SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always assemble with care, keeping fingers away from pinch points.
- Do not overload shelves or drawers.
- Ensure proper ventilation for the refrigerator space.
- Keep liquids away from electrical components.
- Always unplug and allow to cool before cleaning.
- This product is delivered in two packages, which may arrive on separate days. Ensure all packages are received before starting assembly.

PRODUCT OVERVIEW AND DIMENSIONS

The LVB Bar Cabinet is designed for versatile storage and display. It features a dedicated space for a compact refrigerator, drawers, wine racks, glass holders, and adjustable shelves. The cabinet is constructed from engineered wood and a metal frame, providing a sturdy and elegant solution for your home.

Product Arrives in 2 Packages, Possibly on Separate Days.

Ensure all hardware is securely fastened, but do not overtighten. The cabinet includes two levelers for added stability on uneven surfaces.

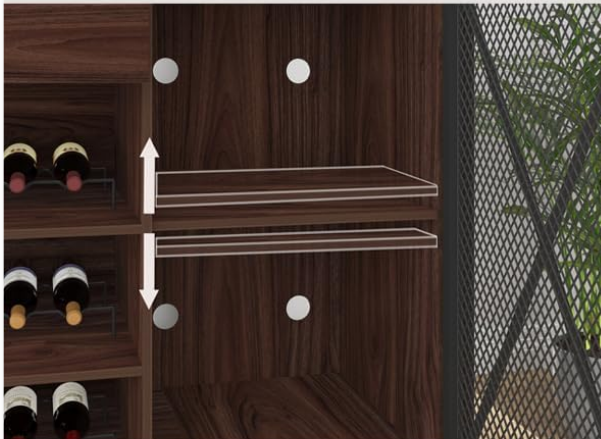

OPERATING AND FEATURES

Your LVB Bar Cabinet offers multiple functionalities and storage options:

- **Fridge Space:** A dedicated compartment (17.7" W x 19.7" D x 33.9" H) is designed to accommodate most compact wine coolers or beverage refrigerators. Ensure your appliance fits within these dimensions.
- **Drawer Storage:** A central drawer provides convenient storage for cutlery, bar tools, or other small accessories.
- **Wine Racks & Glass Holders:** Integrated racks are available for horizontal wine bottle storage, and glass holders are included for stemware.
- **Adjustable Shelves:** The internal shelves can be adjusted to different heights to suit your storage needs for bottles, glassware, or other items.
- **Cable Management:** Detachable back panels feature six holes for easy wire passage, ideal for connecting a refrigerator or other electronic devices.
- **Iron Mesh Doors:** Two iron mesh doors provide a stylish enclosure while allowing visibility of contents.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the cabinet with a soft, dry cloth.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Ventilation:** Ensure adequate airflow around any installed refrigerator to prevent overheating.

TROUBLESHOOTING

This section addresses common issues you might encounter:

- **Wobbly Cabinet:** Ensure all screws are tightened. Use the adjustable levelers on the base to stabilize the cabinet on uneven floors.
- **Doors Not Aligning:** Check that all hinges are correctly installed and tightened. Minor adjustments to hinge screws may be necessary for proper door alignment.
- **Missing Parts:** If any parts are missing upon delivery, please contact customer service immediately.
