INLIFE Infinity LED Coffee Table 70x50x50 cm

INLIFE Infinity LED Coffee Table Instruction Manual

Model: Infinity LED Coffee Table 70x50x50 cm

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your INLIFE Infinity LED Coffee Table. Please read this manual carefully before use and retain it for future reference.

SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly.
- Do not exceed the maximum load capacities: Total 40 kg, Mirror top 5 kg, Laminated shelf 20 kg.
- Use only a certified 5V USB power source for the LED lights (not included).
- Keep electrical components away from water and moisture.
- Assembly should be performed on a soft, clean surface to prevent scratches.

PACKAGE CONTENTS

Verify that all the following components are included in your package:

- Table panels (engineered wood)
- Glass top with integrated Infinity LED mirror
- Assembly hardware (screws, dowels, etc.)
- USB cable for LED power
- Instruction manual (this document)

SETUP AND ASSEMBLY

Assembly is required for this product. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent damage.
2. **Identify Parts:** Refer to the included parts diagram (if provided with your product) to identify all components.
3. **Assemble Frame:** Connect the engineered wood panels using the provided hardware (screws, dowels). Ensure all connections are secure and tightened appropriately.
4. **Install Glass Top:** Carefully place the glass top with the integrated LED mirror onto the assembled frame. Ensure it is seated correctly and securely.
5. **Connect LED Power:** Locate the USB cable for the LED lights. Connect it to the designated port on the table.
6. **Positioning:** Place the assembled coffee table in your desired location, ensuring it is on a stable and level surface.

OPERATING INSTRUCTIONS

The INLIFE Infinity LED Coffee Table features customizable RGB LED lighting.

1. **Power Connection:** Connect the USB cable from the table to a certified 5V USB power source (e.g., a USB wall adapter, power bank, or computer USB port). The power source is not included.
2. **Controlling LEDs:** The LED lights can be controlled to customize modes, colors, and brightness. Refer to the specific controller (e.g., remote control or integrated buttons) provided with your product for detailed operation.
3. **Color Customization:** Use the controller to select from various RGB colors to achieve your desired lighting effect.
4. **Brightness Adjustment:** Modify the brightness level of the LEDs to suit your ambiance or preference.

