## DEVAISE AWJG013

# DEVAISE Metal Garage Storage Cabinet User Manual

Model: AWJG013BL

## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembling or using this product. Failure to follow these instructions may result in injury or damage to the product.

- Always secure the cabinet to the wall using the anti-tipping design to prevent tipping. This is crucial for stability and safety, especially in households with children or pets.
- Keep the keys in a safe place and out of reach of children to prevent accidental locking or unauthorized access.
- Do not overload the shelves beyond their specified weight capacity. Each adjustable shelf can hold up to 120 lbs, with a total cabinet capacity of 720 lbs. Distribute weight evenly.
- Ensure all connections are tight and secure after assembly and periodically check for any loosening.

## 2. PRODUCT OVERVIEW

The DEVAISE Metal Garage Storage Cabinet is designed for robust and versatile storage in various environments such as garages, homes, offices, and schools. Constructed from cold-rolled steel, it offers durability and security for your belongings.

### **Key Features:**

- **Sturdy and Durable Construction:** Made from cold-rolled steel plate with a high-quality powder-coated finish, providing resistance against water, rust, and scratches. Each shelf supports up to 120 lbs, with a total capacity of 720 lbs.
- **Spacious and Flexible Storage:** Dimensions of 15.8"D x 31.5"W x 70.9"H, featuring two doors and five adjustable shelves to accommodate various item sizes and storage needs.
- **Secure Locking Mechanism:** Equipped with a 3-point interlocking system and two keys for enhanced security of stored items. Magnetic door closures ensure doors remain shut even when unlocked.
- **Anti-Tipping Design:** Includes hardware to securely fix the cabinet to a wall, preventing accidental tipping and ensuring user safety.

## 4. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, contact customer service immediately.

- Cabinet Panels (Top, Bottom, Sides, Back)
- Adjustable Shelves (5 units)
- Cabinet Doors (2 units)
- Locking Mechanism and Handles
- Keys (2 units)
- Assembly Hardware (screws, bolts, shelf clips, etc.)
- Anti-Tipping Kit

## 5. SETUP AND ASSEMBLY

Assembly of the DEVAISE Metal Garage Storage Cabinet is required. It is recommended to have two people for assembly to ensure safety and ease of construction. Please follow the detailed instructions provided in the separate assembly guide included in your package.

### General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Assemble the main frame of the cabinet (top, bottom, side, and back panels).
3. Install the door hinges and attach the doors.
4. Insert the shelf clips into the desired slots and place the adjustable shelves.
5. Install the locking mechanism and handles.
6. Secure the cabinet to a wall using the provided anti-tipping kit. This step is mandatory for safety.

Image: A visual guide illustrating the versatility of the adjustable shelves, showing how they can be configured to store items of different heights, from small decorative objects to tall cleaning tools.

## 6. OPERATION

### Adjusting Shelves:

The cabinet features five adjustable shelves. To adjust a shelf, remove all items from the shelf. Locate the shelf clips on the side panels. Remove the clips, reposition them to the desired height slots, and then place the shelf back onto the clips. Ensure all four clips are securely seated before placing items on the shelf.

### Locking and Unlocking:

The cabinet is equipped with a 3-point locking system. Insert one of the provided keys into the lock on the right door. Turn the key to engage or disengage the locking rods. Ensure the doors are fully closed before attempting to lock the cabinet. The magnetic door closures will keep the doors shut even when unlocked.

anti-tipping wall anchor, and the secure 3-point locking system.

## 7. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your DEVAISE storage cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild soap solution and dry thoroughly immediately. Avoid abrasive cleaners or harsh chemicals, as these can damage the powder-coated finish.
- **Inspection:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten if necessary. Inspect the anti-tipping device to ensure it is still securely fastened to the wall.
- **Lubrication:** If the lock mechanism becomes stiff, a small amount of graphite lubricant can be applied to the keyhole.

## 8. TROUBLESHOOTING

If you encounter issues with your cabinet, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Doors do not close properly or are misaligned.	Hinges are loose or bent; cabinet not level; panels slightly warped during shipping.	Check and tighten hinge screws. Ensure the cabinet is on a level surface. Gently adjust door alignment if possible. If panels are significantly bent, contact customer support.
Lock mechanism is stiff or difficult to operate.	Lack of lubrication; debris in lock.	Apply a small amount of graphite lubricant to the keyhole. Ensure the key is fully inserted.
Cabinet feels unstable or wobbly.	Assembly hardware is loose; cabinet not secured to wall; uneven floor.	Re-tighten all assembly screws. Ensure the anti-tipping device is correctly installed and secured to a sturdy wall. Place the cabinet on a level surface or use shims if necessary.
Missing or damaged parts upon arrival.	Shipping damage or packaging error.	Do not proceed with assembly. Contact DEVAISE customer service immediately for replacement parts.

## 9. WARRANTY AND SUPPORT

DEVAISE products are manufactured to high-quality standards. For warranty information, specific return policies, or technical support, please refer to the documentation included with your purchase or visit the official DEVAISE website. If you have any questions or require assistance, please contact DEVAISE customer service directly.

Contact information can typically be found on the product packaging, the DEVAISE brand store on Amazon, or their official website.
