Modway EEI-6887-SAL

Modway Solace Modular Chaise Lounge Chair User Manual

Model: EEI-6887-SAL

Brand: Modway

1. INTRODUCTION

Thank you for choosing the Modway Solace Modular Chaise Lounge Chair. This manual provides essential information for the safe and proper assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before use and retain them for future reference.

The Solace Modular Chaise Lounge Chair is designed for comfort and versatility, featuring a modern aesthetic with durable fabric upholstery and a supportive structure. Its modular design allows for flexible arrangement within your living space.

2. SAFETY INFORMATION

WARNING: To prevent serious injury, always follow these safety precautions.

- Ensure all components are securely fastened before use.
- Do not stand on the chaise lounge.
- Keep small parts away from children during assembly.
- Do not exceed the maximum weight recommendation of 149.9 pounds.
- Place the chaise lounge on a level surface to prevent tipping.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Chaise Lounge Base Unit
- Backrest Cushion
- Seat Cushion
- Accent Pillow

- Legs (typically 4)
- Hardware Pack (screws, washers, Allen wrench)

4. SETUP AND ASSEMBLY

Assembly of the Modway Solace Chaise Lounge Chair is straightforward. It is recommended to have two people for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Attach Legs:** Locate the pre-drilled holes on the underside of the chaise lounge base. Align each leg with a hole and secure it using the provided hardware (screws and washers). Tighten with the Allen wrench until firm, but do not overtighten.
3. **Position Cushions:** Place the seat cushion onto the base. Position the backrest cushion against the back of the chaise. Arrange the accent pillow as desired.
4. **Final Check:** Ensure all legs are stable and the chaise lounge is level before use.

Weight Capacity: 500 lbs.

5. OPERATING INSTRUCTIONS

The Modway Solace Modular Chaise Lounge Chair is designed for comfortable seating and lounging in indoor environments.

- **Placement:** Position the chaise lounge in your desired indoor location, ensuring it is on a stable, level surface.
- **Usage:** Use the chaise lounge for sitting, relaxing, or reclining. The accent pillow can be adjusted for personalized comfort.
- **Modular Configuration:** If you have multiple Solace modular pieces, arrange them to create various seating configurations to suit your space and needs.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your chaise lounge.

- **Cleaning Fabric:** For general cleaning, vacuum regularly with an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild fabric cleaner according to its instructions, testing on an inconspicuous area first.
- **Frame Care:** The frame is constructed with wood. Wipe any exposed wood surfaces with a soft, damp cloth. Avoid harsh chemicals.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.
- **Moving:** When moving the chaise lounge, lift it rather than dragging it to prevent damage to the legs and frame.

**Textured Weave
Fabric Upholstery**

**Sinuous Spring System
with Foam Padding**

**Matching Accent
Pillow**

7. TROUBLESHOOTING

If you encounter any issues with your Modway Solace Chaise Lounge, refer to the following common solutions:

Problem	Possible Cause	Solution
Chaise feels unstable or wobbly.	Legs are not fully tightened or uneven floor.	Check and tighten all leg screws. Ensure the chaise is on a level surface.
Fabric appears soiled or stained.	Accumulated dust or spills.	Vacuum regularly. Blot spills immediately. For deep cleaning, consult Section 6: Care and Maintenance.
Squeaking noises.	Loose connections in the frame.	Inspect all connections and tighten any loose hardware.

8. PRODUCT SPECIFICATIONS

Brand: Modway

Model Name: Solace

Item Model Number: EEI-6887-SAL

Color: Salt

Product Dimensions: 65.75"D x 41.34"W x 23.62"H

Seat Height: 23.62 Inches

Seat Depth: 65.75 inches

Maximum Weight Recommendation: 149.9 Pounds
