VIOVOIIV LHT12

Red Bear Micro Building Blocks Set Instruction Manual

Brand: VIOVOIIV | Model: LHT12

1. PRODUCT OVERVIEW

The Red Bear Micro Building Blocks Set by VIOVOIIV offers a unique and engaging building experience with approximately 4500 micro-sized pieces. Once assembled, the model stands at a significant size, making it an ideal decorative piece. This set is designed for individuals aged 8 years and up, providing a challenging yet rewarding construction project.

2. SAFETY INFORMATION

Please observe the following safety guidelines:

- For external use only.
- Avoid contact with eyes.
- Keep away from naked flame.
- Small parts may pose a choking hazard. Not suitable for children under 3 years.

3. PACKAGE CONTENTS

Upon opening the package, you should find the following items:

- Approximately 4500 Micro Building Pieces (sorted by color/shape)
- Detailed Instruction Manual (this document)

4. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Red Bear Micro Building Blocks Set:

1. **Preparation:** Unpack all components. It is highly recommended to sort the micro blocks by color and shape before beginning assembly. This will significantly aid in locating the correct pieces for each step.
2. **Review Instructions:** Carefully read through the entire instruction manual, paying close attention to the diagrams and piece counts for each step. The painted instructions are designed to guide you through every stage of the building process.
3. **Layer-by-Layer Construction:** Building typically proceeds layer by layer from the base upwards. Ensure each block is firmly connected to the adjacent blocks to create a stable structure.
4. **Precision:** Due to the micro size of the blocks, precision is key. Take your time to align each piece correctly.
5. **Troubleshooting During Assembly:** If a section does not seem to fit, re-check the previous steps and the orientation of the blocks. Refer to the troubleshooting section if you encounter persistent issues.

5. PRODUCT CARE AND MAINTENANCE

To ensure the longevity and appearance of your assembled Red Bear figure:

- **Cleaning:** Dust the figure regularly with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the assembled figure in a stable location away from direct sunlight, extreme temperatures, and high humidity to prevent material degradation or discoloration.
- **Handling:** Handle the assembled model with care to avoid accidental disassembly, especially of smaller components.

6. TROUBLESHOOTING

If you encounter any issues during assembly or with the product, consider the following:

Problem	Possible Cause / Solution
Pieces do not snap together securely.	Ensure correct orientation and firm pressure. Micro blocks require precise alignment. If a piece is damaged, replace it if possible.
Missing pieces.	Double-check the packaging and sorting area. If pieces are genuinely missing, contact customer support (see Section 8).
Difficulty understanding instructions.	Review the diagrams carefully. If a specific step is unclear, try to visualize the completed section. Online resources or community forums might offer visual guides.
Jagged corners causing discomfort during assembly.	Consider wearing thin gloves or taking frequent breaks to alleviate finger discomfort.

7. SPECIFICATIONS

Attribute	Detail
Product Dimensions (Assembled)	8.6 x 5.5 x 12.5 inches (21.8 x 14 x 31.8 cm)
Item Weight	1.58 pounds (0.72 kg)
Model Number	LHT12
Recommended Age	8 years and up
Material	Safe, Non-toxic, Environmentally friendly ABS material
Piece Count	Approximately 4500 pieces

12.6inches