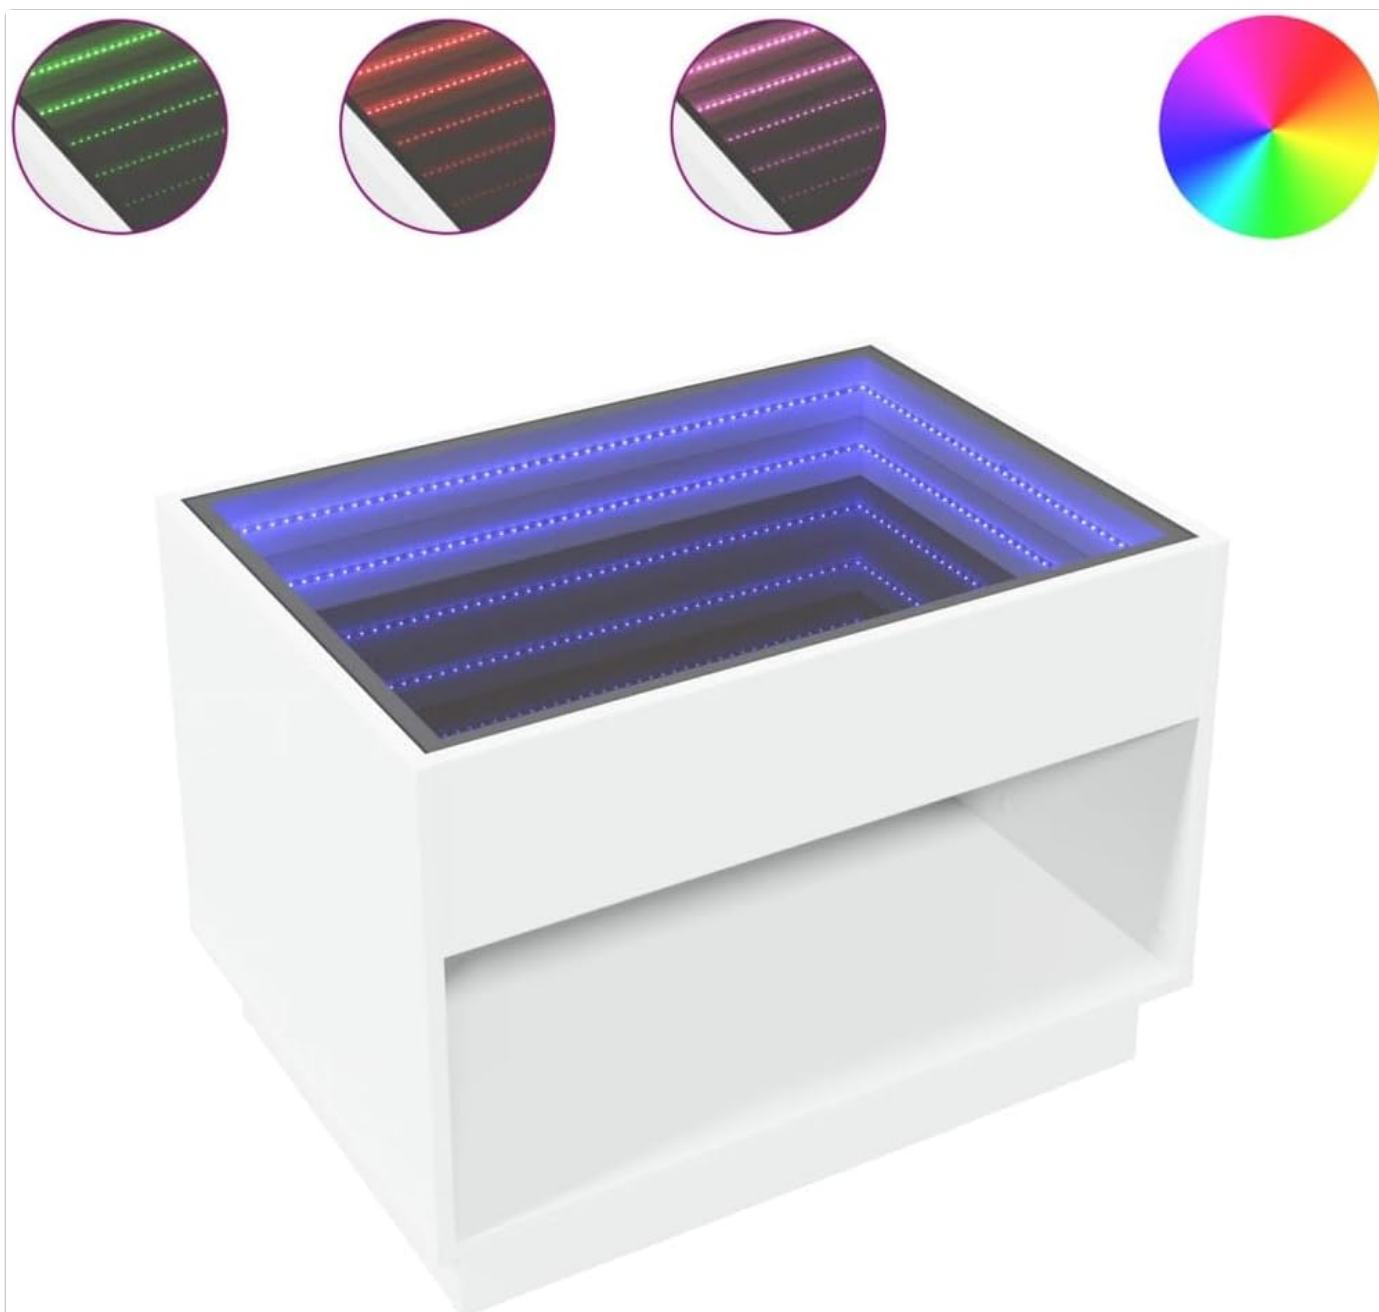

Figure 3: Visual representation of the customizable LED colors and effects, including a color wheel for selection.

MAINTENANCE

- **Cleaning the Table Surfaces:** Wipe the engineered wood surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Glass Top:** Use a glass cleaner and a microfiber cloth to clean the glass surface. Do not spray cleaner directly onto the LED components or into any openings.
- **Dusting:** Regularly dust the table to prevent accumulation, especially around the LED components and the infinity mirror area.
- **Electrical Components:** Ensure the USB connection and any other electrical parts remain dry and free from dust. Disconnect power before cleaning electrical components.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
LED lights do not turn on.	No power to the USB cable; faulty USB power source; loose connection.	Ensure the USB cable is securely connected to a working 5V USB power source. Try a different USB power source. Check for any damage to the cable.
LED lights flicker or are dim.	Insufficient power supply; loose connection.	Ensure the USB power source provides sufficient and stable 5V power. Check all connections for tightness.
Table is unstable after assembly.	Loose assembly hardware; uneven floor surface.	Check and tighten all screws and connections. Ensure the table is on a flat, even surface. Use furniture pads if necessary to level the table.

SPECIFICATIONS

Brand	INLIFE
Model	Infinity LED Coffee Table
Dimensions (L x W x H)	70 x 50 x 50 cm
Material	Engineered wood, Glass
LED Type	RGB LED (customizable colors, modes, brightness)
