## 7. MAINTENANCE

To maintain the appearance and longevity of your coffee bar station, follow these simple maintenance guidelines:

- **Cleaning:** Wipe with a dry cloth. For stubborn marks, use a slightly damp cloth and mild detergent, then dry immediately. Avoid abrasive cleaners.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Protection:** Avoid prolonged exposure to direct sunlight or extreme temperatures, which can affect the wood finish.

## 8. TROUBLESHOOTING

If you encounter any issues with your coffee bar station, consider the following common solutions:

- **Wobbling:** Ensure the unit is on a level surface. Check all screws and bolts to confirm they are fully tightened. The X-braces on the back are crucial for stability; verify they are correctly installed.
- **Missing Parts:** Refer to the included parts list in the assembly guide. If any parts are missing, contact customer support.
- **Difficulty Assembling:** Double-check the step-by-step instructions. Ensure you are using the correct hardware for each step. Do not force parts together.
