TREBLAB C7-Pro

TREBLAB C7-Pro Wireless Bluetooth Headset User Manual

Model: C7-Pro

Brand: TREBLAB

INTRODUCTION

Thank you for choosing the TREBLAB C7-Pro Wireless Bluetooth Headset. This manual provides detailed instructions for setting up, operating, and maintaining your headset to ensure optimal performance and longevity. Designed for clear communication and extended comfort, the C7-Pro is ideal for professional use, home office, calls, and gaming.

WHAT'S INCLUDED

- TREBLAB C7-Pro Headphones
- Charging Stand
- USB / Type-C Charging Cable
- User Manual
- Quick Start Guide
- Warranty Card

The TREBLAB C7-Pro headset and its magnetic charging stand, along with the included USB-C cable, user manual, quick start guide, and warranty card.

PRODUCT OVERVIEW

Headset Components and Features

The TREBLAB C7-Pro headset is designed for comfort and clear audio. It features plush memory foam cushions, an adjustable headband, and a flexible microphone boom with noise-cancelling capabilities.

Comfort That Lasts All Day

SETUP

Charging the Headset

Before first use, fully charge your TREBLAB C7-Pro headset. The included magnetic charging stand provides a convenient way to charge and store your headset.

1. Connect the USB Type-C charging cable to the charging stand and a power source (e.g., computer USB port, wall adapter).
2. Place the TREBLAB C7-Pro headset onto the magnetic charging stand. Ensure the charging contacts align.
3. The LED indicator on the stand will show charging status. A full charge takes approximately 2.5 hours.

Charge, Store, and Elevate Your Workspace

Powering On/Off

To power on: Press and hold the Power button until the LED indicator lights up.

To power off: Press and hold the Power button until the LED indicator turns off.

Bluetooth Pairing

The TREBLAB C7-Pro uses Bluetooth 5.3 for stable wireless connectivity.

1. Ensure the headset is powered off.
2. Press and hold the Power button for approximately 5 seconds until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, laptop, PC), enable Bluetooth and search for available devices.
4. Select "TREBLAB C7-Pro" from the list of devices.
5. Once connected, the LED indicator on the headset will flash blue slowly.

MAINTENANCE

Cleaning

Regularly clean your headset to maintain hygiene and performance.

- Use a soft, dry, lint-free cloth to wipe the ear cushions and headband.
- For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Ensure no liquid enters the speaker grilles or microphone opening.

Storage

When not in use, store the headset on its charging stand or in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Headset does not power on.	Low battery.	Charge the headset fully.
Cannot pair with device.	Headset not in pairing mode; Device Bluetooth off; Too far from device.	Ensure headset is in pairing mode (flashing blue/red); Turn on Bluetooth on your device; Move headset closer to device (within 35 ft).
No sound or poor sound quality.	Volume too low; Incorrect audio output selected; Interference.	Increase volume on headset and device; Select TREBLAB C7-Pro as audio output; Move away from other wireless devices.
Microphone not working.	Microphone muted; Incorrect input device selected.	Unmute microphone; Select TREBLAB C7-Pro as audio input device in your system settings.
