HIGH GODO 1509

HIGH GODO White Ichimonji Yamato Sword Building Set Instruction Manual

Model: 1509

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your HIGH GODO White Ichimonji Yamato Sword Building Set. Please read this manual thoroughly before beginning assembly to ensure correct usage and to maximize your experience with the product. This building set is designed for individuals aged 8 years and older.

2. Product Overview

The HIGH GODO White Ichimonji Yamato Sword Building Set allows you to construct a detailed replica of the Wado Ichimonji Sword. This set consists of 806 pieces of high-quality, luminous building blocks. Once assembled, the sword measures approximately 39 inches in length and includes a scabbard and a display bracket. The blade features luminous material, allowing it to glow in the dark.

3. Safety Information

- **Age Recommendation:** This building set is suitable for children aged 8 years and older.
- **Material Safety:** The building blocks are made from high-quality, non-toxic plastic (ABS).
- **Handling:** The assembled sword supports light swinging. Do not swing the sword vigorously, as this may cause damage to the product or potential injury.
- **Small Parts:** This set contains small parts which may pose a choking hazard for young children. Keep unassembled parts away from children under 3 years of age.

4. Package Contents

Before beginning assembly, please verify that all components are present in your package:

- 806 building block pieces
- 1 Scabbard (for the sword)

- 1 Display Bracket
- 1 Brick Separator
- 1 Instruction Manual (this document)
- Exquisite Stickers (for detailing)

5. Setup (Assembly)

Assembly of the HIGH GODO White Ichimonji Yamato Sword Building Set is required. Follow the included full-color instructions carefully for a smooth building experience.

1. **Unpack Components:** Carefully open the package and lay out all building blocks, the instruction manual, and stickers. Use the included brick separator as needed.
2. **Follow Instructions:** Refer to the clear, step-by-step instructions provided in the manual. Each step will guide you through connecting the pieces.
3. **Connect Pieces:** Ensure that bricks are fitted together firmly but without excessive force. The pieces are designed to fit greatly with each other.
4. **Apply Stickers:** Once the relevant sections are built, apply the exquisite stickers as indicated in the instruction manual to add fine details.
5. **Assemble Scabbard and Bracket:** Follow the specific instructions for assembling the scabbard and the display bracket.

6. Operating (Usage)

Once assembled, your White Ichimonji Yamato Sword can be used for display or light role-playing activities.

- **Display:** Use the included display bracket to showcase your assembled sword. The 39-inch length makes it a prominent display piece.
- **Luminous Effect:** To activate the luminous effect of the blade, expose it to light for a period, then observe it in a dark environment. The luminous material will glow.
- **Cosplay:** The sword's design and size are suitable for cosplay purposes. Handle with care during use.

7. Maintenance

To ensure the longevity and appearance of your building set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the assembled sword and its components with a soft, dry cloth to remove dust. Avoid using harsh chemicals or abrasive materials.

- **Storage:** Store the sword in a cool, dry place away from direct sunlight to prevent material degradation or fading.
- **Handling:** Avoid dropping the assembled sword or subjecting it to strong impacts, as this may cause pieces to detach or break.

8. Troubleshooting

If you encounter any issues with your HIGH GODO White Ichimonji Yamato Sword Building Set, please refer to the following:

- **Missing Parts:** If you find any missing pieces in your kit, please contact HIGH GODO customer support. Clearly specify which part(s) are missing, and we will assist you in resolving the issue.
- **Difficulty Assembling:** Ensure you are following the instruction manual step-by-step. If pieces are not fitting, double-check their orientation and ensure no excessive force is being applied. The brick separator can help with disassembling incorrectly placed pieces.
