Brookstone Premium Stainless Steel Nail Clippers Set Instruction Manual

Model: IM1970-BKA

INTRODUCTION

This manual provides instructions for the Brookstone Premium Stainless Steel Nail Clippers Set. This set is designed for comprehensive nail care, offering durability and precision for both fingernails and toenails. It includes two nail clippers and one tweezer, all crafted from stainless steel with a non-slip rubberized grip.

PACKAGE CONTENTS

- 1 x Fingernail Clipper (smaller size)
- 1 x Toenail Clipper (larger size)
- 1 x Tweezer
- 1 x Storage Case

Product Size

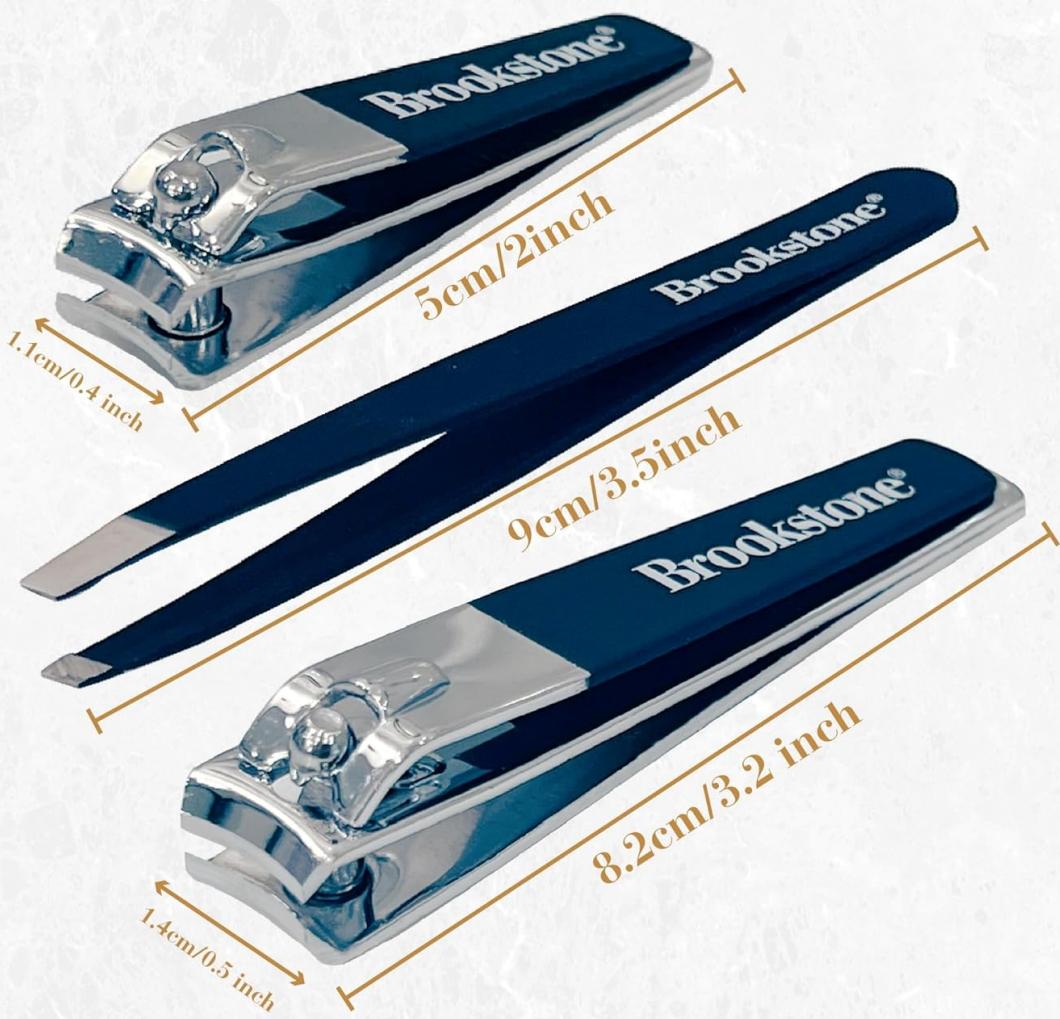

Image: Detailed dimensions of the fingernail clipper (5cm/2inch), toenail clipper (8.2cm/3.2inch), and tweezer (9cm/3.5inch).

SETUP AND FIRST USE

Before initial use, it is recommended to clean all tools. Use a soft cloth dampened with rubbing alcohol to wipe down the stainless steel components. Ensure the tools are completely dry before storage or use.

1. Remove all items from the protective case.
2. Inspect each tool for any manufacturing residues.
3. Clean the blades of the clippers and the tips of the tweezers with an antiseptic wipe or alcohol.
4. Allow tools to air dry completely.

OPERATING INSTRUCTIONS

Using the Nail Clippers (Fingernail and Toenail)

The set includes two clippers: a smaller one for fingernails and a larger one for toenails. Both feature a rubberized non-slip grip for enhanced control and precision.

- **Preparation:** Ensure nails are clean and dry. For softer nails, consider trimming after a shower or bath.

- **Grip:** Hold the clipper firmly with the rubberized handle providing a secure grip. The handle rotates 360 degrees for comfortable positioning.
- **Positioning:** Place the nail between the sharp, curved blades. For fingernails, follow the natural curve. For toenails, trim straight across to prevent ingrown nails.
- **Trimming:** Apply steady, even pressure to cut the nail. Avoid cutting too short to prevent discomfort or injury.
- **Finishing:** Use a nail file (not included) to smooth any rough edges.

Convenient Nail Clipper Set with Tweezers

Image: A detailed view of the nail clippers, highlighting their ergonomic design, non-slip grip, and sharp, curved blades suitable for both fingernails and toenails.

Using the Tweezer

The precision tweezer is ideal for removing splinters, stray hairs, or for detailed nail grooming tasks.

- **Grip:** Hold the tweezer by its rubberized body.
- **Application:** Align the tips of the tweezer with the item to be removed.
- **Removal:** Gently squeeze the handles to grasp the item and pull it away.

Maintenance and Care

Proper maintenance ensures the longevity and hygiene of your grooming tools.

- **Cleaning:** After each use, clean the blades of the clippers and the tips of the tweezers. A small brush can remove nail debris. Wipe with an alcohol-soaked cotton pad to disinfect.
- **Drying:** Ensure all tools are completely dry before storing them to prevent rust, especially since they are made of stainless steel.
- **Storage:** Store the tools in the provided protective case. This protects them from damage and keeps them hygienic. Keep the case in a dry place.
- **Sharpening:** The stainless steel blades are designed for long-lasting sharpness. If they become dull over time, consider professional sharpening or replacement.

GREAT GIFT

Perfect For Families & Friends

Image: The Brookstone nail clippers and tweezer neatly stored within their compact, portable metal case, emphasizing ease of storage and travel.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Clippers not cutting cleanly	Dull blades or debris caught in the mechanism.	Clean blades thoroughly. If still dull, consider professional sharpening or replacement.

Issue	Possible Cause	Solution
Tools feel slippery	Residue on the rubberized grip.	Wipe the grip with a damp cloth and mild soap, then dry thoroughly.
Rust spots appear	Improper drying or storage in a humid environment.	Ensure tools are completely dry before storing. Store in a dry place. Minor rust can sometimes be removed with fine steel wool and oil.

SPECIFICATIONS

Model Number: IM1970-BKA

Material: Premium Stainless Steel with Rubberized Grip

Color: Navy (for this specific variant)

Package Dimensions: 4.72 x 3.58 x 0.94 inches
