# Furnulem Black Dresser and Nightstand Sets User Manual

Model: B0DCZLSZWX

## 1. PRODUCT OVERVIEW

---

The Furnulem Black Dresser and Nightstand Sets provide versatile storage solutions for various rooms. This set typically includes a tall nightstand with shelves and drawers, and a multi-drawer dresser. Both units feature a sturdy metal frame and fabric drawers. The nightstand is equipped with integrated LED lighting and a charging station for convenience.

## 2. PACKAGE CONTENTS

Before assembly, ensure all components listed in the included instruction manual are present. The package typically contains:

- Metal frame components
- Fabric drawers
- LED light strip and controller
- Charging station unit
- Anti-tip kit
- Adjustable feet
- Assembly hardware (screws, wrench, etc.)
- Detailed instruction manual

### 3. SETUP AND ASSEMBLY

---

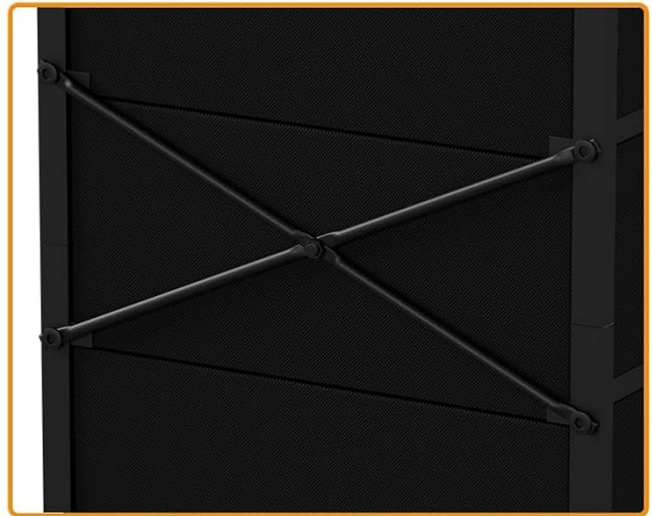

Assembly is required for both the dresser and nightstand units. Follow the step-by-step instructions provided in the manual included with your product. It is recommended to assemble on a soft, clean surface to prevent scratches.

#### 3.1 Key Assembly Features

- **Fabric Drawers:** The drawers are constructed from fabric with sturdy bases.
- **X-Shaped Design:** The rear of the unit features an X-shaped brace for enhanced stability.
- **Anti-tip Kit:** For safety, securely attach the anti-tip kit to a wall stud using the provided hardware. This prevents accidental tipping, especially important in households with children or pets.
- **Adjustable Feet:** The feet can be adjusted to level the unit on uneven floors, ensuring stability.

### 4. OPERATING INSTRUCTIONS

---

#### 4.1 LED Lighting System (Nightstand)

The nightstand features integrated LED lights with multiple color options and control methods.

- **Color Options:** The LED lights offer 7 adjustable colors (e.g., Yellow, Blue, Green, Red) and brightness levels.
- **Control Modes:**
  - **Mobile App Control:** Download the designated mobile application (refer to the included manual for app details) to control colors, brightness, schedules, and music sync modes.
  - **Key Switch Control:** Use the physical key switch on the unit to cycle through colors and adjust basic settings.

## 4.2 Charging Station (Nightstand)

The nightstand includes a built-in charging station for electronic devices.

- **Power Outlets:** Features 2 AC sockets for standard plugs.
- **USB Ports:** Includes 2 USB ports for charging compatible devices.
- **Power Cord:** The charging station is equipped with a 6.5 ft long power cord. Plug this cord into a standard wall outlet.

### 4.3 Storage Usage

Both the dresser and nightstand offer ample storage. Utilize the fabric drawers for clothing, linens, or personal items. The nightstand's open shelves are suitable for displaying decorative items, books, or lamps.

- **Nightstand Load Capacity:**

- Shelf: Up to 20 lbs
- Tabletop: Up to 50 lbs
- Drawer: Up to 10 lbs

## 5. MAINTENANCE AND CARE

---

- **Cleaning:** Wipe the metal frame and wooden surfaces with a dry cloth. For fabric drawers, spot clean with a damp cloth and mild detergent if necessary, then air dry. Avoid harsh chemicals.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if needed.
- **Anti-tip Kit:** Regularly verify that the anti-tip kit is securely fastened to both the unit and the wall.
- **Load Limits:** Do not exceed the specified load capacities for shelves, tabletops, and drawers to prevent damage or instability.

## 6. TROUBLESHOOTING

---

- **LED Lights Not Working:**
  - Ensure the power cord for the charging station (which powers the LEDs) is securely plugged into a working outlet.
  - Check connections of the LED strip to the controller.
  - If using the app, ensure Bluetooth is enabled and the app is correctly paired.
- **Charging Station Not Providing Power:**
  - Verify the main power cord is firmly plugged into a functional wall outlet.
  - Test the outlet with another device.

- Ensure devices are correctly connected to the AC sockets or USB ports.
- **Unit Instability:**
  - Adjust the leveling feet at the bottom of the unit to compensate for uneven floors.
  - Ensure all assembly screws are tightened.
  - Confirm the anti-tip kit is properly installed and secured to the wall.
