Oakley Oo9014

Oakley Gascan Oo9014 Rectangular Sunglasses User Manual

Model: Oo9014

Introduction

This manual provides essential information for the proper use, care, and maintenance of your Oakley Gascan Oo9014 Rectangular Sunglasses. Please read these instructions carefully before using your sunglasses to ensure optimal performance and longevity.
The Oakley Gascan Oo9014 sunglasses feature a unique design with straight edges and sharp lines, incorporating a toric lens for a distinctive high-wrap style.

Product Overview

Figure 1: Front view of the Oakley Gascan Oo9014 Rectangular Sunglasses. This image displays the matte black frame and black iridium mirror lenses, highlighting the rectangular shape and high-wrap design.

The Oakley Gascan Oo9014 sunglasses are engineered with advanced technologies to provide superior vision and protection:

- **High Definition Optics (HDO):** Meets or exceeds American National Standards Institute (ANSI) testing standards for optical clarity, visual fidelity, and impact resistance.
- **Three-Point Fit:** Designed to hold lenses in precise optical alignment, minimizing pressure points often associated with traditional frames.

- **O-Matter Frame Material:** A stress-resistant, lightweight, and durable material providing all-day comfort and protection.
- **Plutonite Lenses:** Offers 100% UV protection, filtering all UVA, UVB, UVC, and harmful blue light up to 400nm.

Setup

Your Oakley Gascan Oo9014 sunglasses are ready for immediate use upon unboxing. No assembly is required.

1. **Unboxing:** Carefully remove the sunglasses from their packaging.
2. **Inspection:** Inspect the sunglasses for any visible damage. If any damage is found, contact customer support immediately.
3. **Initial Cleaning:** Use the provided Microbag or a clean, soft cloth to gently wipe the lenses and frame before first use.

Operating Instructions

These sunglasses are designed for general purpose use to protect against solar radiation and reduce glare. They are not intended for direct observation of the sun or for use as protection against artificial light sources (e.g., solaria).

- **Wearing:** Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears. The Three-Point Fit system is designed for secure and comfortable placement.
- **UV Protection:** The Plutonite lenses provide 100% protection against UVA, UVB, UVC, and harmful blue light up to 400nm.
- **Impact Resistance:** While highly impact-resistant, these sunglasses are not unbreakable. Avoid subjecting them to extreme force.

Maintenance and Care

Proper care will extend the life and maintain the performance of your Oakley sunglasses.

- **Cleaning Lenses:** Use the provided Microbag or a clean, soft, lint-free cloth. For stubborn smudges, use Oakley Lens Cleaning Solution or mild soap and water, then rinse thoroughly and dry with the Microbag. Avoid using paper towels or clothing, as they can scratch lenses.
- **Cleaning Frame:** Wipe the frame with a soft, damp cloth.
- **Storage:** When not in use, store your sunglasses in the provided Microbag or a hard case to protect them from scratches and damage. Avoid leaving them in direct sunlight in a vehicle, as extreme heat can damage the frame and lenses.
- **Avoid Chemicals:** Do not use harsh chemicals, abrasive cleaners, or alcohol-based solutions on your sunglasses, as these can damage the lens coatings and frame material.

Troubleshooting

Problem	Possible Cause	Solution
Lenses appear scratched or smudged.	Improper cleaning or storage.	Clean lenses with Microbag and Oakley Lens Cleaning Solution. Store in Microbag or hard case.
Sunglasses feel loose or uncomfortable.	Minor frame adjustment needed.	Visit an authorized Oakley dealer for professional adjustment. Avoid attempting to bend the frame yourself.
Vision is distorted or unclear.	Lenses are dirty or damaged.	Ensure lenses are clean. If distortion persists, lenses may be damaged and require replacement.
