Bellemave TH-00267-F

Instruction Manual

Bellemave Full Size Loft Bed with Desk and Stairs

Model: TH-00267-F

1. Introduction

This manual provides comprehensive instructions for the assembly, setup, operation, and maintenance of your Bellemave Full Size Loft Bed. Designed for efficiency and comfort, this loft bed integrates a spacious desk, a functional wardrobe, and convenient stairs with built-in storage, making it an ideal solution for optimizing space in any room. It also features an integrated LED lighting system and a USB charging station for enhanced utility.

2. Safety Information

Please read and understand all safety warnings before assembly and use of this product. Failure to follow these instructions may result in serious injury.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 350 lbs (approximately 158 kg) for the bed frame.
- **Assembly Caution:** Be cautious of sharp edges and heavy-duty metal slats during assembly and use. It is recommended that assembly be performed by two adults.
- **Secure Installation:** Follow assembly instructions carefully to prevent instability or injury. Ensure all fasteners are tightened securely before use.
- **Guardrails:** The bed is equipped with a 13-inch full-length guardrail for safety. Ensure it is properly installed and maintained.
- **Mattress Compatibility:** Use a full-size mattress that fits within the bed frame dimensions to ensure proper guardrail effectiveness.
- **Electrical Safety:** When using the integrated USB charging station and LED lighting, ensure proper

electrical connections and avoid overloading outlets.

3. Parts List

All necessary hardware and tools are provided with your loft bed. Please refer to the detailed parts list and hardware diagram included in the separate illustrated installation manual for a complete inventory. Verify all components are present and undamaged before beginning assembly.
Note: The product is shipped in two separate boxes, which may arrive at different times. Please ensure you have received both packages before starting assembly.

4. Assembly Instructions

Assembly of the Bellemave Loft Bed requires two adults and typically takes several hours. An illustrated installation manual is included with your product to guide you through each step. Follow the diagrams and instructions carefully.

1. **Unpack and Organize:** Lay out all parts and hardware on a clean, soft surface to prevent scratches. Group similar components together.
2. **Assemble Main Frame:** Begin by assembling the main metal frame components as indicated in the manual. Ensure all connections are secure but do not fully tighten bolts until instructed.
3. **Install Slats and Guardrails:** Attach the heavy-duty metal slats to the bed frame. Install the full-length guardrails securely.
4. **Construct Desk and Wardrobe:** Assemble the L-shaped desk and the built-in wardrobe components according to the diagrams.
5. **Attach Stairs:** The staircase can be fitted on either the left or right side of the bed as required. Follow the specific instructions for your desired orientation.
6. **Final Tightening:** Once all components are in place, systematically tighten all bolts and fasteners. Do not overtighten.
7. **Install Electrical Components:** Connect the USB charging station and LED light strip as per the electrical installation guide.

Figure 2: Product Dimensions. This diagram illustrates the overall measurements of the loft bed, including height, length, width, and specific dimensions for the desk and staircase.

5. Setup and Operation

5.1 Convertible Stairs

The integrated staircase is designed for flexibility and can be installed on either the left or right side of the bed frame to best suit your room layout. This feature allows for optimal placement and accessibility.

Figure 3: Convertible Staircase. This image demonstrates the flexibility of the staircase, showing how it can be configured on

either side of the loft bed to adapt to different room layouts.

5.2 LED Lighting System

The loft bed includes an LED light strip installed under the bed, providing ambient lighting. It offers 16 color options and adjustable brightness, controlled via a remote control. Ensure the LED strip is properly connected to a power source.

- **Power On/Off:** Use the remote control to turn the LED lights on or off.
- **Color Selection:** Select from 16 available colors using the color buttons on the remote.
- **Brightness Adjustment:** Adjust the light intensity using the brightness control buttons.

Figure 4: LED Lighting System. This image highlights the integrated LED light strip under the bed, showing the remote control for color and brightness adjustments.

5.3 USB Charging Station

A convenient USB charging station is integrated into the desk surface, featuring both USB ports and standard electrical outlets. This allows for easy charging of electronic devices while working or studying at the desk.

Figure 5: L-shaped Desk with Charging Station. This image focuses on the desk area, showing the built-in USB ports and electrical outlets for convenient device charging.

5.4 Built-in Wardrobe and Storage

The staircase structure incorporates a small built-in wardrobe with a clothes rack and additional storage shelves. These compartments are ideal for storing clothes, books, toys, or other personal items, maximizing the utility of your space.

Figure 6: Built-in Wardrobe and Storage. This image details the storage solutions integrated into the staircase, including a small wardrobe and open shelving.

6. Maintenance

Regular maintenance will help prolong the life and appearance of your loft bed.

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Fastener Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary, but do not overtighten.
- **LED Strip:** Ensure the LED strip remains securely attached. If the adhesive weakens, re-secure it with appropriate adhesive or clips.
- **Electrical Components:** Keep the USB charging station free from dust and debris. Do not expose to liquids.

7. Troubleshooting

This section addresses common issues you might encounter.

Issue	Possible Cause	Solution
LED light strip does not stick to the frame.	Weak adhesive or surface not clean.	Clean the metal surface thoroughly before application. If adhesive is insufficient, use stronger double-sided tape or small clips to secure the strip.
LED remote control is unresponsive.	Battery is dead or missing.	Check if the remote requires a battery (e.g., CR2025 coin cell) and replace it if necessary. Ensure the battery is inserted with correct polarity.
Missing or damaged parts upon delivery.	Shipping damage or packaging error.	Do not proceed with assembly. Contact customer support immediately with details of the missing/damaged parts and your purchase information.

Issue	Possible Cause	Solution
Bed feels unstable or wobbly.	Fasteners are not fully tightened.	Carefully re-check and tighten all bolts and screws throughout the entire frame. Ensure the bed is on a level surface.

8. Specifications

Feature	Detail
Brand	Bellemave
Model Number	TH-00267-F
Size	Full
Product Dimensions	93.5"L x 57.5"W x 69.13"H
