OPERATING INSTRUCTIONS

Converting from Sofa to Lounger:

To convert the couch into a lounger, simply unfold the bottom section of the couch. The design allows for a smooth transition, creating an extended surface for lounging or napping.

Activating Glow-in-the-Dark Feature:

For the star patterns to glow, expose the couch to bright light or sunlight for 15-30 minutes. The longer the exposure, the brighter and longer the glow will last in the dark.
