

Tech21 T21-11029

Tech21 EvoLite Case for iPhone 16 Pro Max

Model: T21-11029

INTRODUCTION

Thank you for choosing the Tech21 EvoLite case for your iPhone 16 Pro Max. This case is engineered to provide robust impact protection while maintaining a slim profile and comfortable grip. This manual provides essential information for the proper installation, use, and maintenance of your new case.

COMPATIBILITY AND SETUP

The Tech21 EvoLite case is specifically designed for the **iPhone 16 Pro Max (6.9-inch model)**. Ensure your device matches this specification for optimal fit and protection.

Installation Instructions:

1. Ensure your iPhone 16 Pro Max is clean and free of dust or debris.
2. Align the camera cutout of the case with your phone's camera module.
3. Gently push your phone into the case, starting from the top edge, ensuring all corners are securely seated.
4. Verify that all buttons and ports are accessible and functional.

COMPATIBLE WITH:
iPhone 16 Pro Max - 6.9"

OPERATING AND FEATURES

The EvoLite case is designed to enhance your iPhone 16 Pro Max experience with several protective and ergonomic features.

- **10FT/3M Multi-Drop Impact Protection:** Engineered with advanced materials and built-in impact-absorbing ribs, the case protects your device from drops up to 10 feet (3 meters).
- **Textured Grip:** The ergonomic design features a textured surface to provide a secure and comfortable hold, reducing the likelihood of accidental drops.
- **Slim Profile:** Despite its protective capabilities, the case maintains a thin and lightweight design, ensuring it fits easily into pockets and preserves the phone's sleek aesthetic.
- **Enhanced Camera Protection:** Raised bezels around the camera module offer additional defense against scratches and impacts to your device's lenses.
- **Mechanical Buttons:** Precision-engineered button covers ensure responsive and tactile feedback for volume and power controls.
- **Wrist Strap Attachment Points:** Integrated points allow for the attachment of a wrist strap (not included) for added security.

MAINTENANCE

Proper care will extend the life and appearance of your Tech21 EvoLite case.

- **Cleaning:** To clean your case, remove it from your phone. Use a soft, damp cloth with mild soap and water. Avoid harsh chemicals or abrasive cleaners, as these can damage the material.
- **Preventing Discoloration:** While Tech21 cases are designed for durability, prolonged exposure to direct sunlight, certain chemicals (like those found in some hand creams or sanitizers), or excessive oils from hands can potentially lead to discoloration over time. Regular cleaning and avoiding contact with strong dyes or chemicals can help maintain its original appearance.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your Tech21 EvoLite case, please refer to the following common solutions:

- **Case Does Not Fit:** Double-check that your phone is an iPhone 16 Pro Max. This case is not compatible with other iPhone models. Ensure the phone is inserted correctly, starting from the top edge.

- **Buttons Are Stiff:** Ensure the case is fully seated around your phone. If the issue persists, remove and re-install the case, making sure it aligns perfectly with your phone's buttons.
- **Discoloration:** As mentioned in the maintenance section, discoloration can occur due to environmental factors or contact with certain substances. Regular cleaning can help mitigate this. If discoloration is significant and affects functionality or satisfaction, please refer to the warranty information.
