007H-DG

# Youhauchair Cashmere Office Chair User Manual

Model: YC-7007H-DG

## INTRODUCTION

---

Thank you for choosing the Youhauchair Cashmere Office Chair. This manual provides essential information for the safe and efficient use of your new chair. Please read it thoroughly before assembly and use, and retain it for future reference.

## SAFETY INFORMATION

---

- Follow the assembly instructions carefully.
- Only use the chair once it is fully assembled.
- Exercise caution when adjusting height and tilt functions to prevent injury.
- Do not exceed the maximum weight capacity of 250 pounds (approximately 113 kg).
- Keep the chair away from heat sources and sharp objects to prevent damage to the fabric and foam.

## PRODUCT FEATURES

---

The Youhauchair Cashmere Office Chair is designed for comfort and functionality, featuring:

- **Soft Cashmere Material:** Upholstered with faux fur cashmere fabric, providing a gentle touch that does not irritate the skin.
- **15 cm Padded Seat:** Ensures maximum comfort, even during prolonged periods of sitting.
- **Ergonomic High Backrest:** Designed to provide proper support for your waist and neck, promoting good posture.
- **360° Swivel Function:** Equipped with high-quality wheels for silent, smooth rotation.
- **Floor-Protective Casters:** Soft PU material wheels protect hardwood floors, carpets, and other surfaces.

- **Adjustable Height:** Seat height can be easily adjusted from 46 cm to 56 cm to suit individual preferences.
- **Rocking Function:** Allows for a tilt range of 90-120 degrees for relaxation and comfort.
- **Sturdy Base and Gas Lift:** Built with a durable base and high-quality gas lift for stability and smooth adjustments.

## ERGONOMOMIC DESIGN

- High backrest design
- Big and tall backrest provides proper support for your waist and neck.

## SETUP AND ASSEMBLY

---

The Youhauchair office chair is designed for easy assembly and can typically be installed within 15 minutes. All necessary accessories and instructions are included.

### Assembly Steps:

1. **Step 1:** Attach the casters to the chair base.
2. **Step 2:** Insert the gas lift into the center of the base.
3. **Step 3:** Secure the seat mechanism to the bottom of the seat cushion.
4. **Step 4:** Place the assembled seat onto the gas lift.

# Einfache Installation

Schnelle Installation in 15 Minuten

Unsere Produkte sind einfach in 4 Schritten zu installieren  
und die Installation dauert nur 15 Minuten

## OPERATING INSTRUCTIONS

---

### Height Adjustment:

To adjust the seat height, locate the lever on the right side beneath the seat. Pull the lever upwards while seated to lower the chair, or pull it upwards while standing to raise the chair. Release the lever at your desired height. The seat height is adjustable between 46 cm and 56 cm.

### Rocking Function:

The chair features a rocking function with a tilt range of 90-120 degrees. To activate or deactivate the rocking function, pull the control lever outwards to unlock or push it inwards to lock the chair in an upright position. The tension of the rocking motion can be adjusted by turning the round knob located underneath the seat, towards the front.

## MAINTENANCE

To ensure the longevity and appearance of your Youhauchair, follow these maintenance guidelines:

- **Cleaning:** The cashmere upholstery is easy to maintain. For general cleaning, gently vacuum the fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the fabric and finish.
- **Regular Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and safety.
- **Caster Care:** Keep the wheels clean from hair and debris to ensure smooth movement and protect your floors.
- **Intensive Use:** If the chair is subject to intensive use, perform maintenance checks more frequently.

## TROUBLESHOOTING

If you encounter any issues with your Youhauchair, please refer to the following common solutions:

- **Chair feels wobbly:** Ensure all assembly screws and bolts are securely tightened. Check that the base and gas lift are properly seated.
- **Height adjustment not working:** Verify that the gas lift is correctly installed and not obstructed. Ensure the control lever is fully engaged when attempting to adjust height.
- **Casters not rolling smoothly:** Inspect the wheels for any trapped debris, hair, or lint. Clean them thoroughly. Ensure the casters are fully inserted into the base.
- **Rocking function not engaging/disengaging:** Check that the control lever is correctly pulled out or pushed in. Adjust the tension control knob to ensure it's not too tight or too loose.

If problems persist after attempting these solutions, please contact Youhauchair customer support for assistance.

## SPECIFICATIONS

Image: Detailed dimensions of the chair, including height, width, depth, and seat height range, along with a 330 lbs weight capacity.

Feature	Detail
Brand	Youhauchair
