## PRODUCT OVERVIEW

### Controls

The occiam T9 earbuds feature precise button controls for easy management of your audio and calls:

- **Play/Pause:** Single click the button on either earbud.
- **Previous/Next Track:** Double click the button on the left earbud for previous track, double click the button on the right earbud for next track.
- **Answer/End Call:** Single click the button on either earbud during an incoming call or active call.
- **Reject Call:** Long press the button on either earbud during an incoming call.
- **Volume +/-:** When using both earbuds, one side controls volume up, and the other side controls volume down. In single-ear mode, adjust volume directly on your device.
- **Voice Assistant:** Long press the button for 2 seconds to activate your device's voice assistant.

## SETUP

### Initial Pairing

1. Open the charging case and take out both earbuds. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Search for "T9" in the list of available devices and select it to connect.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

## One Step Pairing

Pick up the earbuds from charging case, connect Bluetooth <T9>.

### One Key Reset

If you experience connection issues or wish to clear previous pairings, you can perform a one-key reset:

1. Place both earbuds back into the charging case.
2. Locate the reset button inside the charging case.
3. Long press the reset button for 5 seconds. This will clear all previous pairing records.

4. The earbuds are now ready to be paired with a new device following the initial pairing steps.

## Effective Sweat Protection

SweatGuard technology creates a sweatproof seal to protect the internal components against damage

## OPERATING INSTRUCTIONS

### Charging the Earbuds and Case

The occiam T9 earbuds offer extended playback time with their charging case:

- Each earbud provides up to 8 hours of continuous use on a single charge.
- The portable charging case can recharge the earbuds 5-6 times, providing a total playback time of 48 hours in single-ear mode or up to 96 hours in dual-ear mode.
- The dual LED display on the charging case accurately shows the remaining power of the case and the charging progress of each earbud.
- Use the provided Type-C charging cable to charge the case. Connect it to a standard USB power adapter (not included).

# 96 Hrs Long Playback

The powerful battery life allow for all day listening

## Wearing the Earbuds

The occiam T9 earbuds are designed with ergonomic ear hooks for a secure and comfortable fit, especially during physical activity:

- Select the appropriate eartip size (S, M, L) for your ears to ensure a snug fit and optimal sound quality.
- Gently insert the earbud into your ear canal.
- Adjust the flexible earhook over your ear to secure the earbud in place. The earhooks are designed to prevent the earbuds from falling off during movement.

## Audio Quality

Experience high-fidelity audio with deep bass and clear calls:

- The 13mm large speaker drivers deliver powerful bass, mellow midrange, and clear treble for a vivid music experience.
- Equipped with quality microphones, the earbuds ensure clear call quality by reducing background noise interference.

## MAINTENANCE

### Cleaning

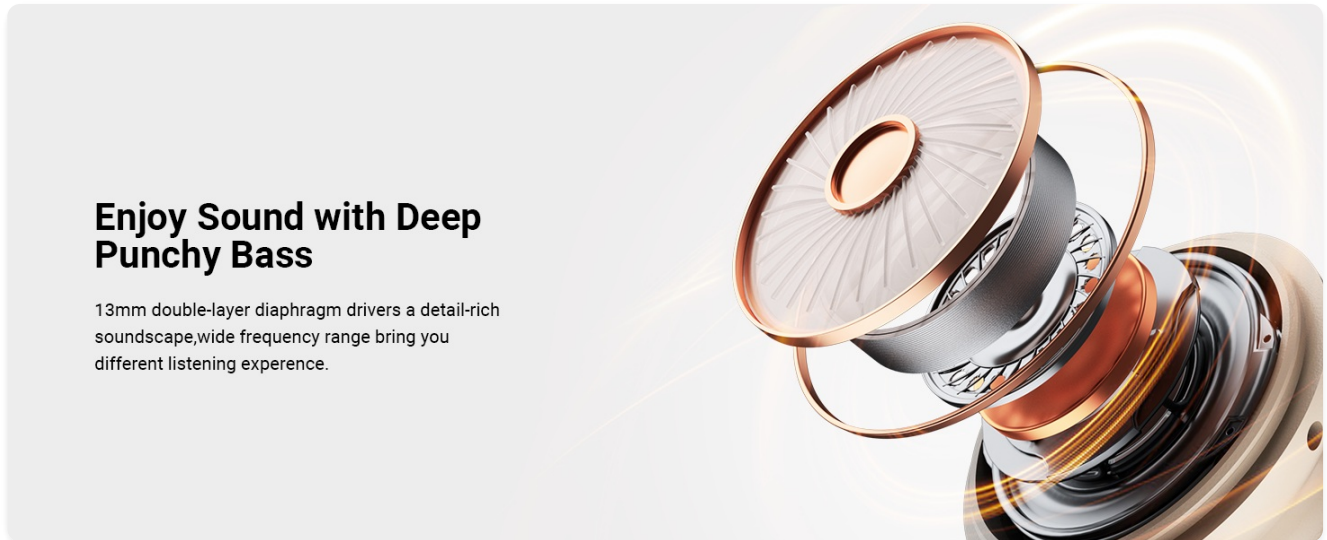

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case:

- Gently clean the chrome contacts on both the earbuds and inside the charging case with isopropyl rubbing alcohol. This helps prevent charging issues.

- Wipe the earbuds and case with a soft, dry, lint-free cloth.
- Remove eartips and clean them separately with mild soap and water, then dry thoroughly before reattaching.

## Water Resistance

The occiam T9 earbuds are equipped with nano-coated waterproof material, providing protection against sweat and raindrops. They are suitable for workouts, jogging, and other sports activities. However, they are not designed for swimming or submersion in water.

### Enjoy Sound with Deep Punchy Bass

13mm double-layer diaphragm drivers a detail-rich soundscape, wide frequency range bring you different listening experience.

## TROUBLESHOOTING

If you encounter any issues with your occiam T9 Wireless Earbuds, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Earbuds not pairing or connecting.	Previous pairing issues, low battery, or device Bluetooth off.	Ensure earbuds are charged. Turn off and on your device's Bluetooth. Perform a <a href="#">One Key Reset</a> .
Only one earbud working.	One earbud not charged, or pairing issue.	Ensure both earbuds are properly seated in the charging case and fully charged. Perform a <a href="#">One Key Reset</a> and re-pair.
Charging issues (earbuds not charging in case).	Dirty charging contacts, improper seating, or faulty cable/charger.	Clean the charging contacts on earbuds and case with isopropyl alcohol. Ensure earbuds are correctly seated. Try a different Type-C cable and a standard (not fast) USB charger.
Poor microphone quality during calls.	Environmental noise, earbud positioning, or software issue.	Ensure the microphone is not obstructed. Try moving to a quieter environment. If issues persist, perform a <a href="#">One Key Reset</a> .

Problem	Possible Cause	Solution
Low volume or poor sound quality.	Improper eartip size, earbud not seated correctly, or device volume too low.	Adjust eartip size for a better seal. Ensure earbuds are securely placed in your ears. Increase volume on your connected device.
