INFANS S308

INFANS Licensed Lamborghini Huracan 12V Electric Ride-On Car Instruction Manual

Model: S308

INTRODUCTION

Thank you for choosing the INFANS Licensed Lamborghini Huracan 12V Electric Ride-On Car. This manual provides essential information for the safe assembly, operation, and maintenance of your new electric vehicle. Designed for children aged 3-8 years, this ride-on car offers an authentic driving experience with features such as LED lights, spring suspension, Bluetooth connectivity, and MP3 playback. Please read this manual thoroughly before use and retain it for future reference.

SAFETY INFORMATION

This product is compliant with US CPSIA and ASTM requirements, ensuring it is made from non-toxic materials free from BPA, PVC, Phthalates, Lead, Latex, and Formaldehyde. It has passed tests for stability, asphyxiation, load, and shear, ensuring a safe play environment for your child.

- **Age and Weight Limit:** Suitable for children aged 3-8 years with a maximum weight capacity of 66 lbs.
- **Slow Start Function:** The electric car features a slow start function to ensure smooth acceleration, preventing sudden jolts that might startle the child.
- **3-Point Safety Belt:** Always ensure the child is securely fastened with the 3-point safety belt before operation.
- **Parental Remote Control:** The included 2.4GHz remote control allows parents to override manual operation and activate an emergency brake (P button) at any time, enhancing safety.
- **Spring Suspension:** The 4-wheeler design with rear suspension springs helps absorb shocks on various surfaces, providing a stable ride.
- **Supervision:** Adult supervision is required at all times during operation.

WHAT'S IN THE BOX

Upon unpacking, please ensure all the following components are present:

- 1 x Ride-On Car Body
- 1 x Instruction Manual
- 1 x Remote Control
- 1 x Charger
- Wheels (4x)
- Steering Wheel
- Seat
- Rear Spoiler
- Windshield

- Side Mirrors (2x)

SETUP & ASSEMBLY

Follow these steps to assemble your INFANS Lamborghini Huracan ride-on car. For a visual guide, please refer to the installation video below.

Assembly Steps:

1. **Wheel Installation:** Attach the four wheels to the axles on the underside of the car body. Secure them with the provided washers and nuts, then cover with the hubcaps.
2. **Battery Connection:** Locate the battery compartment and connect the power cables. Ensure a secure connection.
3. **Steering Wheel Attachment:** Connect the steering wheel's electrical cable to the corresponding port in the dashboard. Align the steering wheel with the steering column and secure it with the provided screw.
4. **Rear Spoiler Installation:** Attach the rear spoiler to the designated slots at the back of the car body.
5. **Windshield and Side Mirrors:** Snap the windshield into place at the front of the cockpit. Attach the side mirrors to their respective positions on the car doors.
6. **Seat Installation:** Place the seat into the car's interior, ensuring it clicks securely into its locking mechanism.

OPERATING INSTRUCTIONS

The INFANS Lamborghini Huracan offers both manual and parental remote control options for a versatile driving experience.

1. Powering On/Off

- Locate the power button on the dashboard. Press to turn the car on or off.

2. Driving Modes

- **Manual Control:** The child can operate the car using the steering wheel and foot pedal. The car features forward and backward gears.
- **Parental Remote Control:** For younger children or for parental intervention, use the 2.4GHz remote control. It offers 3 adjustable speeds (up to 1.86 mph) and an emergency brake (P button) to stop the car instantly. The remote control overrides manual operation for safety.

3. Multimedia Functions

- The car is equipped with Bluetooth, radio, USB, and MP3 capabilities. Children can play their favorite songs while driving.
- Buttons on the steering wheel control music playback and the horn.

4. LED Lights

- The car features bright LED headlights for enhanced visibility and a realistic driving experience.

MAINTENANCE

Proper maintenance ensures the longevity and safe operation of your ride-on car.

- **Battery Charging:** The 12V 4.5AH rechargeable battery requires 8-12 hours for a full charge, providing approximately 1-2 hours of play time. Always use the provided charger. Do not overcharge.
- **Cleaning:** Wipe the car's surface with a damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the car in a dry, cool place away from direct sunlight and moisture when not in use.
- **Regular Checks:** Periodically inspect all screws, connections, and moving parts to ensure they are secure and functioning correctly.

TROUBLESHOOTING

If you encounter any issues with your ride-on car, please refer to the following common solutions:

- **Car Not Starting:** Check if the battery is fully charged and properly connected. Ensure the power button is pressed.
- **Reduced Power/Speed:** The battery may be low. Recharge the battery for the recommended duration.
- **Remote Control Not Working:** Ensure the remote control has fresh AAA batteries (2 x 1.5V AAA batteries required, not

included). Check if the remote is properly paired with the car.

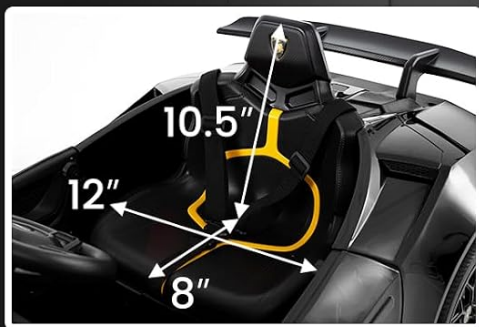

- **Unusual Noises:** Inspect wheels and axles for any obstructions or loose parts.

If problems persist after attempting these solutions, please contact INFANS customer support for assistance.
